FROM THE BRIDGE:

Dear Members:

I have good news for the second month running. March 29th we signed a 99 year lease with the Long Beach Port and Harbor Commission for the property which we plan to construct our clubhouse on. Several days later, we erected a sign on the site which reads "Future Home of Long Beach Yacht Club". The Governing Board now has all the proposed building plans and is in the process of reviewing them. The plans will be posted in the clubhouse soon for your review and comments.

The date for a general membership meeting to vote on club by-law changes, the selection of a building plan and the finance program has been set for 7:30 P.M., June 6, 1983. The location has not been determined at this time, but you will be notified of the location by mail as soon as possible. You will also receive a copy of the proposed by-laws prior to the meeting date.

Please make plans to attend this most important meeting.

RACE AND SAIL COMMITTEE: The R/S Committee would like to thank everyone who made our first pot luck dinner a success, the food was delicious! If you have been to the club lately, you have probably noticed a new structure. With the carpentry skills of Charlie Webb and Jeff Morse, we now have a sail locker to store our sailing equipment in.

We have several regattas in the month of May:

April 30 - May 1	Annual GYA Opening Regatta, FYA
May 7-8	Alfonso Junior Regatta, GYC
May 14	Hobie Day - Highway 90, L.B.
May 21-22	Summer Regatta, MYC
	Youth Regatta, LFYC
	One Design Regatta GLYC
May 28-29	One Design Regatta SYC
	Youth Regatta, LFYC
	One Design Regatta GLYC
	March of Dimes Regatta FWYC

LBYC DAY AT THE BEACH: Bring the whole family for a day of sailing fun on May 14th. Everyone is invited to use Allen Chappel's rental hobie cats FREE OF CHARGE. Just bring your membership cards. Sailing instructions will be available for those who need them. The boats are located on U.S. 90 across from the Gulf View Motel in Long Beach. Come by anytime after 11 a.m.. See you there.

The under \$50.00 regatta is getting closer every day. We still need suggestions for the name of the regatta, so we can have the T-shirts printed. The suggestion box is on the bar at the club. The regatta is a "one design" -- your own. Materials must not exceed \$50.00. You cannot use any manufactured hull. It has to be all home made sails, oars, paddle wheel, etc. Let's all make this regatta "one for the history books". The regatta will be the weekend of June 25th and 26th in conjunction with the in-house regatta (Flying Scot, Hobies, Sunfish, Cat 22, etc.) that the LBYC is planning (minimum 3 boats per class).

The Junior summer sailing program information is out. On June 8th and 9th from 4:30 to 7:30 p.m., we will hold the registration for the first sessions. On June 10th we will have the swimming test (time and location will be available at registration). The lessons will be held two days a week for 3 hours per day. There will be a fee of \$45.00 per session. Each student is required to wear a life jacket during all lessons on the boat. There is no reservation for lessons, it is on a first come, first serve basis. Your instructors will be Holly D'Aquila, Mary Yarborough and Chuch Yarborough.
