**LONG BEACH YACHT CLUB**

May 1992

VOL XI, No. 4

**From the Bridge**

The opening of the GYA Regatta Season will be on May 2nd and 3rd at Bay-Waveland Yacht Club. In addition to the Capedeville event there will be an Old Timers race. I hope that Long Beach Yacht Club will be well represented at the GYA opening this year.

We are planning to have another draw down this year. There will be some changes to what has been done in the past. The tickets will be \$25.00 each and the grand prize will be \$2500.00. The date for the draw down will be Saturday, September 12th, and each ticket will admit one person. There is no limit on the number of tickets each individual purchases. The proceeds from the draw down will be used to buy an elevator for the Club. I will start the elevator fund by purchasing \$500.00 worth of draw down tickets, and I would like to have every member of the club purchase at least two tickets. Remember the funds raised from this project will be used to purchase and install an elevator for your use.

Everyone needs to take special notice of the events calendar in this month's issue. There are some significant changes in the meetings for the Flag Officers and the Board of Governors. Please note these changes. Also note that the Power Squadron will be holding their safe boating classes at the Long Beach Yacht Club during May. These classes will be on Thursday evenings. We are all interested in making the waters safer for everyone, and I encourage all members who have not taken a safe boating class to do so.

The plans and specifications for the pool have been sent to FEMA for their approval. We hope to have an answer soon so we can get the pool installed and in use.

Don't forget the Country Western night on Saturday the 16th of May. I hope to see all of you there.

Howard Kapp,  
 Commodore

### House Committee

The Club had a good month with the Pig Roast and Poker Run being the highlight despite the heavy weather that kept the sailors from making the actual poker run. However, we had an excellent turnout and 75 members and guests turned out to enjoy the tasty roast pig and trimmings. My thanks go out to the following members who volunteered their time to see the pig through the night; Commodore Howard Kapp assisted me in setting up the fire pit and shelter, preparing the pig for cooking and standing the first watch, which was followed up by Lemert Kent. Ed Rafferty and friends tended the pig from 2 to 4 AM and were relieved by Paul Murphy and John Burke who kept watch until daybreak. Billy Aborn and Gary Foster then took over until 8:00 AM.

A special thanks to Billy Aborn who attended to the final cooking chores, and staying until the pig was ready to serve. All in all everyone had a good time and enjoyed coming out and helping.

Our Sunday brunch on the other hand has not fared so well. The turnout has been small. If you are interested in having the brunch continue please come out and check us out, and bring your friends and neighbors. We have a fine layout. "Check it out". We will give this one more month to see if it will be something you the members want. May 10th and May 24th will be your last chance to make it go. We are serving between 10:00 AM and 2:00 PM.

Western Night will be held on Saturday May 16th on the deck. We will have music from 7:00 PM to 11:00 PM and a side of beef will be roasted over charcoal for a tasty delight. Make your plans now to attend.

Make your party plans now for birthday, wedding, reunions, or just to get together. The Club will cater any type of party up to 150 persons in the dining room or on the deck. There are many fun events in the planning stages for the summer. We have the LUAU coming up in June,

the 4th of July party on the deck, and the Walet regatta in September. Come on out and enjoy your Club any night or day we are open. We welcome any suggestions or ideas to help make our Club a fun place to visit.

Howard Mays

### Juniors

Congratulations to Laura Clair Nelson, Junior Commodore; Josh Charlton, Junior Vice Commodore; and Steven Hart, Junior Fleet Captain.

We had a great time when we went to the Zoo in New Orleans, and the lock-in was a lot of fun but would have been even better with more participation. The Easter Egg hunt was great. The kids enjoyed themselves and even Allison and Holly had a good time.

A raffle was held during the Poker Run to raise money for the Junior program. We raffled off a summer box of picnic items, summer games and beach items. The winner was Carl LaRosa, and we are sure that he will enjoy all the items in the box.

Upcoming events: We will have a sailing clinic on May 9th for Juniors only. This is your chance to get out and sail. Please call Holly for more information. We will be going to the Wave Pool in Waveland on Saturday May 16th.

Allison will be going to Germany for the summer, and Holly will need some help. If you would like to help or if your parents would like to help with the Junior program please let Holly know. This program is too important to have only one or two people as the advisors, so kids get your parents involved.

There will be two meetings in May. The first will be Tuesday May 12th, and the second Tuesday May 26th. Both meetings will begin at 6:30 PM at the Long Beach Yacht Club. Please make plans now to attend and mark it on your calendar. We need your input as to what activities you are interested in.

Laura Clair Nelson  
Junior Commodore

### Membership

The persons named below have applied for membership in the Long Beach Yacht Club.

Henry J. Carriere  
P O Box 2632  
Bay St Louis MS 39521
