FROM THE FOC'SLE (SW end of my hospital bed!)

July was an exciting month for our Yacht Club. On Independence Day, some of our families were using our new picnic tables for a picnic on our grounds. On the 9th, the House Committee had an outstanding and well attended shrimp boil. The Governing Board, on the 12th, met with local bankers and discussed the Club's plans for permanent facilities financing. Our sailing program got "underway" on the 6th with 26 Juniors and 3 (now 2) adults enrolled. Three of our Juniors competed in the Junior Lipton Cup on July 17 & 18 at the Southern Yacht Club in New Orleans. For only two weeks of training they handled themselves and their boat very well. Their efforts were loudly applauded by the 70 or so people from all the other clubs attending! In other areas of the Club, a By-Laws Committee was formed to update our By-Laws for approval by the General Membership, the House Committee has erected a fine flag pole at the Club, the Entertainment Committee is providing a monthly calendar of events for the newsletter, and a Powerboat Committee has finally taken form.

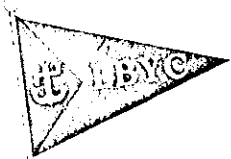

SPECIAL GENERAL MEMBERSHIP MEETING, AUGUST 2, 1982, to discuss our plans for a permanent building facility will be held at the Harper McCaughan Elementary School Auditorium (formerly Jeff Davis Elementary). The meeting will begin at 7:00 p.m. This will be an informative meeting and ALL MEMBERS are requested to attend.

--Irvin Haydel II, Vice Commodore

NAME THE NEWSLETTER CONTEST!!!! From August 1 through August 15 a box will be set up at the Club for suggestions of a name for our newsletter. You'll have to look at the name every month, so dream up some ideas and put them in the box! There will be a panel of judges chosen to evaluate the entries and the winner will receive a bottle of their favorite wine or liquor!

Our shrimp boil on July 9th was well attended. We served 110 dinners and were happy to see many family groups in attendance. Thanks to Betty Carter, Norma Vance, and Pat Maxwell for serving, and a special thanks to Dick Marx who organized the event, cooked the shrimp, and, with Stan Pulaski, went out on his boat and caught most of the shrimp.

SENIOR SAILING

RAFFLE!! Stan Pulaski has donated a cast net to be raffled off on September 3rd. Chances are \$1.00--on sale now at the Bar. Thanks, Stan.

17 of 20 Juniors and two remaining adults in the Sailing Program. Contrary to popular believe, the sailing program had nothing to do with the death and revitalization of Vice Commodore Haydel. Get well soon, Irvin! Irvin Haydel is the Sailing Master and instructor for the adults and our Junior's Racing Team. Mary and Chuck Vanborough are the contact instructors for the Senior Sailing Program. The program runs to the end of July. Those of you who didn't join, missed a good program. Plan on joining next year!!

A milestone of sorts was passed Sunday, July 18th, when a group of huffing, puffing House Committee members and volunteers erected a flag pole on our grounds (with the much appreciated help of Gene English and his cherry-picker). Chief architects were Stan Pulaski, Jerry Dean, and Bob Palmer.

Thanks to Sam Maxwell for building the fine picnic tables you see outside the club house!  
-Gerry Bell, House Committee Chairman

Three members of our Junior Sailing Program, Irvin Haydel III, Joey Bentz, and Sam Butler competed in the Junior Lipton at Southern Yacht Club in New Orleans the weekend of 17-18 July. After only one week of basic sailing training and one week of racing training, they finished in all their races except the first, which was called off by approaching thunderstorms. Our compliments to these fine young sailors, and to the Team coach, Rod Salsfield.

The Chairman and Board member, Deanna Butler, exchanged burgees with the SYC Commodore.

## ERA IS NOT DEAD!

On August 20th at 7:00 p.m. several of our Auxiliary LADIES WILL TAKE OVER  
THE BAR. They will be mixing drinks, taking care of the beer tap, serving  
snacks, and simply showing that "whatever men can do, women can do better!"  
Come on in and either support the ladies or give them such a hard time that  
the men let "male chauvanism" take over again!
