FROM THE BRIDGE:

The year 1983 is now past history. We have lost some fine members during the year, but much was accomplished. We have a 99 year property lease at the harbor, permission to build at the harbor, the building piling, sub-flooring and studs are in place. Our thanks go to Commodore Tom Barrett for his great effort and the board's cooperation in making our dream come true. It was just a year ago we were anxiously awaiting a reply from the Federal Court permitting our club house to be built at the harbor. Now, we are awaiting completion of our clubhouse and hopefully, we will celebrate its completion this April.

If you have questions pertaining to the construction program, contact Charles Webb, Building and Grounds Committee Chairman, or Dick Marx or Sam Maxwell. They have the answers and will resolve any questions.

Please communicate, no matter what the issue, contact a Board member or myself, and we will get you an answer.

Your 1984 flag officers, governing board and committee chairpersons are dedicated to cooperate, compromise and maintain an active program for all members. We want our club to continue to be a very friendly club, one in which all our members will want to join in the fellowship.

The 1984 dues statements have been mailed. We ask that dues be paid promptly. The reason for increasing dues this year is because a number of members chose not to purchase a bond and therefore are no longer members. This puts a larger burden on we, who have continued membership. However, with the expected growth in membership, we will complete our club house and not be in debt. So -- it is up to us to obtain qualified members during 1984.

ENTERTAINMENT COMMITTEE:

The Entertainment Committee is forming for the coming year. We feel we have a challenging job because we want to plan events throughout the year which will not only be enjoyable, but also be inexpensive and varied.

The 1984 Commodore's Ball will be held on January 21 at the Knights of Columbus Hall at 500 2nd Street. The hours are 8-12 PM, semi-formal attire and BYOB. Hor d'ouevers and set ups will be included in the \$7.50 per person admission. Cleo Ford's band is the same band that was thoroughly enjoyed at the Auxiliary party on December 10th. Tickets will be sold at Yacht Club on weekends.

The second, hopefully, will be a pig roast after the new club is opened.

The Committee welcomes suggestions from all members.

JANUARY 1984 is LBYC "BRING A FRIEND MONTH"
