

HOUSE COMMITTEE NOTES

Monday Night Football - Well, we bought a fine, new 25" color TV, got the popcorn maker working and had two Monday nights of enthusiastic viewing. Then they went on strike!! We hope that by the time you read this it will be settled, so come on down!!

Bingo, Anyone?? - We're looking into the possibility of having a weekly Bingo Night. Would appreciate your opinion on this, plus any help and suggestions. Call Gerry Bell at 864-8761.

Raffle Winner: The cast new raffled off September 3rd was won by Mrs. Pat Ladner. Congratulations, Pat!! And thanks to the many members who bought and sold tickets. The proceeds were used to buy the TV set for the Club.

Spooky Stuff Coming Up! The Entertainment Committee will put on a "HALLOWEEN TGIF" on Friday, October 29, 1982 at the Club House.

A Well Deserved "Thanks" Because of conflicts with work and school schedules, Charlie Boyilin and Jerry Dean have resigned from the House Committee. Charlie was the original Chairman and he got us off the ground. Jerry built the fine bar our regulars have come to know and love. Both of these gentlemen will continue to help us out on a "when-can" basis. I know I speak for the entire membership when I say "THANK YOU VERY MUCH."

FROM THE COMMODORE

Dear Members:

Our annual membership meeting scheduled in October will determine the leadership of this club as we elect officers for 1983. I urge all members to come and participate in this important meeting. We will have reports by the various committees to inform you on the activities of your club. We have come a long way and still have much left to accomplish but with your help, we can succeed.

I am looking forward to seeing everyone at this meeting.

John Charlton
Commodore

FROM THE FOS'CLE

A year ago this month the first organizational meeting of the Long Beach Yacht Club was held. Ten Long Beach residents had their names drawn from a hat and became the organizational committee. From October till December they met once and sometimes twice a week to draw up the club bylaws, set fees and dues, established a 1982 budget and nominated a list of officers for 1982. We have come a long way in one year. We are members of GYA & USYRU, we own three Flying Scots, we have fifty thousand in CD's, a fine temporary club house, five picnic tables, a flag pole, various LBYC items for sale and most importantly some outstanding working committees. Our membership is over 275 and growing monthly. The intangible item that stands out personally is the friendships I have made within the club this past year. Members have joined for various reasons but the friendliness and helpfulness shown between our members is second to none. If you have been a "number member" in the past, make October your month to get involved with your club. Attend the scheduled events and stop in at the club and meet your fellow members. The bulletin board located in the club house is continually changing with committees asking for material or help.

As my term as Vice-Commodore is drawing to a close I would like to thank the numerous committees I have worked with this past year. The support I have received for this office and myself has been greatly appreciated. The challenge facing your elected officials and yourselves in the coming year are the most important ones to date. These include increasing our membership and the building program. Make it a point to meet the nominees for they will be making the decisions that will directly effect you. At election time make your membership count and vote.

Irvin Haydel II Vice-Commodore

BOAT COMMITTEE NEWS

The Boat Committee met on September 8. A very interesting briefing was presented by Lt. Ed Daniels Commanding Officer of the U.S. Coast Guard Vessel "Point Estereo". At the next meeting scheduled for October 13 a briefing will be presented by John Haaseth. He will discuss the use of different types of propellers on outboard, inboard and inboard/outboard engines. A few of our members did make the rendezvous on September 12. We will schedule another boating activity in the near future. I would like to express my thanks to Don Roberts and Clarence Fisher for their support of the first sailboat regatta of the LBYC on Saturday and Sunday, September 25 & 26. We are proposing a BOATING SKILLS AND SEAMANSHIP BOATING EDUCATION CLASS to begin on a date to be announced.

Wes Castanedo - Chairman

FROM THE CHARTROOM

Our sailing program is rapidly taking shape and LBYC is being represented at most major and local events. Congratulations to our Lipton Cup team for a fine effort at the 63rd Annual Lipton Cup Regatta held at Pensacola Yacht Club, Labor Day weekend. Also, a special thanks to all the LBYC members who went to support them! Twenty-two Gulf Yachting Accociation (GYA) clubs turned out for the event. Bay-Waveland Yacht Club took the Cup with Southern Yacht Club and Gulfport Yacht Club close behind.

LBYC was able to enter a boat the very next weekend in the Monk Smith Regatta at Bay-Waveland Yacht Club. Thanks to Skipper Irvin Haydel III and crew Laura Nelson and Dena Butler.

After a lot of hard work for a lot of members, LBYC held the 1st Annual Walet Regatta in honor of Gene Walet, a very accomplished sailor who has given his time freely to help our sailing program. We had a good turn out and a great time! The sailors and the Race Committee gained some very good experience and I hope future regattas will be bigger and even better!
