FROM THE BRIDGE:

Dear Members:

At the special membership meeting held on September 26, 1983, approval was given to proceed on the construction of our club building on a phase construction plan. Authorization was granted by the membership to sign contracts necessary to complete three phases of the construction which would bring the building to a stage of completion where it could be occupied and all the facilities could be utilized. By the time you receive this newsletter, we should have signed the contract on the first phase of construction and held the ground breaking ceremony. Actual construction will begin within two weeks after the contract is signed - provided there are no unforeseen problems. The plans and a copy of the contractors' phase construction plan are available for your review and comments at the clubhouse on Magnolia Street.

A construction committee of three members from the Governing Board has been appointed by the Commodore to act as a liaison between the club and contractor. These members are: Charlie Webb, Sam Maxwell and Dick Marx. If you have any questions, comments or suggestions, in regard to the club construction, feel free to get in touch with any of these individuals.

The Annual General Membership meeting has been scheduled for October 17, 1983. It will be held at Quarles Elementary School on Commission Road, Long Beach at 7:30 P.M. Election of flag officers and governing board members for 1984 will be conducted at this meeting. Please plan to attend.

## RACE AND SAIL COMMITTEE:

The R/S Committee is proud to announce that the LBYC placed 13th position out of 23 in the 64th Annual Lipton Cup Regatta at Bay-Waveland YC. Congratulations to the fine skippers and crews and alternate skippers and crews for the excellent representation of LBYC. Special thanks to all the LBYC club members who came to Bay Waveland YC and supported our sailing team. Mr. Gene Walet, Stan Pulaski and Wes Castanedo provided spectator boat support for LBYC and thanks to them also.

The R/S Committee would like to extend a special invitation to all the LBYC members to come to the club every Friday night to enjoy good company, good hamburgers and on the 3rd Friday of every month - a little extra special treat - the Ladies' Auxiliary good food and those goooooood daiquiris. (Thank you ladies).

In September, LBYC also attended the Monk Smith Regatta at Bay-Waveland YC. Thanks to the skipper and crew who represented LBYC there. The newsletter will probably be in the hands of the U.S. Postal Service when the Walet Regatta takes place, so we will fill you in next month. Hope I saw you there.

The Frostbite Regatta will take place October 29-30th at Pass Christian YC. Look for us there, because we will be looking for you.

We are planning to hold adult sailing classes the month of October and first week or so of November. If anyone is interested, please send name, address, and phone no. on a post card to Jeff Morse, 117 N. Burke Ave., Long Beach, Ms. 39560 or call me at my home 868-1906.

Thank you.

LADIES' AUXILIARY:

Many thanks to Beverly Stonecypher and Judy Koenenn, our hostesses for September, and Jean Welch from Kitchen Pantry for a lovely luncheon.

The October meeting will be at Sirloin Stockade the evening of the 18th. We are inviting each of you to present crafts you may be doing (quilting, needle point, ceramics or something that you may have baked or cooked.) I know all of you are creative, so let's share our hobbies and interests. Our hostesses are Catherine Woodward (863-6756) and Verna Steagall (864-3459). Please call them for reservations and give us an idea of what you plan to bring.

Let me thank all of the ladies who have been so wonderful about Ladies' Night. Last month was great! I hope each of you will support Beverly Stonecypher and Judy Koenenn on the 21st.

See you!

SUMMER REMEMBERED:

Summer has memories...  
Treasures to hold,  
Filigreed weavings  
Of sky-blue and gold

Summer has faces  
Tanned by the sun,  
Swimming and tennis...  
Ball games are fun.

A sea breeze that whispers...  
The roar of the surf...  
Weekends for camping,  
Getting back to earth.

Travel by plane  
To some foreign retreats,  
Bicycle jaunts  
On the less-traveled streets

Backpacking high  
In some mountainous spot...  
Shade trees for dreaming  
When the sun is hot

Summer has picnics,  
Good things to eat...  
Watermelon slices  
Rosy and sweet

Summer days filled  
With the simplest things,  
Reflected in memory  
Can make the heart sing

HOUSE COMMITTEE NOTES:

CHICKEN DINNER IN THE RAIN A SUCCESS!! In spite of a cloud burst right in the middle of serving, the chicken dinner on August 26th was well attended. We served 91 meals and the crew that put this on deserves special attention. They are: Betty Carter, Norma Vance, Lydia Rayner, Pat Maxwell, Lulla Bell, Sam Maxwell, Stan Pulaski, Charlie Boykin, Charlie Webb, Dick Marx, Tom Hammack. A special thanks to the Ladies' Auxiliary for the apple pies.

CHANGE IN CLUB HOURS: Effective Sunday, October 9th, the club will be open on Sunday from 12 N till 6 PM to accomodate our football fans. Stan will serve "Polich popcorn". You should come down and check that out, whether you like football or no. TV will be moved to the main room so there'll be plenty of seats.

HELP WANTED!!!

Stan has been having a tough time staffing the club lately. We need volunteers for just one 3 or 4 hour watch per month. Don't let this load fall on the same people week after week - You'll wear them out. Call Stan at 864-1023 and lend a hand. Those who have an opening watch can call Sam Maxwell (864-2107) or Gerry Bell (864-8761) to be let in. And -- please -- if you have to cancel out, call Stan in time for him to find a replacement.

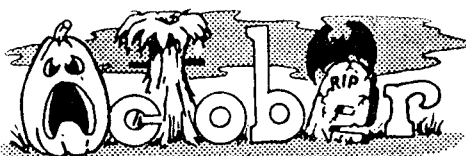

HALLOWEEN PARTY. The House Committee will host a Halloween Costume Party on Friday, October 28th, starting at 7 PM (Come early - Race and Sail will serve hamburgers at 5:30). There'll be snacks and a special drink and at 9 PM we'll hold the costume judging. Any kind of costume will do - make up your own. Let's make this the biggest party of the year!

Many thanks to all the members who have pitched in with staffing the club, the special events and the constant maintenance and clean up chores. It doesn't get said often enough - but your help is appreciated.

- Gerry Bell,  
Chairman -
