LONG BEACH YACHT CLUB

December 1991

VOL. X, NO. 12

From the Bridge

I find it difficult to believe that a whole year has passed. In retrospect it has been a good and progressive year for LBYC. We have accomplished many of our goals, and are ready to turn over the club to Commodore Kapp and the new Board for 1992. Our best wishes and continued support for the new Officers and Board.

I would like to take this opportunity to express my sincere appreciation to all the members who worked so hard this year to ensure success. First, my wife Kay who served as co-chairman of the house committee along with Johnny Odom; Billy Aborn who also served the last several months as co-chairman of the house committee; Louise Rector who served on the house and coordinated club rentals; and Howard Mays, a new member who handled catering and special events. A special thanks to Guy Woodward who spent endless hours each week supervising the bar operation. All the members of the house committee did an outstanding job keeping the club running this year. Steve Bowman who served half the year as secretary/Treasurer. Thanks Howard, for the hard work you did on maintaining the build-

ding and grounds - it looks great!

A very special thanks to Past Commodore Dick Marx who came to my assistance so often this year and serving as Secretary/Treasurer the last half of the year, not to mention the editor of the newsletter. He did a fantastic job editing and publishing our newsletter and amazingly had it out each month on time.

Anna Charlton was super as co-chairman with Lydia Rayner on the entertainment committee. There were many colossal events throughout the year. The Ladies Auxiliary deserves our deep appreciation for their support all year when we needed it the most, including the lovely P.A. system and podium. Thanks Pat and all the ladies.

Holly, I thank you for the juniors program and your devotion to our sailing program. John, you did a super job all year with race and sail not to mention all the extras you did on boat maintenance and grounds care.

Thanks Past Commodore Jack Boice for handling the insurance and all the many details I ask of you this year. Your devotion to the club has been an inspiration. There were so many who worked hard all year such as Vice

Commodore Terry Thompson, who was always there when I needed him. Rear Commodore Howard Kapp, whose devotion to LBYC has been unparalleled since the club was formed, and Holley Murray, Fleet Captain who worked all year to ensure success in race & sail. This has been a good year due in part to the great support of the Board of Governor's who guided the Club's destiny during 1991.

I hope I haven't forgotten to thank anyone. It is difficult to remember everyone and everything that transpired this year. Please know I do appreciate all the hard work by so many members.

Thomas E. Barrett
Commodore

Fun on the Sound

Long Beach Yacht Club with the help of the participants in the Fun series entered the White Wings Race. We want to thank Harry Lee Smith for allowing us to use his 39' schooner "Nautigirl" to compete in this annual event. We didn't win but we had a great time, and all the crew members are looking forward to participating next year.

Dick Marx & Craig Nicholls

House Committee

This has been a long year in one way and a short one in another, but it has been a working year for the house committee. We all tried our best to give the club members what they wanted. Hopefully, we succeeded. We want to thank all the com

mittee members for their devotion, hard work and giving of their free hours and not so free ones to the club; Kay, Louise, Helen, Howard, Woody, and Mike.

There will be a gala affair on Friday December 13, when the Ladies Auxiliary will bring Santa Clause to the Club to visit with the young and not so young. Please try to be there. We know all will enjoy.

We will be closed from December 23rd until New Year's Eve when we will celebrate the new Year.

We wish you all a Merry Christmas and a Happy New Year.

Billy Aborn & Johnney Odom

Swimming pool

We now have raised \$13,750 towards the construction of the pool. Only \$1,250 more to go. The committee is preparing the specifications for the pool and we will be seeking bids from all interested pool companies sometime during the month of December with an anticipated completion date in April next year.

Since the last listing we have received the following purchases for pool bonds:

Ron & Gay Irby	500.00
Channing Powell	100.00
Keith Fulton	100.00
Don Evans	100.00
Robert Simmons	100.00
Kert Meyer	100.00
Barry Skellie	100.00
Jack Boice	100.00
Wilhelmina Worth	100.00

You still have time to get your money in.

Dick Marx
