GREETINGS FROM YOUR NEW COMMODORE!

I appreciate the opportunity to serve you, and hope that we can all work together to make 1986 a banner year for LBYC.

Your governing board deliberated at length on the budget for the coming year, and we finally decided that the only way to meet our needs and goals was to raise the dues to \$200 per year. We also set the initiation fees at \$500 for family memberships, and \$350 for associate memberships (available for singles only) with five of each being anticipated in the budget. The increased dues was necessary because of increased expenses, such as insurance costs, and our hosting Race Week next summer, but allows minimal amounts in other areas. It is our hope that with everyone working together to show prospective new members what our club has to offer, we can exceed the number of new members included in the budget and provide more revenue for other areas - such as capital improvements, building and grounds, and bond retirement fund.

LBYC has come far in its first four years, under the leadership of the previous Commodores, and there are many things of which we can be proud - our sailors have done well in competition, our Juniors program is active and successful, and we have one of the finest yacht club buildings in the area. It is time now to consolidate our gains, and to move ahead to bigger and better things in the future.

I wish each and every one of you, individually as friends, and collectively as a Yacht Club, a happy and prosperous New Year!

Don Rayner,
Commodore

HAPPY NEW YEAR FROM RACE & SAIL!

The Race & Sail Committee thanks everyone who came to the Friday the 13th fish fry. Hope you enjoyed it as much as we did. Special thanks to the crew who put on this event. Leading the way were: Guy Woodward and Dick Marx, their assistants in the filet department were Marvin Allen, Joe Fleming and Charles Webb. Cooks and their assistants were: Rick & Kay Love, Hershel and Mary Ladner and Debbie Fleming.

The very important clean up crew consisted of Billy Aborn, Bruce Bricker, Alan Chappel and Merle Hammack. Yea team!

The GYA annual meeting was held on December 14th at Lake Forest Yacht Club in Mobile. Representing LBYC was our Commodore, Sam McCauley. Also attending was Commodore-Elect Don Rayner, Dr. Don Roberts, Charles Webb, Bruce Page and Betty Kohrman. In addition to the 5th annual Walet Regatta, which we host in October, LBYC will be the sponsoring club for Race Week June 28-29, 1986. This event is hosted in turn by Miss. Coast Clubs and is a Capedeville event in addition to one design and off shore courses. The support of all club members is needed to properly run this event.

RACE & SAIL COMMITTEE

We are happy to announce that Alan Chappel won the drawing for a LBYC windbreaker for the last period of 1985 for his efforts in membership recruitment.

It is of prime importance that we get as many new members in 1986 as possible. The Board of Governors has recently voted to reduce the initiation fee for family memberships to \$500 and for associate memberships to \$350. (associate memberships are available for singles only) Hopefully, this will encourage some new members.

An application has been received from the following prospective member/family: JACK & JEAN VINCENT
2111 19th Ave., Gulfport
Occupation: Auto Service Garage & Auto Parts Store

Following member/family was approved for reinstatement:
RANDY & MARTHA HART
P.O. Box 776
Long Beach, MS

They are charter members of the club, moved to Chesterfield, VA and are now back in Long Beach. Welcome back!

COME MEET THE NEW COMMODORE AT OUR JANUARY MEETING!

JANUARY 20, 1986, 7 PM AT THE YACHT CLUB

A SMILE COSTS NOTHING

A smile costs nothing—
but it creates much.

It enriches those who receive with impoverishing those who give.
It happens in a flash and the memory of it lasts forever.

None are so rich that they can get along without it,
and none are so poor but are richer for a smile.

It creates happiness in the home, fosters goodwill in a business
and is a countersign of friends.

It is the rest of the weary, daylight to the discouraged,
sunshine to the sad and nature's best antidote for trouble.

It cannot be bought, begged, borrowed, or stolen,
for it is something that is no earthly good to anybody
till it is given away.

And if it ever happens that some people should be too tired to give
you a smile,

Why not leave one of yours?

For nobody needs a smile so much
as those who have none left to give.

THE RULE OF THREE

-- Author Unknown

Three things to govern:
temper, tongue, conduct.

Three things to love:
courage, gentleness, affection.

Three things to hate:
cruelty, arrogance, ingratitude.

Three things to wish for:
health, friends, a cheerful spirit.

Three things to fight for:
honor, country, home.

JUST THINKIN'

✓ Brotherhood Week is a good idea,
but I think it should be changed to
Brotherhood Weeks. There should be
52 of them, not one!

✓ When I get bored with daily
tasks, I think of this line by Abe Lin-
coln: "My father taught me to work;
he did not teach me to love it."

✓ I think those who are in the busi-
ness of constructing homes should
feel lucky, for the Japanese have not
yet decided to export houses to the
U.S.

✓ I am very critical of the younger
generation. My greatest criticism is
that I'm too old to be included.

✓ It's as important that I forget
some things as it is that I remember
others.

✓ Those who age and die are dead.
Period! But now and then, along
comes a Washington or a Lincoln and
they rise above the curtain of death
to live on in our hearts forever.

✓ Forget those fresh-breath ads . . .
I still think it's better to have bad
breath than no breath at all.

✓ These are trying times and be-
cause they are, I must keep trying
harder.
