As mentioned last month, there was an opening on the Board of Governors. At the March meeting, the Board of Governors elected Mr. Fred Parker to fill this opening. Congratulations to Fred. We are all looking forward to his joining the Board in April.

Jean Ann Swenson presented the Board the first place trophy that LBYC Krewe won at the Long Beach Mardi Gras parade. It is on display at the bar. Thanks again to all those who helped on this project.

On March 17-19, the Frost Bite Regatta was held at PCYC. Thanks to Paul Murphy, our Club was represented at this event.

I would like to remind everyone that these GYA regattas are open to all Club members who have sailboats that meet the qualifications of the regatta (this includes nearly everyone). If you are not sure how to become involved with these events and wish to race, contact Lemert Kent, Ted Thomas, John Burke, Paul Murphy, or myself. We will steer you in the right direction to get you started. If you are not interested in racing, stop by your nearest regatta anyway and enjoy the surrounding events. Regattas are the purpose of the Yacht Club and many supporting persons are there to see to their success. Stop by and enjoy what's happening. The next GYA event is the Weatherly Regatta at the Gulfport Yacht Club, April 1 & 2.

Donna Thomas has recently joined the entertainment committee and will be working closely with Shelda Jones on all of our events. I am sure before the year is over many of you will hear from Shelda or Donna. Please help them when you can, or call them first. They will be glad to find a place for any contribution you can make.

Our St. Patrick's Day dinner was really a success with the music and dinner. If you didn't attend you missed another fine evening at the LBYC. One sour note was hit during the evening when our Chef, Jim Moring, was burned just prior to dinner being served. He was taken to the hospital for treatment of the burns. I am glad to report he is well and he returned to work the following Friday. We can now enjoy his fine menu again. Special thanks to Howard Mays, who came in on a moment's notice when Jim was injured. Howard did the cooking in order to make the St. Patrick's dinner a success. Without Howard's efforts the evening would have been cancelled. Thanks again, Howard.

## MEMBERSHIP COMMITTEE

### LADIES AUXILIARY

The regular monthly meeting of the Long Beach Yacht Club Auxiliary was held at the Club at 6:30 p.m., Tuesday, March 21st. Hostesses were Jean Ann Swenson, Audrey Fayard, Merle Hammack, and Norma Vance. Due to the absence of our president, Julie Noble, Barbara McCay, vice president, conducted the meeting.

An array of Easter grass, brightly colored eggs, and Easter candy, decorated the tables. The hostesses led the members in constructing Easter bunnies from eggs. Those attending enjoyed creating their own Easter bunnies.

Lucky Lady was Jeanne Marietta. Door prizes were won by Pum Welch, Catherine Woodward, June Wiggins, Glee Simmons, Jeanne Marietta, Sharon Leimer, Merle Hammack, and Norma Vance.

A short business meeting was conducted by Barbara McCay. The members discussed the possibility of sponsoring another Bunco Party. A decision was delayed until the April meeting.

The Long Beach Police Department will present the program on April 18th. Hostesses will be Elaine Morton, Jeanne Marietta, and Sharon Leimer.

### HOUSE COMMITTEE

Things were fairly quiet during March except for St. Patrick's Day party. We had a nice turnout for dinner and a sing along with music by Skip, who is leaving for Florida in a couple of weeks.

A welcome back to Chef Jim after his unfortunate accident in the kitchen. He is doing fine and was back cooking after one week. Chef Jim is turning out some excellent food and a different special every Friday. Look for them on the calendar each month. Come on out to try his tasty dishes. Bring some friends too.

Are you planning a Class or Family reunion? Wedding reception? Office party? Or other festive event? We can help you plan the special event and provide you with catering. I will remind you that all events using alcoholic beverages must use Club provided beverages according to the rules of the Mississippi Alcoholic Beverage Control agency. The dining room rents for \$250 for non-members and \$125 for members. There are additional charges for clean up, linens, skirts, and use of the kitchen. A \$50 deposit is required to hold a date for you.

HOWARD MAYS

I have canceled the Membership Party which was scheduled for April 1, since I do not yet have enough names to make a mailing. I need at least 150 names to be assured of having enough prospects attend the membership party. This is what we started with in the past, and it has worked very well, as evidenced by the 68 new members we enrolled in 1994. (We also had 10 reinstatements) So far, only fifteen members have responded to my requests for names and addresses of potential members. I understand the reason. We are all busy and small requests like this sometimes fall through the cracks. Or we think that enough other people will respond that our contribution is not really needed. I have had numerous people talk to me at the club and tell me they have some names for me, and are going to mail them, but I have not received them. It is just human nature that they forget to do it when they get home. Please use this article as a reminder to sit down right now and mail me a couple of names and addresses of your friends. Address your note to "Membership Chairman - LBYC" at the club address. Be sure to sign YOUR name, so I can give you credit for helping. Also, if any of you have any ideas that you think would benefit the membership committee, please include them in your note or give me a call and tell them to me.

I am convinced that the future of this club lies in increasing our membership, and that nothing else we do will so readily ensure that we can continue to improve our facilities and our services to our members. All of the work presently being done by the new administration to enhance our club will be for naught if there are not enough members to share the costs.

If I receive enough names of people to invite to the Membership Party by April 15, I will try to reschedule the event for May 20, so long as there is not a conflict with some other event on that date.

The persons named below have applied for Military membership in the Long Beach Yacht Club. Their application will be presented to the Governing Board for approval on April 12, 1995.
