THE CAPTAIN'S LOG

LONG BEACH YACHT CLUB

NOVEMBER 1992

VOL. XI, NO. 11

FROM THE BRIDGE

The big event during October was the Walet Regatta. The weather was as fine as anyone could have hoped. All those who participated in or worked to support the regatta experienced one of the best weekends on the water possible. We were privileged to see some excellent sailing under beautiful conditions. The Long Beach Yacht Club really appreciates the help of all who were responsible for supporting the regatta; particular thanks go to Angus MacMillen and the Gulfport Yacht Club for the assistance of the Weather Leg as a Committee boat for the Portsmouth and Multihull series and to Chuck Rumsey on Norma Lee for acting as the Committee Boat for the Non-Spinnaker Cruisers and Flying Scot series.

More improvements on the building and grounds were completed during October, including the sign on the east end of the club. As the weather begins to deteriorate, we can still do a lot to make the inside look nicer. Watch for some of these in the near future and if you have some ideas to make the club an even more pleasant place to be, just pass those ideas on to one of the board members.

CONGRATULATIONS TO: TOM AND SHIRLEY STEEN ON THE NEW BOAT!

On 23 Oct, Tom and Shirley purchased a 34 foot Mainship cabin cruiser named Sapphire which was promptly visited by a large number of friends that same evening. The club is fortunate to have the Steens as members and now one more reason has been added as they have volunteered to use "Sapphire" as a Committee Boat to help the Club with racing activities.

Don't forget the General Membership Meeting on the 4th of November. This is your opportunity to elect new members to the Board of Governors and to enjoy some free Red Beans and Rice with fellow club members.

HOUSE COMMITTEE

October was somewhat slow at the club; however, the Walet Regatta was a great success with a fine turnout at the "Pig Roast"- which those that attended enjoyed very much. The biegnets and coffee prepared by Anna Charlton and Elaine Kirkman were as good as those served at "Cafe Du Monde." Many thanks to both of them and all the other people who assisted in a successful Walet for a job well done.

Howard Kapp arrived a bit late Saturday morning to get the pig started; seems he was mumbling something about being at the "President" until 3:AM. However, we got the pig started about 5:AM and were relieved by Billy Aborn at 6:AM. We then woke Howard and sent him home. Guy "Woody" Woodard relieved Billy so he could watch Ole Miss get defeated by Alabama. About 3:PM, we had a near disaster when the pig nearly fell apart into the fire. We made a successful rescue which was shortly overcome by the appetite of our members and guests.

Christmas is getting close and the calendar still has a number of good dates open for your private parties during the Christmas season. The earlier you make your reservations, the better we can fill your needs. Don't forget we will not be serving dinner on Friday evenings during of December. However, hamburgers and french fries will be available in the lounge on Friday nights during the month.

FLEET CAPTAIN NOTES

Fall is upon us and the weather is by far the best of the year for going sailing. The LBYC Flying Scots, Prams, and Sunfish are YOUR boats. They are there for YOU and YOURS to use. Paul Murphy has been racing one of the Clubs' Scots each Sunday in our Fun on the Sound series and he needs some competition. Contact the Race and Sail Committee (Holly Murray: 388-6880) to get checked out.

Only a few more races are scheduled for the Fun on the Sound series. So far, the turn out has been excellent with an average of 10 boats each Sunday. The addition this year of an official LBYC Committee/Chase boat (appropriately named Yellow Dog) and permanent race marks have really made running this series of races a breeze. Overall series awards will be given out at the Commodores' Ball.

Fair winds, beautiful weather and enjoyable competition greeted all sailors in this years running of the Walet Regatta. The list of THANKS would last many pages, so I'll just say a JOB WELL DONE to all who worked to make this event so enjoyable to the sailors. Our Race and Sail Committee Chairperson (Holly Murray) can be proud of the quality event her committee staged. The trophies and door prizes awarded to participants were outstanding.
