Fellow Members:

Our present rapid growth substantiates my great optimism about this club's success. Our officers, committees and members have worked long and hard to develop an organization which can be a source of pride to all.

The basis on which we can build a successful club lies within our membership. I would like to ask each member to make an effort to recruit just one new member in the month of April or May. If we could accomplish this, we could reach our goal for total membership requirements before mid-year. Our ability to raise funds and finance any building program will depend greatly on the number of members in our organization. I must therefore encourage you to actively seek out new members. Let's keep this club moving forward!

Remember -- you still have a chance to win a T-shirt for being the first sponsor on a new member's application. But hurry -- this offer ends when we reach the 300th member. We are also giving away an original oil painting by our Rear Commodore, Tom Barrett. This beautiful painting will be awarded to the individual who sponsors the most new members from March 20th until we reach our 300th member.

LBYC DAY AT THE BEACH

Bring the whole family for a day of sailing fun! On April 17th everyone is invited to use Alan Chappell's rental boats free of charge. Just bring your membership card. Sailing instruction will be available to anyone who needs it. Bring a picnic lunch and spend the day. Boats are located across from the Gulf View Motel. Come anytime after 11:00 a.m. In case of rain, this event will be rescheduled for the following Saturday. SEE YOU THERE!!

From the Foc'sle

Club Committees are gearing up for the Summer months. Meetings are being held on a weekly basis planning a Summer of Boating and Entertainment for the entire membership. The essential ingredient to all of their activities is PARTICIPATION. Plan to support YOUR Club.

Our membership has now past the 250 mark. This is a gain of over 125 members in only three months. The Membership Committee has now set their sights on the 300 mark and with your continued help this goal will be met in the near future. Our only way to advertise for new members is through our present membership, so take it upon yourself to sponsor a new member this month.

The St. Pat event was a big success. A SPECIAL "WELL DONE" goes to the Entertainment Committee for its first event for the club.

POWERBOATERS--There will be a meeting at the "ANNEX" on April 17th at 7:30 p.m. Powerboaters and members interested in powerboating are invited to attend.

By-Laws are being printed and copies will be available at the next Club event. Club Burgees have been ordered from Hong Kong and will go on sale when they arrive. License tags will also be available in the near future.

RACE COMMITTEE

Chairman Sam McCauley reports that the committee is working actively toward acquisition of one or two used Flying Scots, and presently has several good prospects for club-owned boats.

ENTERTAINMENT COMMITTEE

On April 23, 1982 the Entertainment Committee will sponsor a Country and Western Dance at the Mississippi Coast Coliseum Exhibition Center. The cost is \$7.50 per person and the band is Garland Moran and the Night Travelers. Prizes will be awarded for the best western dressed male and female. There will be no charge for parking.

Entertainment Committee would like to thank all of the ladies who prepared the hors d'oeuvres for the St. Patrick's Day Party. Everyone really enjoyed them.

SUMMER SAILING PROGRAM

Anyone interested in the Summer Sailing Program please send your name(s) and address (if you haven't already done so) to LBYC, P. O. Box 97, Long Beach, MS 39560. We are considering moving the starting age of the children down to six years old, if we can get some of our members to volunteer the use of their small sailing boats. There will be a fee charged for the lessons so that we can pay the instructors. All applicants will need to pass a swimming test before they go out in the boats.

We are also looking for a responsible adult to take charge of finding instructors and taking care of the boats used for sailing lessons.

THE LBYC AUXILIARY will hold its first dinner meeting on Thursday, April 29th at The Depot in Gulfport. Wine will be served at 7:00 p.m. with the "dutch treat" dinner from the menu starting at 7:30. R.S.V.P. by April 27th to either Carol Ann Lewando, 864-6171; Pat Newcomb at 864-0090 or Becky Collins at 864-5487. Door prizes will be awarded.

Annual Auxiliary dues of \$10.00 will be collected at this meeting or may be mailed to Jeanne Carlisle, 207 Kuyrkendall, Long Beach, MS. 39560. To be included in the Auxiliary handbook, dues must be paid by June 1st.
