FROM THE BRIDGE:

Prospects are looking brighter at the club. Attendance at Thursday and Friday night dinners has picked up and our other events have been very successful too. The steak night brought out over fifty people, and from the comments we have heard, this would seem to be an event worth repeating or even making a monthly feature. The Auxiliary dinner on August 19th was also very successful, both in quality of food and quantity of dinners. The kid's fishing rodeo was a howling success, although "back lash derby" would have been a more appropriate name.

The Special Committee for Capital Improvements gave a preliminary report at the August board meeting and it looks as though we are getting closer to realizing some important goals for Long Beach Yacht Club.

Remember - the final report and recommendations of this committee will be presented at the annual meeting in October, so every member should make plans to be present, not only to elect your officers for the coming year, but to decide on the future course of the club.

DON RAYNER, M.D.
 Commodore

ENTERTAINMENT COMMITTEE

Steak Night turned out to be very successful. We served 56-one inch thick rib eye steaks with all the trimmings. Joan Allen did a great job with organizing this dinner. Sallie Kapp put some beautiful salads together. We must not forget our great steak chefs - Marvin Allen, Howard Kapp, and Don Rayner. The only bad thing that happened was the dishwasher did not show up, but Les Newcomb, the Charlie Rectors, Howard Kapps and Marvin Allens came to the rescue.

SEPTEMBER 20th - Music will be furnished by Ron & Shelda Jones. Details on this are incomplete as of now, but you will be hearing more by telephone.
FIFTIES PARTY

SEPTEMBER 27th - Octoberfest at club with authentic German food, topped off with a black forrest cake. There will be no charge for this, but we do need to know how many to prepare for. RSVP to me or leave your name at the bar by September 24th. There will be plenty of German beer at the bar. Anyone interested in helping to put this together, please let me know.

There will be a band for the Saturday night dinner at the Walet Regatta in October. I hope everyone is making their plans to attend the Regatta and will participate.

Lydia Rayner, Chairman

The Junior Fishing Rodio held on August 16th was a very big success. Trophy winners were: Elizabeth Elias, Catherine Hart, A.J. Pace and Brian Woodward. Ribbon winners were: Brady and Patrick Castleberry, Brian & Danny Woodward, Jack and Jeffrey Griffith, Phillip Ladner, Elizabeth and Laura Newcomb, Justin Duke, Gary and Lynn Rayner, Paul and Kimberly Woodward, Katherine, Stephen and Jonathan Hart and A.J. Pace and Elizabeth Elias. All entrants were in favor of holding another rodeo at some future time. Next time we are hoping for an even larger turn out of participants. Thanks to Guy and Paul Woodward who handled trophies and judging. Special thanks to Sam McCauley for the delicious hot dogs enjoyed by all.

RACE AND SAIL:

Summer is nearly over, but sailing and racing are still going strong. August was busy with the Knost Regatta at PCYC. Our lady sailors were Holly D'Aquilla, Caryn Sirokman, Carol McKellar, Vivian Miller and Cathy Sirokman. They finished seventh over-all out of the 13 GYA teams participating. Representing LBYC at the Junior Liptons held at SYC were Jeremy Christ, Andy Christ, and Caryn Sirokman. This team placed 12th in a field of 18.

Due to the newsletter deadline, Senior Liptons will be announced next month.

You should come to the club and see the beautiful trophy on display. Holly D'Aquilla won the honor of best female skipper at the F/S Nationals held at the GYC in July. Great sailing Holly, and her team, Andy and Jeremy Christ.

Plans are underway for LBYC's 5th ANNUAL WALET REGATTA. Put this on your MUST DO AGENDA for OCTOBER 11th and 12th. Now is the time to plan so that you won't miss out on the fun. We are still looking to buy a used Optimist Pram, please help in our search. If you hear of one for sale, please contact me.

LADIES AUXILIARY:

Our July meeting was not reported in the newsletter last month since the meeting was held after the newsletter had been put to bed.

We did have a great time at the club with hor d'oeuvres and a "silent auction". The money made at the auction will go towards our next project for the club. Many thanks to Pat Newcomb who was in charge of setting it up and to all the ladies who helped.

Our August meeting was held at the club with a fund raising gourmet dinner and everything was delicious! A big thanks to Pat Newcomb, again, who was in charge and thanks to all who helped. We could not do it without your support. Husbands and guests were invited and we had a good crowd. During dinner we were entertained by the Consortium Musician. It was great. Our "lucky lady" was Iris Montgomery. Door prizes were won by Clara Marie Mistler, Iris Montgomery, Ethel Lawshe and Joe Danhoffer. Don't forget to attend our September 16th meeting to be held at Garden Park Dining Room at 7 PM.

HOUSE COMMITTEE

NEW CLUB HOURS: W-T 4-10
F 4-12
S 12-12
S 2-8

Thursday- Friday dinners 6-8 PM

HAVE YOU NOTICED??? The club hours have been reduced on Sunday from 2 PM - 8 PM. This was done as an economy measure as member use has not been adequate to even approach covering operating cost.

EASY MONEY!!! Except when there is a special activity planned for Saturday evening, member use of the club is not near as great as one would expect. Therefore, your House Committee has set up a special event for the month of September. Each Saturday night at 9 PM there will be a drawing. A member, if present, will have the chance to win a bar or Thursday night dinner tab in the amount of \$10.00. If not present the next week total will be \$20.00, etc. up to \$40.00 for the month. Please remember, you must be present to win.

As many of you know, we, the House Committee, has its own bank account and ledger. We are fortunate to have as Treasurer, John Castleberry. We are also pleased to report that we have controlled expenses and are staying in the black, however, more participation by you, our fellow members, would help increase our income. This would make it possible to accomplish several desired capital improvements.

Have you had the opportunity to have dinner at the club on Thursday evenings? Please note the menu varies from week to week. We believe Doris, our cook, is really working hard to give you a quality dinner. Come on down - you will really like it!

As you know, most of the work and operation of our club is done by members. This helps keep our costs down, but please recognize there is always a need for additional volunteers. Your House Committee needs your support and help. Your help would be much appreciated, but if your work schedule prevents such a commitment, please - at least come down to your club and support its operation.
