THE CAPTAIN'S LOG

OCTOBER 1992

VOL. XI, NO. 10

FROM THE BRIDGE

The club has had a fine year so far. Finances are in good order. The Drawdown was a success. The Sunday 'Fun on the Sound' sailing is showing good participation. Pool activities have been a welcome bonus for the club and a good variety of meals have been added for our Friday evenings. The bar has been painted and the dining room may be finished by the time you read this. We still have a few more months to go and I hope we will continue to have your support to finish this year on an up beat.

Congratulations to: All the women who sailed 'Snotfas' to a 4th place finish in the Knost Regatta and to Bill Elenbaas and Mike Benfield for their 3rd place finish in the GYA multi-hull championships in Pensacola. For those of you who enjoy sailing but don't have a boat, don't overlook the fact that the club has several sailing boats for use by members. The Fun on the Sound series offers an excellent opportunity to use one and enjoy some good sailing and friendly competition.

On October 23-25, the LBYC hosts the Walet Regatta. This is the major event in the GYA circuit that our club sponsors. This year we have a Masters class in conjunction with the Walet Regatta. We want to make a good showing and will need a lot of assistance from the membership. Contact Holley Murray to volunteer and obtain information.

Don't forget the general membership meeting coming up on the 2nd of November. This is your major opportunity to elect board members and influence the direction you want your club to go.

HOWARD KAPP,
Commodore

HOUSE COMMITTEE

September has been an interesting month with some ups and downs. The Draw Down proved to be a success this year with a good turnout. Everyone had a good time and stayed to enjoy the evening's entertainment by Skip McLaughlin, "A Band of One" - he was very good. The September Shrimp Boil was also great; unfortunately, too many of you missed out on some really good "BIG" shrimp. We still have hamburgers and hot dogs on the deck on Saturday and Sunday afternoons. Those enjoying the burgers say they are the best on the coast and they keep coming back week after week.

The Walet Regatta is the 24th and 25th of October, so make plans to come out and enjoy the weekend at the club. There will be lots of good entertainment, and best of all good people having a good time. Check later on this page for a schedule of special meals added for the Walet Regatta. Even if you are not a participant in the races, take the opportunity to come out and welcome our guests and enjoy the meals, especially the Roast Pig on 24 October.

I would like to thank the House Committee members who helped to make the Drawdown a success - Sonya Burke and Sally Kapp. I would also like to thank Anna Charlton for representing the club during a large wedding reception in which she acted as the "Hospitality Hostess."

The Christmas season is quickly approaching and the club will be available any open night of December for private Christmas parties, wedding receptions, etc. A deposit of \$50.00 will be required to hold a date for you and 50% of the bill will be required 7 days in advance of the party. Make your reservations early for the best date. The regular Friday buffet will be discontinued during December.

Howard Mays
House Committee
