

HOUSE COMMITTEE

The House Committee is in the planning process of decorating the Club bar. The current budget does not allow us to do everything that we would like, but some improvements can be made with a minimum of money and labor.

We are requesting that Club members help. If you have any brass or wood nautical items at home that you are willing to donate to the Club, we ask that you bring them to the Club. You need not be concerned with the age or condition of the items. Even worn-out items can be worked into a decoration plan.

We ask that those of you who are generous enough to donate items to the Club for decoration not be offended if the item is not used. As nice as the item may be, if it does not fit into the plan, it will not be used.

Also, we plan to have a small portion of the Club wall dedicated to photographs of members' boats. We want interesting photos, at least 5"x7", and framed. If anyone has a ship model they want displayed, the Club will provide a display box and engraved plate with the donor's name.

Please bring any of the above mentioned items to the Club, or call a member of the House Committee for pickup. Our plan is to create a more interesting atmosphere in the Club. We thank you for your help in this endeavor.

John & Sallie

We are sad to report the death of Ida Belle Glascock of 164 Central Avenue, Long Beach. She was one of our charter members. We extend our sympathy to her family.

THE PIG ROAST IS COMING. The date is almost here. Mark it down on your calendar - May 9th. Set your watch - 4 o'clock. Plot your course to the LBVC annual Pig Roast. Come and enjoy the fun and fellowship of your Yacht Club.

FROM THE BRIDGE

Well, April at the Yacht Club has been quiet, and I have to admit I have missed several Fridays myself. Since I had the opportunity to race offshore in the G.O.R.C., I've missed seeing some of you on Fridays.

Again the team of Marvin Allen and Howard Kapp are at work on improving the grounds. Howard has ordered some red clay fill dirt and they intend to spread it north of the building. Is this the beginning of a parking Lot?? - Perhaps !!

Our Club will host the Chapman Regatta in June and I am sure many volunteers will be needed to make this GYA event a success. Please contact Race & Sail, House, or Entertainment if you can help.

See you at the Club

Charlie Webb

BUILDINGS AND GROUNDS COMMITTEE

In June, there is going to be a western cookout for Club members and guests at the Club. Tickets will be sold prior to the cookout. This will allow the cooks to prepare the right amount of food for those coming. It is an all you care to eat affair and the cost will be \$10 per person. All profits are to go towards our parking lot.

RACE AND SAIL COMMITTEE

Remember the name "Bullet Proof"!!! That is the name of LBYC's current representative that participated in the G.O.R.C. Dr. Don Roberts, Charlie Webb, Charles Morgan, Jud Williams, Bill Woodcock, and Bruce Page were successful in finishes of two second place, a third place, and an eighth place in the offshore division, class C. This was rewarded with several silver trophies in the Awards Ceremony. The grapevine has it that one of this group is now designing a trophy case for the Club. Dr. Don Roberts is the owner of Bullet Proof, a Catalina 36 Tall Mast. He assures us that this is only the beginning. The next event will be the Gulfport to Pensacola race.

The week of April 25-26 was loaded with planned activity. First was the new event sponsored by Race and Sail - The Some Time Run. If the weather is clear and hot, like at this writing, participation will be good. Another event is the Jourdan River Regatta. Bruce Page and Ed Jermyn planned to sail their new boat, appropriately named after a popular Lite beer, as their maiden voyage. The Dauphin Island race will see Kert Meyer sailing his Stiletto 27 with Doug Huddell and Irving Huddell crewing. Kathy Sirokman is sailing a Hobie 18 with Roger Evans as crew. Craig Nichols is skippering his 26 Trimaran. And John Lever will be crewing on Prime Interest. Results forthcoming.

May 2nd and 3rd will see the GYA Opening Regatta at Gulfport Yacht Club. At least two Flying Scots from LBYC will attend, one in the Capedeville and another in the "Old Timers" event.

Plans are now well underway for our hosting the Chapman's Regatta, June 6 & 7. If you are called upon to help, please give an enthusiastic response.

MAY 30th. Mark this date as a real treat. Mr. and Mrs. Kyle Smith of New Orleans will present a first hand report of the America's Cup. Mr. Smith was a grinder on the Stars & Stripes, America's Cup winner. Mrs. Smith directed the aerobics for all the crew members. There will be a 15 minute film

followed by a short statement from each speaker and then the floor will be open to ask all that you ever wanted to know etc. We are inviting other Yacht Clubs so plan to be there early.

Think sailing, boating, and FUN!!!!

JUNIORS

Thanks to the Chappell's for donating a nice volleyball and net for the Juniors and also to Howard Kapp for installing the net. I'm sure they will be used often this summer. Our Easter Egg Hunt was a great success, with about 15 participants. Our next activity will be a canoe trip on Saturday, May 16. Juniors interested in participating MUST sign up by May 10. Call Debi Fleming (864-2275) or JoAnn Dymond (868-3973) for more information and to sign up. The next meeting dates are May 14 and 28 @ 7:00 p.m. at the Club.

LBYC AUXILIARY NEWS

Spring is "bustin" out all over! Flowers have been blooming profusely everywhere including each guest's place at the Long Beach Yacht Club's Auxiliary Dinner at the Club on April 21st. Sincere thanks to Sallie Kapp and her Committee for a delicious dinner (choice of chicken or seafood).

Dr. Don Rayner, Past Commodore and speaker, discussed AIDS, its causes and complexities, commenting that it was first known in the U.S. in 1981. Its victims have doubled in twelve months and 70 to 90% of its victims die within two years of diagnosis.

Guest Chef, John Chapman of Chappy's, will provide, cook, and serve a luncheon for 100 persons for the LBYC Auxiliary on Sunday, May 31, 1987, 11 a.m.-2 p.m. at the Club. The menu includes: Crabmeat Bisque, Italian Salad with Creole vinegarett Dressing, Trout Long Beach, or Prime Rib with Stuffed Potatoe, Cheesecake with Strawberries and Blueberries and a complimentary glass of wine. \$11 per person. The John Mahoney Trio Jazz Band will entertain. Tickets are being offered first to the Auxiliary. Please call Marcia Patrick (864-9237) for tickets and information.

New members were announced: June Odom, Dixie Alexander, Kay Braswell, Starr Chapman, Marie Ward, Tamara Chappell, and Berry Carter.

To clarify, for our new members, our "Lucky Lady" raffle is a 50/50 raffle- tickets are 25 cents each or 5 for \$1. Half of the receipts go to the lady whose number is drawn, half to the Auxiliary. "Lucky Lady" this month was Pat Aborn who won \$14.50.

Door prizes: Ruth Hyatt won a lovely lined basket with ruffles; Marcia Patrick, our affable President, won a smaller decorated basket; and Pat Newcomb, Lynn Boice, and Allyson Allen each won a patchwork wreath.

A great big "thank you" to our hostesses of the evening: Pat Aborn, Verna Steagall, and Catherine Woodward.

We hope to see you at the May meeting- Papillon Fashion Show and dinner at the Yacht Club on the 19th of May.
