Fellow Members:

We have recently purchased our first club sailboat and are continuing to look for others to add to our fleet. These boats will be used in our sailing instruction programs. I encourage you to sign up for this worthwhile program. We are required by our charter to participate in GYA sailing competition and if our training program is successful, we can win our fair share of regattas. I certainly intend to take advantage of these programs and I think you will do the same.

We are planning many other activities this month and in the coming months. I would like to see everyone at these functions. Remember, this club needs your support.

Sincerely,

John Charlton, Commodore

FROM THE FOC'SLE

Committees are in full swing planning a summer of entertainment and fun for all. A lot of work is involved by a few to bring you well-organized activities. Volunteers are requested by all committees to help with Club activities. "Expertise" in all areas is needed for a better organized Club. So -- pick up the phone and get INVOLVED.

Starting this month our temporary Clubhouse (ANNEX) will be utilized for Club meetings and small social functions. It is located on the corner of Burke Avenue and Highway 90, one block west of Cleveland Avenue. It is a triple-wide trailer located south of St. Patrick's Episcopal Church. Our lease covers the building and the grounds south to Highway 90. A "Long Beach Yacht Club" sign is attached to the building.

Irvin Haydel II, V.C.

HOUSE COMMITTEE Chairman, Gerry Bell (864-8761) requests that all officers, governors and committee chairpersons schedule clubhouse usage through him. If unable to reach Gerry, call co-chairman Dick Marx at 863-1256. The Clubhouse is now ready for use and we plan to open at 4 PM Fridays and Saturdays, beginning Saturday, May 15th. WELCOME ABOARD, EVERYBODY.
