**FROM THE BRIDGE**

I have good news to report this month. Our membership drive has proven very successful. As of this writing, we have 50 new members, with one more month to go. I honestly feel we can reach our goal of 100 new members by the end of June, but we need each current member involved. Pass the word, tell a friend about a great deal to join a great Club. And don't forget to come down and meet our new members at the Pig Roast.

This year at the Pig Roast, we will be able to use our new deck. It turned out very nice and it dresses up the appearance of the Club. We hope to install playground equipment soon, so the little ones will have something to do.

Before I close, I'd like to welcome Don and the crew of "Bullet Proof" back from their trip to Mexico. It's a shame the wind didn't cooperate, but I'm sure they had a great time and have many "sea stories" to tell.

That's all for now. See you at the Club !!!

## HOUSE COMMITTEE

Beginning on the 2nd of June and every Thursday thereafter we will feature a "guest chef surprize" in the lounge. I don't know what it will be, but I do understand that it will be good. This will start at 6 pm each Thursday.

Now that we have the deck installed, the house committee is making some changes to the steak nite. It will still be on the first Wednesday of each month. However, beginning in June it will be a bring your own and cook your own bar-b-que. The Club will have a gas fired grill available on the deck for members to use. We will also have available, for the modest sum of \$2.00, cole slaw and either potato salad or baked beans. So come on down and have a Wednesday evening cookout at the Club.

Along the same lines, this grill will be available for use by members at other times. So if you feel like a family cookout and you want ot have it in pleasant waterfront surroundings, feel free to come on down and use the grill.

The "CRACHANOLET" is coming. I know that you all have been looking forward to the annual pig roast, and this year it will be in conjunction with the 'Cheap Thrills' regatta. Mark your calendar, it is on the 18th of June. The price is \$5.00 for adults and \$3.00 for children.

Also, shrimp season opens in June and we will have a shrimp boil on Sunday the 26th. This will include potatoes and corn.

Mark this on your calendar now. There will be a luau at the Club on the 30th of July. We will be serving shish-ka-bobs (choice of chicken or beef). This will be on the new deck. This will give us an opportunity to meet all of the new members, and become reacquainted with the old members. Shelda assures me that there will be entertainment.

Those of you (old members and new alike) who have not tried the meals on Fridays are missing some excellent food. Also this Club is for you the members. If you have any suggestions on how we can improve our service to you, please let Mark or someone on the House Committee know. Right now we are providing for only about 60% of our members. What we need to know is what kind of service, entertainment, or activities you as members want to see here at your Club.

Also, Birthday nite has changed from Saturday to Friday nite. So check your newsletter calendar for the proper day.

New Friday dinner hours start June 3rd - 6 pm to 10 pm.

## LBYC AUXILIARY NEWS

The LBYC Auxiliary met Tuesday night, May 17th ath the Club for a delicious dinner prepared by the Club's own chef, Walter Hight.

Hostesses were Catherine Woodward, Verna Stegall, and Pat Aborn. Baskets of magnolia and greenery adorned the dining tables and registration table.

The speaker was Kathy Dumal, coordinator of the Center for Women's Health at Memorial Hospital. Memorial is the only hospital in the State of Mississippi to have the program. Free to any woman who wishes to attend, the program offers counseling and a library. There is to be a woman's health seminar October 14 at the Coliseum. During a brief business meeting, Joan Allen volunteered for the fund raising committee.

Door prizes were won by Jean-Ann Swenson, Cathy Dumal, Maxine Batey, Minnie Worth, Stephanie Welch, and yours truly Barbara Kimball. The gift bags were very unique and made by Pat Aborn.

Lucky Lady was Carolyn Simpson.

We extend our heartfelt condolences to Pat Aborn on the loss of her sister.

We'll see you next month at the Club. Have a fun month.

Secretary
