RACE & SAIL COMMITTEE

The Walet Regatta is just around the corner, and it looks like it is going to be a great event. Fred Parker and Chef Jim will be cooking up some spaghetti & meatballs for Saturday evening dinner at the special price of \$4.95 per plate. Roy Boswell has a support fleet of power boaters set up. We still need a few extra members to fill in around the Club and to ride the chase boats. Regattas are a lot of fun, whether you race or are on a committee. So, if you would like to race or help, call me, Holly Murray, John Burke, or Roy Boswell.

We will have a regatta meeting on Wednesday, March 6th @ 7 PM at the LBYC. We need all the people who offered to help at the meeting. If you would like to help, please come to this meeting.

At this time I would like thank all those who have helped. Thank you very much.

FROM THE BRIDGE

What a grand Mardi Gras season this has been. **Dr. Rock and the Interns** "Packed 'em in" on February 11th. At one time it was estimated that more than 400 people were on the deck at LBYC. Thank you's are due to all the members who decorated and helped get the Club ready for the festivities. The red beans and rice went fast as well as the Bar-B-Que sandwiches and hot dogs. Dancing and merrymaking went on until about 9PM and everyone appeared to have a great time. Thank you's also for those who spent their Monday cleaning up after all the partying.

Congratulations to the Krewe of Bells and Buoys

Winner of the Presidents' Trophy

From the Long Beach Carnival Association

Thank you to the members of the B.P.O. 978 Elks who invited the members of the LBYC to attend their XXXIV Mardi Gras Ball. It was an elegant affair and members of the LBYC were duly recognized.

The Board of Governors met on Valentine's Day and got a lot of business accomplished. I hope by the time you read this your dues have been paid. We have a lot of plans for this year and we need the capital to do them. House Chairman, Fred Parker, received an estimate to install three double windows on the west side of the dining room for \$1200. The Board felt this was a very reasonable price. We are considering on whether to try to pay for them out of Club funds or solicit donations from individual members and have their names placed on a plaque by the window. See Fred if you would be interested in doing something like that. Fred also reported that the Club has made a profit on the Rotarians party and on the Friday night dinners.

The boating members of LBYC are just about ready for the Walet Regatta. We need as much participation as possible for this annual event, March 9 & 10. See Marc Wiggins, Regatta Chairman, if you would like to help.

John Burke has resigned as Chairman of the Buildings & Grounds/Docks & Piers Committee. He was replaced by Howard Kapp. The LBYC Board approved two Honorary Memberships this year, Charter members Gene Walet and Minnie Worth, both for their continued support of the Club.

Finance Committee chairman, Lemert Kent, announced that Past Commodore Dick Marx will assume the duties of bookkeeper. The Finance Committee also made several suggestions on how to help the Club operate smoother. I want to personally thank Pat Proffer for all her hard work in getting the "books" straight this past year. Finally, House Committee Fred Parker is looking for a replacement. He will be accepting a consulting position and will not be able to devote as much time to the Club as he has in the past. Fred & Patsy will be remaining in the area and Fred has promised to help the next House Chairman get established. Do you have any nominations???

DON EVANS

ENTERTAINMENT

COMMITTEE

It seems the Mardi Gras party was much longer this year. I think we can say it was a success. Everyone seemed to enjoy themselves. Dr. Rock was great, as usual.

I am pleased to thank the ladies from the Auxiliary who came to my aid and decorated the deck since I could not be there due to an emergency at my workplace. Thank you Pat Aborn, Julie Noble, and June Wiggins from the auxiliary, and the others who we can always count on, Somnia Burke, Donna Thomas, Nancy Secrist, "Hot Dog Server" John Burke, and Howard Kapp. Fred Parker, along with Roy Boswell and Ted Thomas, kept a keen eye on everything. Thanks alot gang.
