

LBYC Auxiliary

The LBYC Auxiliary met at the club on June 18th with hostesses, Julie Byrne and Jeanne Marietta. We were all glad to see Glee Simmons back after her eye surgery.

Our hostesses provided name tags in the shape of puzzle pieces for the theme of the program presented by Pat Daniels, owner of "B.J. Puzzles" on Pineville Road in Long Beach. Pat narrated the fashion show while her models wore an array of casual "knits". Pat explained B. J. Puzzles is a Mississippi company specializing in dresses and separates that are comfortable, styled to fit the most slender to the larger sized woman and can be dressed up or down. The shop also has accessories of earrings and belts to coordinate and complement each outfit. These clothes should be a cinch for those vacations where trunk space is limited and you need something that won't wrinkle. The glamorous models: Shelda Jones, Ruth Hyatt, Jean Ann Swensen, Merle Hammack, Maxine Batey, and Julie Byrne. (Move over Cheryl Tiegs, let these ladies have the runway.)

We dined on excellent prime rib, Potatoes au'gratin, veggies, salad and rolls prepared by chef, Mrs Dorothy Rupert, who was ably assisted by house committee members, Howard May, Billy Aborn, and Johnney Odom.

Door prizes were won by Maxine Batey, Louise Rector, Christina Jones, Stephanie Bass, and June Odom. Lucky lady was Nancy Spade.

Our July 16 meeting will be at Chappy's restaurant with guest speaker Paul Pancoast, Pharmacist at Memorial Hospital. Hope to see you there as Mr. Pancoast gives a very good program. Meanwhile until next month, see you at the club.

Race & Sail

The Coast Catamaran Club along with the Long Beach Yacht Club hosted the annual Slip to Ship Regatta on Saturday June 15th. We had over 40 boats participate in this annual event and everyone had a great time. If you missed this event this year remember it is an annual thing and you are all invited to come down to the Club and spectate, participate or take in the surroundings.

We have started the Fun on the Sound series again and have had over 10 boats participating in each of the first two races. All you landlubbers can come on down and get involved in the sport of sailing. There is usually room on the boats for an extra hand, and as always we can use some help on the race committee. You'll be able to see what a sailors life is really like after the races. (You might just want to reserve a place at the bar). If you are interested in any form of sail boat racing here is the opportunity to learn without the pain of making an error in a super serious regatta.
