FROM THE BRIDGE:

Our club stood Hurricane Elena very well, except for considerable roofing being blown off. Due to our large deductible, we were faced with \$500-\$900 out of pocket expense for roof repairs. However, Marvin Allen told me "Heck, I've just retired from 31 years in the roofing business. You buy the felt and shingles and I'll fix it", which he did! We are all very grateful and I hope you will tell him so next time you see Marvin and Joan down at the club.

OUR ANNUAL MEMBERSHIP MEETING will be October 22, 1985 at 7:30 PM. New officers and governing board members will be elected at that time. Thanks to Jack Boice and the nominating committee for a fine job in selecting an outstanding slate of officers for 1986.

The Walet Regatta, October 12th and 13th is our one and only GYA regatta of the year, so let's all get in behind the effort and do our part to make it a great success.

Sam McCauley,
Commodore

Race & Sail

Thanks to all who helped to move the boats and equipment to the safe harbor of the Evans yard, all equipment survived the storm without damage. There are too many to list by name, but you all belong on the club's thank you list...and here is mine - THANKS!!! The same goes to those who helped to move the sail locker back on its feet and restock it.

The big blow caused the Liptons to be shortened, but we were there for the duration and came up with our best showing yet, if my memory serves me correct... 11th overall! place out of 23 entrants. Andy Christ with Bruce Bricker and Sean Palmer placed 8th David Wyatt with Kathy Wyatt and Betty Kohrman placed 17th as did Judd Williams and his crew of Ronda Haydel and Wendell Hammack. Holly D'Aquilla with Bob & Jeremy Christ placed 9th. No longer can they say Long Beach Who????? We are in the middle of the scramble now and looking better all the time (as long as I don't sail).

Speaking of looking good, our honoree for the Walet Regatta kept his name in the victory column at the Monk Smith (BWYC). Gene Walet with his Long Beach crew of Holly D'Aquilla and Andy Christ placed 1st overall, while the club team of Jeremy Christ, Angela Evans, Betty Kohrman, and Randy Schilling received 4th. Our Commodore, Sam McCauley, and his crew of Angela Evans, Jeremy Christ, and Betty Kohrman were 5th.

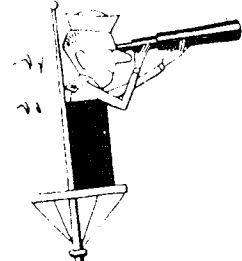

Invisible strikes again in the big boys offshore division with a 3rd in the Monk Smith

Congratulations to all our sailors!

Walet Regatta committee has scheduled a meeting for 7 PM on Monday the 7th. All heads are needed as are ALL MEMBERS who are willing to assist in making our own GYA regatta sail with flying colors. Yes... WE NEED YOUR HELP! Thanks!

For those who have not been bitten by the sailing bug, you will get your chance on October 19th. Race & Sail will take advantage of the Saturday Happy Hour and have rides available on the club's sailboats from Noon till 4 PM. That will give enough time for the 4 o'clock riders to get back to the club before dark. In the event of bad weather, come on anyway. Race & Sail will use any excuse to party.

TOM HAMMACK,
Chairman

House

Well, we survived Elena, however we did lose some inventory items, plus the loss of income for one week

For those of you who are interested, there is a profit and loss statement for the House Committee at the bar. Any club member is welcome to look at it, and pass on your comments.

We are now back in full operation, so remember the Seafood platter every Thursday, hamburgers and salad bar every Friday, and your choice of roast beef or baked fish every Sunday.

This is your club and we, on the house committee, are trying to do things that you, as members, want. However, we are not mindreaders. If you have some particular meal, drink or activity that you would like to see the club offer, please let me or any member of the House Committee know about it.

We are trying to set up another bus trip to a Saints game. The game we are looking at is on the 1st of December with the L.A. Rams. A lot depends on the location of the seats in the Dome. We are trying to get seats in an area where we won't need oxygen and these will cost a bit more. Depending on the cost of the tickets, we will be looking at between \$30 and \$40 per person for the round trip, including beer and po boys on the bus. The final figures should be in on this about the first of October, and the information will be at the bar.

THANX.

DICK MARX,
Chairman

NEW MEMBERS

The final phase of the membership drive is winding down, and we would like to reach our goal. If you know a prospective member, give them an application and encourage them to visit the club. Remember, the initiation fee of \$750 must accompany the application in order for the Governing Board to take action on it. Dues for new members are prorated. Applications are at the bar or if you want one mailed, call Louise at 864-1192 or Pat at 864-0090.

 * JUNIORS *

We are very proud to say that the LBYC finish at the Senior Liptons was our Junior, Andy Christ, with an 8th place. Very commendable, Andy.

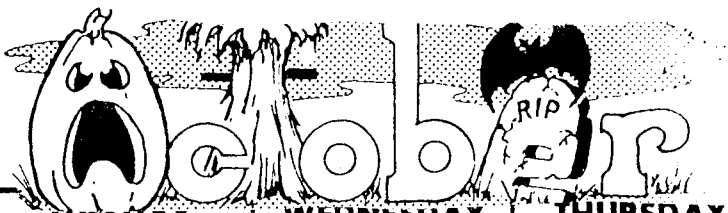

The Juniors are doing well in raising funds for our Junior room, but we really need more new ideas for raising money. Many thanks to the Entertainment Comm. for donating the proceeds of the Mexican Fiesta toward our Juniors Room Fund. Thanks also to the Junior mothers, who donated baked goods for our bake sale.

.Our meetings are being changed to the 2nd and 4th Wednesday of the month.

All Juniors are welcome to attend.
