THE CAPTAIN'S LOG

DECEMBER 1992

VOL. XI, NO. 11

FROM THE BRIDGE

The year has come and almost gone. As I near the end of my term as the LBYC Commodore, I marvel at how quickly the year has passed. With the help of all the committee chairpersons and the many other people who helped to keep the club operating and improving, my time as Commodore was both enjoyable and personally rewarding. During the year, we made progress in many areas and had some minor setbacks, but all in all a very successful time for the club.

We added a pool this year thanks to the hard work of the Pool Committee (chaired by Dick Marx) over the past two years and the generous support of all those who purchased pool bonds. During the coming years, this will be a great addition to the club and its members. The Ladies' Auxilliary help in providing new pool furniture will be well appreciated starting next year.

The Entertainment and House Committees worked well together in making our special events so successful. From the Commodore's Ball in January to the New Year's Eve party coming this month, their support insured each of our special events provided an enjoyable evening for our members and guests. A very special thanks goes to Howard Mays for all the time and effort he contributed to the management and oversight of the club's operations; not only as the House Committee Chairman, but for all the extra work he did to make every aspect of the club more enjoyable to the members. Howard has been the mainstay of the club during the past year, with little fanfare and less public recognition. I hope everyone will take the opportunity to personally thank Howard for his "job well done."

The Club membership elected a new slate of officers and Board members for the upcoming year. With John Burke as the new Commodore and the other members overseeing the operation, our club will be in good hands. It was a good year for the club and a great one for me. I enjoyed being your Commodore. The year was both a challenge and an honor. I want to thank you all. MERRY CHRISTMAS AND A HAPPY NEW YEAR.

HOUSE COMMITTEE

This has been a good year for the club. Cooperation with the other committees has made for a smooth running and very busy year. I would like to express my thanks and appreciation to the House Committee: Sally, Sonia, Lemert, Roy and Donna. Special thanks go out to Howard, Don, John, Tom, Craig, and Holly for their cooperation and coordination of special events.

Just another reminder that during the month of December, we will not be having our normal Friday meals in the dining room. However, hamburgers and french fries will be available in the bar on Fridays. The bar will close for Christmas and New Year's Day, but will be open all other days during the month except our normal closed days of Monday and Tuesday.

We still have several good dates available for special parties during the holidays. If you want to have that Christmas party but felt cramped on space or time - try the club for a great change. If your office needs a place for their party - catered or uncatered - try the club. For any special function, contact me at 868-8229 or at 864-6429 after 4PM.

Plan on attending a great New Year's Eve party at the club. Champagne, party favors, breakfast, music, and good company. Come out and enjoy your club and visit with your fellow members. Thank you for a good year.
