SEPTEMBER 1992

VOL. XI, NO. 9

FROM THE BRIDGE

In the eyes of many, the big event of last month was Hurricane Andrew, and thank goodness we didn't end up in Andrew's eye. While the LBYC and the Long Beach community took actions to prepare for the worst which didn't come, those preparations were not wasted effort. The preparations helped us identify additional areas we need to improve for the future. The most significant one to the club in general is the removal of boats from the club premises when we go into a hurricane warning stage.

There are, apparently, some boats on the premises which do not belong to club members. All of us need to take the extra effort necessary to comply with club policy in identifying our boats so we can remove those boats which are not ours. We must assure we take action to protect the LBYC from unwarranted claims of non-members as well as preventable damage in the event of a natural disaster. We also would like to avoid inconveniencing our members by having their boats removed from club property because club policy was not followed. The beachmaster has been requested to and has been aggressively trying to resolve this issue. Please help him!

The Mexican food by the House Committee has been excellent. The swimming pool not only looks nice but is doing nicely. Hamburgers and snacks at the pool on weekends will continue. Thank you Ladies' Auxilliary for the \$200 to buy pool furniture and for the new flag.

DON'T FORGET THE DRAWDOWN ON SEPTEMBER 12!! The club needs this boost, so buy or charge your tickets now. Good luck on the drawing.

HOWARD KAPP,
 Commodore

HOUSE COMMITTEE

August has been a busy month with a couple of private parties and just good turn outs at the club. The poolside concession is providing some very good hamburgers and hot dogs with several families stopping in for lunch and supper; also, many of the sailors are grabbing a burger after a day on the water.

We are looking forward to a bigger and better month with the drawdown on the 12th. We need your help! Bring your friends and neighbors! Your support is much needed to help the club for the rest of the year. We have good food, good beverages, good people and good times; so come out and be part of the fun.

Now is the time to plan your Christmas parties. We have decided to close down the Friday buffets in December and open Friday nights for private parties during that month since participation at the buffets is poor during December. Don't forget our New Year's Eve bash as you do your holiday planning. And remember to check with us any time of the year for your birthday parties, wedding receptions, retirement parties, anniversaries, or any special occasions. We can cater food and beverages or just rent you the room.

CHECK WITH THE BEACHMASTER

Hurricane Andrew is giving us an opportunity to establish an accurate Beach Slip and Grounds Map. Members bringing boats and trailers back to LBYC MUST check with the BeachMaster, Howard Kapp, Howard Mays, or John Burke before putting boats back on club grounds. Check the Grounds Map, located on the wall outside the Commodore's office, for your current assigned position. If there are any questions you can contact me at home 863-9718. This will allow an accurate update to the grounds map.

NEWSLETTER ARTICLES

We welcome articles of interest to the general membership of the club and would like to encourage any and all members to submit items they would like to share; poems, anecdotes, how to, boating tips, or what you prefer. Just make sure any article is in good taste. We will try to publish all suitable articles as space permits. Submissions may be deposited in the Newsletter pocket of the distribution box located in the northeast corner of the club bar. Deadlines for all submissions will be the 25th of each month.
