## AUXILIARY MEMBERSHIP COMMITTEE

In addition to being a fun organization, the Auxiliary is a vital and contributing part of the LBYC. A few contributions which the Auxiliary has made to the Club include a dishwasher, acoustical draperies, microwave oven, and the ship's bell in the bar.

Come on out and be a part of our organization. In other words, "Try it - you'll like it."

Joyce McCauley

## POWER BOAT COMMITTEE

July will be rendezvous month this year. West end of Ship Island is the planned site. Details forthcoming. All power boats and sailboats are welcome.

## FROM THE BRIDGE

The special guest at our pig roast (Mr. Pig) was treated to some special attention all night and into the next day by Sallie Kapp and her volunteers. Thanks to all who helped. The food could not have been beaten.

The Chapman Regatta will be held at our Club on the 6th & 7th of June. This should be a big event for us and I am sure we will be well represented on the water.

Your Board of Governors has scheduled a special membership meeting for June 15 at the Clubhouse. This meeting has been called to decide on a special assessment to fund the construction of a parking lot and a concrete deck under the building. If approved by the members present at this special meeting, this assessment would be for \$100. I encourage all of you to attend this important meeting. Both of these items are needed and I feel that they will help us move forward and grow.

See you at the Club and on the water.

Charlie Webb

## RACE AND SAIL COMMITTEE

And Memorial Day Was Upon Us! How time does fly - are we having fun yet? Reports from the past few weeks include the following: The First Annual Sometime Run was met with favorable winds and seas, and its first winner - Dr. Rick Love. Those who gathered at the bar vowed to finish better next year, i.e. "How do we beat the guy who puts it all together?" Many thanks to Rick for organizing this event and we do hope it will be the first of many. Sometimes those who do work the hardest do get their just rewards.

The Jourdan River Race also went as scheduled. Our entry, the "Speed of Lite", ably sailed by Bruce Page, Ed Jermyn, Charlie Morgan, and Patty Morgan managed a first on Saturday and a 3rd on Sunday to garner a trophy. Not bad for a maiden voyage.

In the Dauphin Island Race, Doug Huddell, Irving Huddell, and Kert Meyer finished just out of the silver in 4th, all due to a fluky wind. Really! They made it to Round Island in 2 hrs. and to the Dauphin Island bridge in 4 hrs. way in the lead, and then....But congrats anyway, we all know how fast the boats behind sail. Kathy Sirokman with Roger Evans as crew and Craig Nichols with crew comment that it was a great event and plan to go back next year. What more can one say? John Lever reports that Prime Interest was there and agrees with Kathy and Craig - wait till next year.

The GYA Opening Regatta was held in pomp and glory. Very impressive event to this writers eye. Kathy Sirokman, Jud Williams, Irvin Haydel, and Charles Morgan shared duties in the Capedevilles skippers-crew. Sam McCauley, Bill Welch, and David Wyatt likewise in the oldtimers event. Let it be said that our Commodore, Charlie Webb, and our GYA offshore rep, Dr. Don Roberts, had a more successful Regatta in representing us at the negotiating table than we did

on the water. We had more fun though.

The "Cheap Thrills" race will be held on June 20th. One cannot spend over \$50 on the sailing vessel built for this grande olde event. Naval architect fees are not included in this limitation. Children of all ages, adults and anyone else are eligible and encouraged to compete. Race course is usually within the bounds of the harbor, although Catalina Fleet 22, sponsors of the event this year, may include some other navigable water areas. Prizes will be awarded following the event and before the Great Western Cookout later that evening. Plan now to bring your entry or come as spectators and then enjoy a good meal afterwards. Race & Sail apologizes that we were not able to have either sailing lessons or our CPR course prior to this event.

David Wyatt

## CHAPMAN'S REGATTA

We expect 24 boats & supporting crew to compete in 4 races, 2 on Saturday and 2 on Sunday. Lunch will be served on both days. Dinner will be served on Saturday from 6:00 to 7:30 p.m. Entertainment by Mike & Kathy Keel, playing from 5:00 to 9:00 p.m.

## LBYC AUXILIARY NEWS

"Butterflies" flitted about the LBYC on May 19th as some fifty plus Auxiliary members, guests, and models enjoyed a Papillon Fashion Show, courtesy of Jean-Ann Swenson. One of our genial past presidents, Nancy Hoss, was commentator while models were: Stephanie Bass, Barbara Brinson, Lois Ladner, Helen Walker, Diane Edrington, Betty D'Aquilla, and Pat Newcomb. Fashions ran the gamut from "African Safari" styles, caftans, shorts, transparent cover-ups, applied chambrays, and skirts to prissy, very lady-like cocktail dresses, and everything in between. Flowers were by Joan Allen's "A Town and Country Florist". Cosmetics by Mary Kay.

A guest, Julia Arceneaux, drew the winning numbers for the Papillon gifts: Catherine Woodward, a gift certificate; Mary Ellen Prichard, a starfish stickpin; Delores Fennell, ceramic butterfly earrings; and Minnie Worth, a butterfly pin.

A dinner of baked ham or a stuffed tomato with shrimp was prepared by Sallie Kapp and her able committee. Thank you!

"Lucky Lady" for the evening was your secretary who won \$20.

Sincere appreciation goes to Eleanor Danhoffer and Nell Holmes, our hostesses for this event, and to all other ladies who helped in any capacity.

Our next red letter day on the calendar is June 16th, the noon luncheon and musical program at Lydia Rayner's. See you then!
