LONG BEACH YACHT CLUB

JANUARY 1995

VOL. XIV, NO. 1

FROM THE BRIDGE

I would like to thank all the members of the LBYC for allowing me to serve as Commodore in 1995. I will endeavor to uphold the high standards set by my predecessors in this position. With this excellent group of Board Members, both old and new, and our new Flag Officers, I look forward to a pleasant and prosperous 1995.

I would especially like to thank everyone who agreed to chair the committees. Also, thanks to those members who agreed to serve on those committees. Without the efforts of these individuals, the Club could not function. If you have a chance to thank them for those efforts, please do so. If you have the time to volunteer, please contact me or the committee chair person of your choice; we can use all of the help we can get. A list of all committees and chair persons is posted on our bulletin board. Please take the time to learn who makes our Club function.

Thanks to the efforts of Don Evans, our new "SmokeEater" is in place. The all clear can now be given to the air in the bar.

The Club purchased a new computer which is also in place. This will certainly make our accounting and record keeping more efficient.

At our December meeting, the Board of Governors authorized the hiring of an accountant. I would like to welcome Pat Prether to the Club and to her new position. Pat will be working in the office with our Secretary/Treasurer, Tim Kirkman, in much the same manner Doris Kitch has done in the past.

On behalf of the Flag Officers and Board of Governors, I would like to express our gratitude to Doris for her loyalty and dedicated service over these past years. Doris has agreed to remain on the job until Pat is familiar with our Club, after which Doris will remain with the Club as recording secretary.

Remember, everyone is invited to the Commodore's Ball on January 21st. Please make arrangements to attend as this will be one of the best functions of 1995.

BILL SLAUGHTER

HOUSE COMMITTEE

It has been a good year for the Club. Many people have contributed to its success and deserve a hearty thanks. Some of these served on the house committee: Nancy Secrist, Estelle Maxwell, Ed & Lupe Kreiger, and Kay Barrett. They have all made a special effort to put on the best special events of the year, particularly the Moonlight Dances and the Membership Drive parties. I would also like to thank Mel Thomas for his help in just about anything you ask of him. Also, thanks to Margie Kelly. Not to forget Horace Cruthirds for his roast pig and Pat Aborn and the Ladies Auxiliary for their support. This has been an excellent year, however, it can be an even better year in 1995. All we need is to see you at the Club. Come and enjoy the warm and friendly people.

Improvements are coming. Please come and lend your support.

HOWARD MAYS

MEMBERSHIP COMMITTEE

There are no persons proposed for membership this month. Incoming Commodore Bill Slaughter has asked me to remain as membership chairman for 1995. I relish the opportunity to continue to build our membership up to the magic number of three hundred. We will be having a membership party sometime in the Spring, perhaps April, so please begin now compiling the names and addresses of persons you would like to invite to join the Club. Thanks!!!

LBYC COMMODORE'S BALL

Saturday, January 21, 1995
7:00 PM to 11:00 PM

Music by Leon Kelnor

Admission - Free

Dress - Semi-Formal

Don't miss the Commodore's Ball on Saturday, January 21, 1995. The new Flag Officers and Board of Governors will be presented to the membership, and a change of command ceremony will symbolize the shift of the helm from Past Commodore Don Evans to incoming Commodore Bill Slaughter. Leon Kelnor, who used to play at the "Blue Room" in New Orleans, and his band will once again play for us during this elegant affair.

LADIES AUXILIARY

The membership of the Ladies Auxiliary decided to use the money they raised for a fun trip. This money paid for each member's dinner and entertainment.

Instead of our usual monthly meeting in December, we chose to go to the Palace Casino in Biloxi. We had the delicious buffet dinner there. The highlight of the evening was the All American Floor Show. There were dancing girls, impersonators, and even Elvis Presley! The 23 members and friends met at the Yacht Club and transportation was provided by a casino bus.

We had a blast!!!

The next meeting is on January 17, 1995 at the Club.

GLEE SIMMONS

December 27, 1994

Dear Friends,

The Long Beach Yacht Club, located on the Gulf of Mexico between Gulfport and Pass Christian, Mississippi, is in the process of re-establishing its Junior Sailing Program during the summer of 1995.

Our program will consist of a two week Optimist class for approximately 10 students, and a two week Flying Scot class for 16 to 20 students.

We are now searching for an instructor and an assistant for both sessions. Head instructor candidates should have previous experience teaching sailing, with an emphasis on safety, and they should also hold a U.S. Sailing "Dinghy" level 1 or 2 certification. Housing will be made available if necessary. Salary for this position will be commensurate with experience.

If you know of any qualified members or friends who would be interested in this position, please ask them to submit a resume' along with the names and phone numbers of three references to the address stated on this letterhead, to the attention of John Noble, Junior Chairman.

Sincerely,

John Noble
