#### LBYC Auxiliary

In spite of inclement weather, a good time was enjoyed by the LBYC Auxiliary at Annie's Restaurant in Pass Christian. Amy Peoples Wood of GAYFER'S gave a fashion narrative with Gayfer's model, Becky Dillistone wearing the most beautiful fashions. Hostesses were Jean-Ann Swenson and Barbara Kimball.

After a brief business meeting and some really good food, we had a drawing for door prizes. The winners were Mary Verna Steagall, Barbara McCay, Catherine Woodward, and Maxine Batey. Lucky lady was June Odom.

We would like to offer our condolences to Ethyl Lawshe on the passing of her sister. Our thoughts are with Glee Simmons who recently had eye surgery. We miss these ladies and hope they will be back with us shortly.

Our next meeting will be at the club with Pat Daniels of B.J. Fashions. You ladies who like the latest of clothes fashions be sure and be there. It promises to be an informative meeting.. Hope you have a good month and we will see you at the club...

## LONG BEACH YACHT CLUB

June 1991

VOL. X, NO. 6

### FROM THE BRIDGE

It doesn't seem possible that the year is nearly half over. The club is making good progress in most areas. May saw some changes that included the resignation of Mr. Fitts, our chef. Fortunately we were able to hire Ms Dorothy Rupert, who is also an excellent cook. She prepared her first meal on May 17, 1991. Anyone who ate her barbecue beef can attest to her culinary skills.

The weather has not cooperated with our plans to paint the exterior of the club. It has also slowed down many of our other outside projects. Hopefully, the month of June will offer better weather to accomplish our planned club activities.

The annual G.Y.A. meeting was held May 4 & 5 along with the opening regatta, at the New Orleans Yacht Club. Our club was well represented at this yearly event. We are looking forward to the many regattas scheduled throughout this year. Your support of our race team will be appreciated. If you have never attended a regatta, its an experience you will enjoy. Come out and make a day of it. The schedule of regattas is posted on the bulletin board of the club.

Membership is moving at a slow pace. We are receiving new applications at about the rate as last year but in order to reach our goal for this year we must do better. As a

member of this club each of us have an inherent responsibility to assist in bringing in new members. Remember, the secret to accomplishing our goals such as swimming pool, docks and piers, and many other desirable projects we must grow in membership. I once again urge each member to contact at least one person who might be interested in joining our club. Personal contact is the key to future growth. If you know of any person whom you would like contacted, let any board member know and we will call them.

The Governing Board meets the second Wednesday of each month. We encourage any member to sit in and listen. If you have an item you wish made known, please contact the Commodore prior to the meeting date, so you may be placed on the agenda. This will help move the meeting along without lengthy interruption of the regular scheduled agenda. Your cooperation in this matter will be appreciated. We also solicit your comments in the monthly newsletter. I'm certain there is often news worthy items that other members would like to know about, so if you have something to contribute let Dick Marx, our editor, know so he can include it in the next newsletter.

#### SPECIAL ANNOUNCEMENTS

The club now has a weed eater that is kept in the sail locker. Now you can keep the grass trimmed around your boats and trailers.

Don't forget to get your tickets for the Condo Raffle to be held in July. Tickets may be purchased at the bar or see Howard Kapp. Proceeds go towards the swimming pool.

#### Fun on the Sound

Beginning Jun 16th and continuing on every Sunday through the end of August we will have some fun races. Everyone is invited to participate either as skipper, crew, or spectator. This is the series where you pack up the ice chest, and leave your protest flag at home. We will have some trophies(?) and a lot of fun. There will be a cash bar every Sunday for these events, and we are looking at having an awards(?) banquet to conclude the summer's fun. Everyone will have a chance to win races during this event because we (the organizers) will penalize the winners of each race. We are even planning some activities for the spectators. Call Dick Marx at 863-1256 or Craig Nicholls at 864-0019.

The House Committee is happy to report that many of our members are enjoying our roast beef night. We plan to have a Prime Rib night June 14th for \$8.95. Hopefully, you will attend. We will have music that night in the lounge.

Please check the calendar in the newsletter and the menu board in the hall at the club of what the menu will be for each Friday night.

In June we have many private and club functions scheduled for the ball room and deck. This should benefit our club.

July 4th is the big day

MENU  
Boiled shrimp  
boiled potatoes  
corn on the cob  
apple cobbler  
\$5.95

Hamburger with fries \$2.25

Dr Rock and the interns will be on the deck with music from 3:30 pm to 7:30 pm. There will be a cash bar on the deck as well as the charge bar. Food will be served beginning at 2:00 pm and you may eat on the deck or in the ballroom.

Come and enjoy a happy, fun - filled 4th of July.

Kay Barrett & Johnney Odom

The Lightship Race out of BYC was quite a success. The race started with plenty of wind and kept up most of the race with 15-20 knots. The seasoned offshore sailors were ready for all contingencies. A squall line hit the fleet only a few hours before the finish. With the lead boats fighting to hold their positions and the followers hoping to gain on the heavy weather mistakes of their competitors, the excitement of the race heightened through the tyranny of Mother Nature. As soon as the hatches were battened, sails reefed, foul weather gear donned, and the weary sailors settled into the survival mode, Mother Nature, as she often does, took another turn. The violent storm passed and the exhausted but undaunted fleet was becalmed. Typical of offshore sailing, those boats finishing before the storm subsided were the clear winners. Like most regattas, Mother Nature once again had the final vote for the winners.

I want to remind everyone about the Chapman Regatta which will be held at Singing River Yacht Club on the 8th and 9th of June. This will also be the annual meeting of the Mississippi Coast Yachting Association. We need to have 16 skippers for our Flying Scots for this regatta. Anyone interested in sailing for the club during this race please call Holly Murray at 863-6880 and get your name on the list.

Craig Nicholls and Dick Marx are working up an agenda for some fun regattas this summer. These will be Sunday only, short (2 to 3 hours) races for the not too serious racer. The purpose is to have a lot of fun, and hopefully get people who normally do not race out on the water and see how much fun we have out there. If you, or someone you know, are interested, please let us know and we'll be sure to cue you in.

Those of you interested in sailing lessons be sure to look for the flyer in this newsletter. You won't be disappointed.
