

LBYC AUXILIARY NEWS

Kudos to Ruth Hyatt and her daughter, Dianna, for a delicious dinner! And all done so smoothly. We regaled ourselves to tossed salad with crackers, generous portions of shrimp creole over rice, garlic bread, coffee or tea, and a superb banana pudding.

Our thanks to Joan Allen and Barbara Kimball, hostesses who took care of registration, door prizes and flowers, and to other silent helpers of the evening.

Those hoping to hear Mr. Quimby on landscaping were disappointed when a last minute emergency forced him to cancel his appearance.

You will be contacted by post card or telephone regarding our silent auction on a Friday in September, and for suggestions for the most-needed items for the Club to be gotten with our excess funds.

"Lucky Lady" was Joan Allen who won a \$13 bar tab.

"Chef of the evening", Ruth, announced we made about \$85 profit on our dinner. Please remember, ladies, that when you make a dinner or luncheon reservation you are responsible for the cost of that meal if you do not come and if you have not cancelled by the deadline set by the eating establishment. In reverse, please make a reservation when you plan on attending our functions. As hostesses we all know the problems of the expense and planning of food when we do not know how many guests we'll have.

Door prizes: Carol Sirokman won a small decorative hat; Helen Walker, a ceramic vanity set; Norma Vance, a ceramic planter; and Pat Aborn (as she herself named it) "a summertime mug".

Remember: September 15th at the Club; Dinner - 7 p.m. and the speaker is Gudrun Gsell on her trip to China.

FROM THE BRIDGE

July and August have been slow months at the Club. We need more participation at the bar and at the kitchen window. Please support the efforts of the House Committee and partake of the fine food being prepared by Sallie and staff.

A second notice is being sent to the people who have not paid their special assessment. All the rain we have had magnifies the need for a parking lot. We need to collect 100% before work can begin, so please support your Club - send money!

Come down and meet our new bartender, Mark Kniffen. He will be working Wednesday through Sunday.

See you at the Club!!

JUNIORS

Last month's fishing rodeo was a lot of fun. About 16 children participated and all received a trophy. This rodeo would not have been possible without the efforts of Paul Woodward and Sallie Kapp. Many thanks to Paul and Sallie for making the day such a success.

We hope to do more things in the near future. Stay in touch.

RACE AND SAIL COMMITTEE

The Biloxi Invitational, July 25 & 26, was an exciting Regatta, as it concluded the Round the Sound series and was well attended by one design boats also. "Speed of Lite" placed 2nd in the fourth race and 4th in the fifth race. Bruce & Mary, Ed & Lynn, and friends felt they has done extremely well. Congratulations ! "Bullet Proof" crew members report that the feast of boiled shrimp with all the trimmings was the best part of the festivities at Biloxi. One reported "What race?" In the F/S category the Jury ruled that one D. Wyatt was not a junior and thus LBYC could not compete in the Capedeville. So John Burke, Kathy Sirokman, Kathy Wyatt, and the ousted junior sailed in the Open and finished 2nd.

August 1 took our Capedeville representatives to the Pensacola Sports Festival where they finished 7th in a 12 boat fleet. K. Sirokman felt so good about that - she took her mother and sister for a week's vacation to Pensacola Beach. Now there is a good skipper ! The others: J. Burke, and D. & K. Wyatt had to trek on home. Meanwhile, PCYC was having their annual Birthday Regatta, and John Lever reports that "Prime Interest", upon which he crews, took two 2nd's.

August 8 & 9 brought forth the Knost Regatta at PCYC. There were 17 entries in this Capedeville event. No, that is not a typo, it is 17 boats ! Kathy & Karyn Sirokman, Laurie McCosh, Vivian Miller, and Betty Kohrman landed a very nice 12th place finish. Jack Miller and Charles Morgan assisted in packing up while Gene Kohrman provided repair expertise. This year Knost provided a handicap division ans Terry Nichols with Dawn and Carol were the only all-female person-ed boat. It is reported that they ran out of beer on the last leg of the first race and thus did not finish. On Sunday they did finish 7th with the addition of fresh supplies and gender.

The Round the Cat was held at PCYC on August 15 & 16. "Speed of Lite" placed 5th overall with Bruce, Mary, Ed, and Lynn with friends turning in an excellent performance.

Now to the serious side of the news - the 68th running of the Sir Thomas Lipton Cup Challenge ! This will be held at BWYC over the Labor Day weekend. One race on Saturday, two on Sunday and the 4th on Monday. Our skippers have responded to invitations and their crews are hard at work getting them into shape. Practice on the 23rd and an upcoming weekend should produce excellent competition. We have only to say that on the 23rd, it happened that one Scot was all of one gender and the other of the opposite gender. The Race Committee consisted of two male and one female person. While two of the three races were narrowly won by the male crewed craft, the Race Committee called it a draw. Anyone want to question these results? Your continued support and encouragement will be appreciated if you want to come to Bay Waveland and spectate during any of the races. Boats will be available for you.

Following the Liptons, BWYC will host the Monk Smith Regatta and Fairhope YC will conduct the Wadewitz. Most important for us is the Walet Regatta October 10 & 11 here at LBYC. This year we are attempting to expand participants in several areas and hope the turnout will be close to the persons participating in the Chapman's last June. Please respond when someone asks you to volunteer for an important position !!

Think No Hurricane.

HOUSE COMMITTEE

The House Committee urges each member to come to the Club and meet Mark Kniffen, our new bartender. Mark has had several years experience as a bartender and has a large repertoire of regular and specialty drinks.

If any member has a 50 gallon aquarium, Mark would like to maintain it as a decoration in the Club bar. Please contact us if you would like to donate or sell an aquarium to the Club.

The House Committee is beginning a birthday event for members and their spouses. We will send invitations to members or their spouses offering them a free bottle of champagne and a slice of birthday cake if they come to the Club on Birthday Night, a once a month celebration for all birthdays that occur during the month. So call the Club and give Mark the month of your birthday and your spouse's birthday.

There will be a chicken plate dinner offered on two Thursday's during September, the 10th & 24th. Come get a filet of chicken breast, french fries, salad and a roll for only \$3.50.
