

LADIES AUXILIARY

The members of the Ladies Auxiliary can be proud of their contributions to the Club, both for this year and towards next year's efforts. I especially want to thank the other officers for this year, for without their dedication and willing efforts we never could have done it. Thank you for a wonderful 1986.

Elaine Norcross
Past President

We are looking forward to another great year in the Auxiliary. The new officers wish to express our thanks and give a heartfelt "well done" to Elaine Norcross and the 1986 officers.

If you have not been a member in the past, please plan to join us. I am sure you will be glad you did.

JUNIORS COMMITTEE

Lots of things are in store for the Juniors in 1987. This year there will not be a minimum age for juniors. All kids are welcome to participate. Some of the events planned are a lock-in, a fishing rodeo, dances, canoeing, skating, a pumpkin-carving contest, and an Easter-egg hunt. If you have any ideas, please let me know. I want this to be an enjoyable year for everyone.

JANUARY 1987

VOL. VI, NO. 1

FROM THE BRIDGE

We had a good year in 1986 and 1987 holds promise for an exciting time. We have many good people who have volunteered for committee work. Many thanks to all.

Participation in all activities is needed and the more of you who come down to the club, the better time can be had by all. We hope to offer programs and activities which will be of interest to all members.

The annual dues for this year will be \$225 (less the appropriate discounts for bond holders). Your governing board regrets the increase but our fixed operating expenses, especially insurance, continue to climb. More participation by members at the bar and the kitchen "window" will help keep dues down.

I am looking forward to being your Commodore this year and I hope I can do you and our club justice.

Charlie Webb
Commodore
