

Any lady wishing to bring her husband or a friend to a meeting. please do so. You can tell your telephone committee of any extra reservation you might need.

Door prizes were won by Tootsie Barron, Pat Aborn, and Louise Rector.

The Lucky Lady was Louise Rector. Louise very generously donated the money to the auxiliary fund. If her husband, Charlie, is not reading the auxiliary portion of the newsletter now, maybe he should start.....'Thanks, Louise'.

A good time was had by all and we hope to see you next month.

FROM THE BRIDGE

After seven long months our new parking lot should be a reality by the end of March. Once that is completed, we plan to add a little greenery to dress up the grounds. Anyone with ideas or plants we can use, please contact John McKellar or Shelda Jones.

Once the parking lot is done we plan to start decking under the Club. This will not only enhance the looks of the area, it will be functional as well.

As usual, dues are coming in very slowly. Please get yours in if you haven't already.

See you at the Club !

MEMBERSHIP COMMITTEE

Our Club needs to expand its membership in order to provide the variety of services necessary for growth. It is the current Board's hope to make the Club more family oriented, but it will require the dues and participation of additional members.

We ask the current membership to aid in this endeavor. We would like your ideas on increasing membership. Would reducing the initiation fee or putting it on a time payment encourage your friends to join? What additional services should be provided? How can Club usage be increased?

Please give this your consideration and relay your ideas to the Membership Committee or to any Board member.

Thanks for your cooperation in this matter.

RACE AND SAIL COMMITTEE

Twenty nine entries turned out for the Superbowl-Frostbutt Regatta on January 30 & 31. Entries included PHRF certified boats, racer cruisers, hobie cats, one prindle, and assorted board sailers. The weather was good and everyone had fun. The local TV channels provided the Club with some much needed PR.

More recently at PCYC, "Dancer" and "Bullet Proof" carried on the winning tradition of LBYC at the Valentine's Day Regatta. Angus McMillan steered to a 4th place while Don Roberts held on to 2nd place, even though the wind died.....and Bertucci managed to take first on "Hot Stuff", although hyper drive wasn't mentioned.

The first segment of "Fun on the Sound" is scheduled for March 6 & 13. Everyone is welcome to join in the fun. This year's poker run will be run in conjunction with the "Fun on the Sound" and will be on March 13. Any type of vessel is welcome in this event - power, sail, hobie, sunfish, laser, etc.

Sailing lessons are now being planned for this summer. Junior and adult lessons will be available. If interested, please call Charlie Morgan after 5 at 863-4830. Hopefully we can offer lessons on Optimists or Prams, and Flying Scots. There is a possibility of having your kid's friends who are not members attend lessons if they are sponsored by a Club member. This situation is pending legal arrangements.

Work will soon begin on the Scots to get them ready for another season of GYA racing. Everyone interested in racing in Pensacola at the Lipton's should start practicing early and help with preparation of the Scots for this season.

HOUSE COMMITTEE

Our Friday night dinners are still going strong. So if you haven't tried it yet, please call for reservations and come down to the Club for a fine dinner. Serving time is from 5:30 pm to 9:00 pm.

This is just a reminder. On all parties to be held at the Club, please give Mark Kniffen, the Club Manager, a minimum of two weeks notice. This is so he can better prepare for those functions. Also just as important, "ABSOLUTELY NO LIQUOR MAY BE BROUGHT INTO THE CLUB". This, if caught, only jeopardizes your Club's ABC license.

Make sure you read your upcoming newsletters for some new and exciting events for everyone to enjoy. We have a great year upon us and I look forward to your support in making this year the most successful yet!

LBYC AUXILIARY NEWS

The LBYC Auxiliary held its meeting Thursday, February 23rd at the Club.

The program was a double treat consisting of a style show presented by Pat Favre of "Brides and Formals by Patricia" of Bay St. Louis and Earlene Kornman of "Earlene's Flower Cottage" in Waveland. The poise and grace of Pat's young models would have graced a Miss America pageant and the array of formals & wedding attire was dazzling. Earlene's crafts were displayed by a gorgeous basket of silk magnolias and greenery on the officers' table. The door prize was a silk corsage fashioned by Earlene and the lucky prize winner was Dixie Alexander. If anyone needs assistance on planning a wedding or a special occasion, I'm sure Pat and Earlene can see to practically all of your needs.

While the ladies feasted on trout and crab sauce, Clara Marie Mistler called the meeting to order. Pat Aborn asked for volunteers for hostess duties and telephone committee. Clara Marie reminded the ladies to pay their dues by March 15th, and to stay in touch with an officer or the telephone committee on dinner engagements for meeting nights. There will be a suggestion box displayed at every meeting for any of the ladies wishing to use it. She urged the ladies to leave their name, address, phone number, and birthdate at the Club. Any member on record will receive an invitation to the Club wishing them a happy birthday and to receive champagne and cake. She also asked for a chairman to send get well cards to sick members. Glee Simmons volunteered.

I would like to add quite a few of our members were missed due to surgery and sickness. We wish you all a speedy recovery and hope you're soon back with us.
