FROM THE BRIDGE:

Dear Members:

The LBYC Building Bond program is progressing very slow. Hopefully, in the next week the purchase of bonds will increase rapidly. We need to attain 75% of the building cost in order to sign the final contract and commence construction. I know each of you share with us the desire to have our club house a reality. The sooner we sell enough bonds the sooner we build.

Congratulations are in order for our Juniors. They were presented the G.Y.A. Beard Achievement Award, for an overall outstanding Juniors' program last year. A special thanks to Marcia Patrick, all the others who assisted and most especially the juniors who worked so hard to make this achievement possible. The juniors are the future of our club. In a few years they will be the leadership, the sailors, and workers who will carry on the traditions acquired through many activities available to them. The juniors recently purchased the new Sunfish sailboat they have been working and saving for over the past months. This was accomplished in part by a generous gift from Mr. and Mrs. Guy Allen of Great Southern Yacht Sales. A special thanks to the Allens for their interest in our juniors.

The long hot summer is upon us. Our race team is placing well at the many regattas attended. Come out and enjoy and share with us the numerous sailing events scheduled this summer. Also, our club needs your continued support. Drop in on Friday, Saturday or Sunday for a cold one and some tall tales of sail and fin.

Committee -

RACE AND SAIL (Continued)

For the month of August, LBYC plans to attend the following:

August 13-4

Knost Regatta (all women) - Pass Christian

August 20-22

Mudlump Regatta - Singing River YC

Also make plans to attend the 64th Lipton Cup Regatta (THE BIG ONE) at Bay Waveland YC Labor Day Weekend, September 3-4-5th. LBYC will be there in force this year and would love to have a large supporting crowd, since it is in our own backyard.

To close, let me express one more time the R/S Committee's great appreciation to the people who have helped us and supported us in all our events. Y'all know who you are.

Thank you.

- Jeff Morse  
Race and Sail Committee

**"IMPORTANT  
NOTICE"**

IF YOU CURRENTLY HAVE YOUR BOAT ON LBYC PROPERTY AT THE HARBOR, PLEASE IDENTIFY IT SO WE CAN DETERMINE HOW MANY OF THE EXISTING BOATS THERE ARE CLUB MEMBERS' BOATS.

RACE AND SAIL:

Last month LBYC held its first in-house regatta - "The Cheap Thrills Regatta" There were five different classes of boats in the Regatta and there were two races held instead of three due to the foul weather. The five classes of boats that entered the race were the Flying Scot class with Greg Anderson and his crew taking home first place. The next class was the Hobie Cat 16 ft. with Bob Christ and his two sons taking home first place. The Sunfish class was represented also with Zack Hallock taking home the first place trophy. Rick Oerting took home the first place trophy in the Laser class, and last but not least the Catalina 22 class. The Catalinas were the largest class in the regatta with four boats, with Sam McCauley and crew winning first place trophy.

The Race and Sail Committee was very happy to see so many different types of boats in the race. It sure looks like LBYC is going to have a very versatile sailing department. We also had T-shirts, beer, soft drinks, chips, hamburgers and hot dogs for sale during the regatta on the beach. The main event was the Under 50 Dollar event which took place Saturday afternoon. This event was a great time for everyone. The first place overall trophy was taken home by Dena Butler for first boat to the beach. Start building your Under 50 Dollar vessel for next year.

The Race and Sail Committee would like to thank everyone who helped out with the regatta. If I were able to name everybody by name, it would take at least four pages, so I won't, but I would like to especially thank the Junior Committee and the Power Boat Committee and the House Committee and again thank all the individuals who donated so much time and effort in making the Cheap Thrills regatta a huge success, despite the weather.

If you missed out on the Cheap Thrills Regatta, the R/S Committee is going to give everyone another opportunity to make another in-house regatta. This is going to be a good one! The name of this regatta is the "Petticoat Regatta". This regatta will be all women skippers, and if enough women are available, it will be all women crew. This is a fun regatta and will be held August 6-7th. Hope to see you there.

LBYC made four regattas in the month of July. We attended the race week in Biloxi, the Junior Lipton at Southern Yacht Club in New Orleans, and Biloxi Invitational and are presently being represented at the Flying Scot North American Championship in Bay-Waveland.

(continued)

Super Summer

HOUSE COMMITTEE NOTES:

MARK YOUR CALENDAR: The House Committee will put on a barbequed chicken dinner on Friday, August 26th, 6 to 7:30 PM - \$3.50 per person. Stan will serve frozen daiquiris. If you liked the Mexican dinner, you'll love this! Same cook - same crew. Please make plans to attend.

SPECIAL THANKS to Jud Williams for coming down on a holiday to fix our air conditioner.

LADIES' NIGHT AT THE CLUB will be Friday, August 19th. Come down and enjoy the goodies the ladies provide for us. They work hard on this every month and deserve your support.

SUGGESTIONS WANTED - It won't be too long before we'll be choosing furniture, equipment, decorations, etc. for our new club house. The more input the board has, the better job they'll be able to do for you. Remember - you are paying for it!

- Gerry Bell,  
Chairman -

**Come join the crowd**
