

HOUSE COMMITTEE

Thanks to our Ladies Auxiliary for the wonderful tables. What did we do with the old bar tables? We put them on the deck. Now you can also enjoy the outside too! So come on down and have an afternoon or evening cocktail in the new surroundings.

Our first big event of the month will be Mother's Day Dinner, serving from 2 pm to 5 pm. Our special will be Cornish game hen and all the fixings. We will also be serving our regular menu. All mothers accompanied by their families will get 50% off their dinners. So make your reservations early. One last thing in regards to our dinners, starting this month, we will be serving dinner on the west end of the deck, weather permitting of course. The deck seating will be limited.

We would like to welcome our new members to our fine Club and invite you all to come to your Club and make yourself at home.

See you at the Club!

Dick Marx

ANCHOR LIGHT: A small light designed to discharge the battery by morning.

RHUMB LINE: Two or more crew members waiting for a drink. Spelling is archaic.

MAY 1988

VOL. VII, NO. 5

FROM THE BRIDGE

The months of May and June have been declared "Membership Months" by the Board of Governors. The Board has authorized 100 'free memberships'. These 'free memberships' allow a current member to bring in a prospective member for annual dues only, \$225. The \$500 initiation fee will be waived for these new members.

All of us have friends or relatives who have expressed interest in the Club. Now's your chance to offer a full voting membership for \$225. The success of this membership drive will depend on your participation, so get the word out.

Our Club has entered into an agreement with Boats U.S. to provide membership in their organization for one half the annual dues. The current annual dues are \$17. Our members can now join for only \$8.50. If you are not currently a member, see me for an application. If you are a member you can renew at the \$8.50 rate. I've been a member of Boats

U.S. for years and feel this group represents the interests of the boating public. See me for a brochure detailing the benefits of membership.

I'll see you and all of our new members at the Club!!!

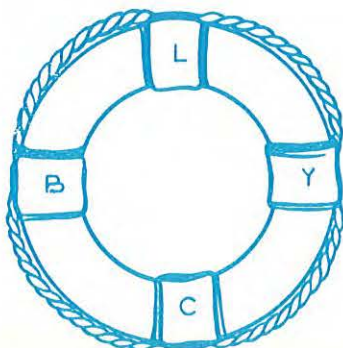

Jack Miller

LBYC AUXILIARY NEWS

The LBYC Auxiliary held its April 19th meeting at Vrazel's with hostesses, Lulla Bell, Jean-Ann Swenson, and Helen Walker. The hostesses fashioned very original name tags shaped like ladies heads with yarn hair of different colors. The color of your name tag's hair or eyes determined the door prizes.

Ethel Lawshe introduced Sarah Jackson and Ann Holliday of Beauti Control Cosmetics based out of Dallas, TX. The program called "Color Me Beautiful" consisted of slides and a make-up presentation on model, Lulla Bell.

Door prizes were won by Stephanie Bass, Lynn Boice, Jeanne Marietta, Norma Vance, Verna Stegall, and Barbara Kimball. Gifts were from Papillon. I did not get a chance to see all the door prizes, but mine personally was a beautiful sailboat pin. Lucky Lady of the night was Jeanne-Ann Swenson.

The guys attending were Bob Peno, Bob Simmons, Charles Lawshe, and Ed Mistler.

We wish to extend our condolences to Merle Hammack over the loss of her brother. A speedy recovery to Ruth Hyatt who is having her second cataract operation.

Following a good meal the ladies had ordered from the menu, we had a short meeting. The Board of Governors has approved the Auxiliary Officers to end their tenure in March instead of the end of December. We feel with so much activity during December, January, and February, it would be fair to the incoming officers to accept duties from the outgoing officers in March when less is going on and there is more time for an installation program.

Our next meeting in May is Tuesday the 17th at 7:00 pm.

If there are still any outstanding

dues, please contact Lynn Boice. Have a nice month and let's make our Auxiliary the best yet!

Barbara Kimball
Secretary

MEMBERSHIP COMMITTEE

WELCOME to our newest member, Mike Hall. Mike lives in Nashville, TN and keeps his boat here on the Club grounds.

As an incentive to prospective members, our Governing Board has voted to waive regular membership requirements beginning now and extending through the month of June 1988. During this time period, initiation fees will be waived and total dues of \$225 will be payable upon application for membership. Applicants who are accepted into membership will be considered associate members (without voting privilege) for the balance of 1988, then acquiring full membership status effective January 1, 1989.

Applying for membership under these terms are:

- Dr. Gordon L. Carr
- Robert C. Harner
- Peter King
- Johnny Mann
- Aaron J. Simms
- Charles S. Weisner
- Robert S. Wink
- K. V. Woodward Jr.
- Kenneth V. Woodward III

Be sure to tell your friends and relatives about our new incentive program. This is a wonderful opportunity to increase our membership if we have the present members' support.

Pat Maxwell
