Our organization's progress is so remarkable that it is sometimes hard to comprehend. Our committees are working hard to meet the challenge they have been given, and are ahead of schedule. With a membership of 170 and new applications arriving every day, we can be assured that we are well on our way to success.

We are going to have an event in March to expand membership before the charter membership cut-off on March 31. If every member could bring at least one good potential member to this event, it could be possible to double our numbers in one night. Please make every effort to be present and bring as many prospective members as possible. Your cooperation in building this club will be greatly appreciated.

Sincerely,

John Charlton, Commodore

"ADVICE FROM THE VICE"

Talent of every kind is required to help our club grow economically. Cooks, bottle washers, builders, painters, electricians, plumbers, baby-sitters, phone talkers, wholesalers, boat racers, ship fitters, and "HELPERS" are requested to call me and let me know about your talent and the time your talents can be utilized. Thanks. Irvin Haydel II, 864-1681

TREASURER'S REPORT

As of February 22, 1982, Long Beach Yacht Club has a balance of funds in the amount of \$39,538.21; \$20,000.00 of which is invested in Certificate of Deposit.

MEMBERSHIP COMMITTEE

The Membership Committee is pleased to report a total of 170 members. Our newest members are:

Gerard A. Bell	Marshall L. Clark	Winston Markwalder
Gladys L. Budd	William M. Cooper	Robert Stanley Morrison, Sr.
Richard G. O'Mar	David W. Griffith	Tony Schexnayder
William Slaughter	Samuel G. Grimes, Jr.	Philip R. Schilling
Wilson P. Steagall	Robert G. Harmer	Robert O. Symmes
John W. Armstrong	Morris Johnson	Chloe D. Werner
Stephen R. Bowman	Edward J. Langton	Col. E. O. Wyatt (Ret.)

We are again asking you to assist in the membership drive by bringing a prospective member to the March function. Applications will be available at that time.

BUILDING COMMITTEE

Your Building Committee has been busy preparing for the construction of our permanent home, with meetings being held weekly. The committee has made preliminary contacts with architectural firms and upon their advice we have formed several sub-committees to study each aspect of the make-up of a club house. Upon completion of these studies, the full committee will prepare a comprehensive building program to be presented to your Governing Board for approval. Upon approval of this program, an architect will be selected to begin the preliminary design of the club house.

FROM THE ENTERTAINMENT COMMITTEE

The Entertainment Committee is finalizing plans for a MARCH SOCIAL FUNCTION and news of that will be forthcoming just as quickly as plans can be completed. Co-chairing the committee with Sonny Wilson is Jerry Hoffman.

PUBLICITY COMMITTEE

The Publicity Committee helped decorate the LBYC entry in the CALB Carnival Parade. The committee would like to thank Tom and Kay Barrett (for the use of their home and boat), Irvin Haydel and Guy Catalano for their assistance in decorating the float. The Publicity Committee wants this float to become the first entry in a long line of civic-sponsored activities.

Club members who placed orders for T-shirts, etc. should be receiving those orders soon. LBYC paraphernalia may be purchased at all LBYC events, or by contacting Cheryl Catalano, 864-9102 after 4:00 p.m.

LBYC AUXILIARY NEWS

The Auxiliary will hold its first meeting on Tuesday, March 16 at 7:30 p.m. in the home of Al and Carol Ann Lewando, 553 Mockingbird Drive, Long Beach. All interested members are invited to attend and help formulate this branch of LBYC.

SUMMER SAILING PROGRAM

If you are interested in sailing lessons to be conducted during the months of July or August, please drop a note to LBYC, P. O. Box 97, Long Beach, MS 39560, giving number of adults as well as number of children over the age of twelve. This information is important as plans are being formulated now for this program.

TEMPORARY CLUB FACILITIES

The lease has been signed and we will be moving into the office portion of our temporary quarters during the first week in March. The location is the building which is owned by St. Patrick's Episcopal Church and is south of the church, Burke Avenue and Highway 90. Any members who are willing to loan or donate office furniture, equipment, OR ANYTHING, please call the secretary, Pat Maxwell, 864-2107.

RECENT COMMITTEE APPOINTMENTS

Recently appointed committee chairpersons include Alan Chappell, Docks and Piers; Junior Activities, Burr Loomis; Race, Sam McCauley; House, Charles Boykin and Historian, Lynn Ward.
