How Do I Join?

You are probably unfamiliar with the process, so here is a brief example of what will occur if you have an interest in joining LBYC.

Please fill out an application. Applications are available at the club or they may be downloaded from our website:

www.longbeachyachtclub.com

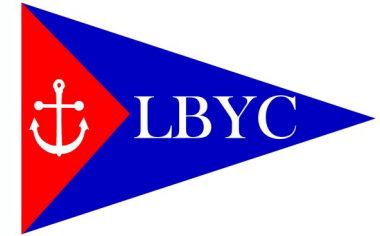

Either way, the completed application needs to be turned in, mailed to the Yacht Club or handed to any board member. An initiation fee of \$350 should be turned in with the application. The application will *NOT* be processed until this (one time) fee is obtained.

It will then be placed on our bulletin board for all to review for no less than three weeks. The application will then be presented at the next board meeting and will appear in the next newsletter.

During the following month, the application will again be presented to the board for final approval. If approved, you will receive a letter of notification and a membership card. You will then be billed for your membership dues.

Our Membership Dues are \$660 per year or monthly arrangements can be made.

Please be patient during this bookkeeping process. While your application is being processed, you are invited and encouraged to attend LBYC functions so we can get to know you.

Welcome To LBYC....

THE place to develop lasting friendships and wonderful memories.

THE place to be part of a great group of people who enjoy boating, sailing, racing and LOTS of socializing.

THE place where the whole family can have fun on and off the water

Our club is not just for sailors, (you don't have to own a boat). Anyone wanting to establish new friendships and enjoys all types of water, family and social activities is welcome.

Our club will fill your agenda with our many hassle-free social events. We are NOT your typical bar scene.

Our club gives you reciprocal privileges with the other GYA yacht clubs and our swimming pool is available day and night.

Perhaps the **best** reason to join us is all the new friends and memories you will make at the place with the best view of the Coast in Long Beach!
