## LONG BEACH YACHT CLUB

AUGUST 1993

VOL. XII, NO. 8

### FROM THE BRIDGE

If you missed the 4th of July Barbeque picnic you missed some of Sallie Kapp's great cooking, particularly her special recipe for baked beans. Thank you Sallie, and you too Howard.

A week after the 4th, I had an exciting experience with our "new to LBYC" riding mower due to a gasoline leak. The mower caught fire after it backfired. Luckily, I had gotten off first so I did not get burned. We got the fire out before too much damage occurred, only about \$100 worth. Race week was a success because of advance planning by Craig Nicholls and help from many members. We had six Flying Scots in the Capdeville races, three one man boats in the open class along with four registered in the Catalina 22 event. The big excitement was the ten Prams that sailed in three fleets and kept Vice Commodore Don Evans and his committee busy. Charlie Bates had his first experience as a race committee boat captain. We certainly appreciated it and hope he will do it again. Thanks also goes to the Gulfport Yacht Club for all the boats they sent. Without them we would have hardly had enough boats for a regatta. Gulfport was the only Mississippi Coast Yacht Club to attend.

We competed in the Flying Scot Capdeville event at the Biloxi Invitational regatta July 24th & 25th. Roy Boswell has his first experience as a Flying Scot skipper and he didn't do bad at all, taking a 6th place. LBYC ended up overall tied for 5th place. Several "big boats" from LBYC participated in the regatta, which was part of the summer series.

In August we have the Junior Lipton and the Knost regatta scheduled. To date we do not have a team for either. We do not have enough Juniors to make a regatta July 24th & 25th. Roy Boswell had his first experience as a Flying Scot skipper and he didn't do bad, taking a 6th place. LBYC tied for 5th place overall. Several "big boats" from LBYC participated in the regatta, which was part of the summer series.

In August we have the Junior Lipton and the Knost Regattas scheduled. We do not have enough Juniors to make a team and the lady sailors have decided they would rather sail the big boat race. Also, the Alter Cup elimination races will be held in August. The Alter Cup is the big catamaran race to see who goes to the national championship. The Alter Cup is a USSA sanctioned event.

Well, half the year has passed and it is time to start thinking about all the fall activities that will be coming up soon. One of the more important events for your Yacht Club will be the election of new Flag Officers and Governing Board. The Nominating Committee will be appointed at the next Board meeting. If you have someone in mind, make sure that the Nominating Committee knows it. Next year will be a very important year for the LBYC.

## LADIES AUXILIARY

Halfway through the year, we were refreshed by an evening of flowers, food and fun. Hostesses Ida Eastham and Allison Crabtree provided a very pleasant and instructive program with lots of Lois' flowers, demonstrating flower arranging, and sharing tips on how to make the arrangements we receive last longer. We thank all three of the ladies for their work.

Lucky Lady was Catherine Woodward. Door prizes were won by Louise Rector, Gloria Webb, Ida Eastham, Merle Hammack, Ive Chubb, Nancy Marx, June Odom, Pum Welch, Jean Ann Swenson, Stephanie Bass, Jean Marietta, and Norma Vance.

On August 17, we will have a poolside party with hostesses Barbara Kimball, Pat Aborn, and Norma Vance. We will have a covered dish meal. Swim suits and casual clothes will be required attire.

We would like to repeat our invitation to all ladies to come join us at meetings and at Game Night on the 2nd and 4th Thursdays of each month.

## HOUSE COMMITTEE

It has been a busy month at the Club with many activities going on at nearly the same time. Class reunions, anniversary parties, and race week all blended together for a smooth operation thanks to numerous members and outstanding employees.

August may prove to be as busy as July. The LUAU is planned for the 28th and the Ladies Auxiliary are planning a big show and any help will be appreciated. I promise a lot of good food and drink.

Come out and enjoy the Alter Cup regatta and watch all the colorful sails from the deck or help out with the races. There will be a lot of good food and drink available. Come and enjoy your Club. We have a beautiful view of the harbor and the Mississippi Sound.

## MEMBERSHIP COMMITTEE

The membership cocktail party on Saturday, July 24th, was a huge success. We acquired 15 new members and 1 reinstatement, with 3 more possible members who will make their final decision by the 28th of July. Many thanks to the people who took the time to submit names of people to invite, and special thanks to Howard Mays, Shirley Steen, Ron & Shelda Jones, and everyone else who helped make this a successful event.

The persons named below have applied for membership in the Long Beach Yacht Club in the dates indicated. Their applications will be presented to the Board of Governors for approval on August 11, 1993:

## ENTERTAINMENT COMMITTEE

Our annual LUAU will be held on Saturday, August 28. Polynesian food, including roast pig, will be served from 5 - 7 PM, and our MYSTERY BAND will play from 7 - 11 PM. Don't miss this great annual event.

Tickets for the \$5000 DRAWDOWN, which will be held at 7:00 PM on September 18th, have been printed and are available for sale. Please purchase your tickets from the bar or from one of the Flag Officers or Board members; or see Don Evans to acquire tickets to sell. To try to keep everyone from waiting until the last minute, anyone who purchases a DRAWDOWN TICKET before September 1st will receive a 10% discount off the ticket price of \$50. Each \$50 ticket entitles two people to free drinks and food during the party, and a chance to win the grand prize of \$5000. We will have dance music. Each ticket will be sealed in an individual container and placed in a rotating drum. One ticket at a time will be pulled from the drum, that person is eliminated from the running until there are only five ticket holders left. The last five persons will have a choice of splitting the \$5000 pot, or continuing the draw until there is only one winner. In the event that we do not sell all 200 tickets, the winner will receive one half of the total ticket sales. Please buy your ticket early and support this important fund raising event for our Club.
