APRIL 1987

VOL. VI, NO. 4

FROM THE BRIDGE

It's time to get out and enjoy your Club. Come on down and bring some friends. March brought us the Poker Run which was enjoyed by all. Thirteen boats participated in the Poker Run and many new faces were seen at the Sand Bar after the event.

Sallie and Howard reinstated "Bring your own Steak" night on Wednesday in March. If you haven't tried this you are missing a treat. I believe Sallie can be encouraged to keep something going on Wednesday nights if we show her our interest. As always, the hamburgers and seafood dinners on Friday nights are excellent.

Marvin Allen and Howard Kapp have been spreading sand on our property to fill in the low spots. This will make building a parking lot easier. I hope we can see the road moved north of our building and a new parking lot this year.

Let's go to the Club and let's go boating.

RACE & SAIL COMMITTEE

POKER RUN '87 was sailed on a perfect spring day, March 21st, with temperatures in the mid-70's. Fifteen (15) boats carried forty-two (42) players and several spectators from LBYC past the USM pier to GYC and back again (or vice versa). Two participants had motor problems so they walked the course from GYC - that's poker playing dedication! First place - Theresa Roper (\$50 bar tab); Second place - Craig Nichols (\$20 bar tab); Third place - Bill Elam (a bottle of vodka); Honorable Mention - Kurt Meyer (a drink on the house). Dr. Richard Love co-ordinated and ran this year's event with terrific organization and the following volunteers: Faye Webb, Lynn Ward, Betty D'Aquila, Randy Schilling, David Wyatt, Doug & Marilyn Huddell, Stephanie Bass, Kay Love, Lydia White, Merle Hammack, and Pat Maxwell. Thanks to everyone for the great event!

Doris Kitch, our Board Secretary, provided our committee with a list of parents who have children between the ages of 6 and 13. The total-thirty (30). These children are all potential sailors for our Optimist Pram program. Parents were invited to an orientation program presented by Dr. Dick Mestayer of Bay-Waveland Y.C. on March 17th at LBYC. Unfortunately, that was another night for a big coastal storm but four heard about how well organized the Coast Pram program is conducted. Sailing ability, safety, racing skills, and boat care are key ingredients. Enthusiasm is growing and the Board will authorize purchase of two or three Prams as soon as more yearly dues are collected.

The G.O.R.C. will begin on April 4th with races 1 & 2. Race #3 will be April 10, 11, and 12 with race # 4 on April 25th.

Bill Welch and David Wyatt attended the GYA race management program at BWYC, March 7-8. It was well worth attending even in the cold, cloudy weather.
