## LADIES AULILIARY

The Auxiliary got off to a brand new year with a meeting at the Club hosted by out-going President, Julie Noble and in-coming President, June Wiggins. Mardi Gras colors prevailed. The tables were festive with purple, green, and gold. Ladies dined on sour cream chicken and fruit compote dessert. Installation of officers by Pat Aborn was:

President - June Wiggins  
1<sup>st</sup> Vice - Barbara McCay  
2<sup>nd</sup> Vice - Jeanne Marietta  
Secretary - Barbara Kimball  
Treasurer - Charlotte Wyrick

Grace Lebo siad there were still some slots open on the float. Anyone interested can call Grace at 831-9546. Come on down and get in those parades and "Throw me something, Mister". After the Long Beach Parade, we have the big one, the deck party with Doctor Rock. Help is needed in decorating, so lend some willing hands. Make this a successful Mardi Gras deck party.

Door prizes were won by Catherine Woodward, Donna Thomas, Jean Ann Swenson, Pat Parker, Part Aborn, Merle Hammack, Joan Boswell, Elaine Morton, Mary Ann Hubmann, and Barbara McCay. Lucky Lady .....Pat Parker. Somnia Burke won the booby prize. Gosh Somnia, I should by so lucky.

The next meeting will be February 18<sup>th</sup>. We will meet the Commodore, hosted by the Ladies Auxiliary. Help make 1997 a year to remember. See you at the Club.

## ENTERTAINMENT COMMITTEE

Congratulations Charlie !! The 1997 Commodore's Ball was a huge success. The ballroom was beautiful with the west wall glimmering with gold. The tables were decorated with white tablecloths and gold candles. A bouquet of white flowers adorned the Commodore's table. The banquet table in the bar was laden with scrumptious hors d'oeuvres. Thank you to Estelle Maxwell and Nancy Secrist for a wonderful Commodore's Ball.

Our annual Mardi Gras Party will be held February 2<sup>nd</sup> on the deck following the Long Beach Mardi Gras Parade. Be sure to mark your calendar and join us along with Dr. Rock and the Interns for a fun filled afternoon and evening.

SHELDA JONES

## KREWE OF BELLES AND BUOYS

The KREWE has been busy designing and building the float for the Long Beach and Orange Grove Mardi Gras Parades. The float will again be a ship. If you look in front of the Club, you will see it. It will roll on February 1<sup>st</sup> as "Columbus Day" and again on February 2<sup>nd</sup> as "Treasure Island".

At the Commodore's Ball, Ted Thomas awarded our President, Grace and Jim Lebo, a special recognition for their work in the Club.

See you all at the parades. Don't forget the party at the Club after the Long Beach Parade.

HAPPY MARDI GRAS !!!

FROM THE BRIDGE

The Commodore's Ball was great. For those of you who could not attend, you missed a great time. Mr. Joe Fleming served as Master of Ceremonies. The decorations were outstanding due to the planning and hard work of Estelle Maxwell and Nancy Secrist. The music was by Art D'Iorio and his group. As usual, it was great. There were many awards presented to the people that worked so hard all year for the Club. Without the many people that volunteer their time, the Club would not exist. Many great thanks to everyone involved in the Commodore's Ball.

The new dues structure has been well received. The dues are coming in. Please remember that your dues should be paid by February 15<sup>th</sup>. If you need special consideration, please contact one of the Board Members. Every member is special to us and we will try to help.

The Entertainment and Race & Sail committees should finish their schedule of events by February's Board meeting. As soon as it is complete, it will be sent to you.

The "Handicap Ramp" fund is still growing. Please donate to the fund. Some of our members need this to be able to enjoy the Club.

I hope to see everyone of you at our upcoming events.

HOUSE COMMITTEE

Mardi Gras season is upon us and the annual Long Beach Parade and party following will be held on Sunday, February 2<sup>nd</sup>. The newsletter may not reach you in time to highlight all the Mardi Gras activities. However, we will be starting a full dinner service with the Valentine Dinner, Friday night, February 14<sup>th</sup>. A waitress will be taking your order and serving you at your table. Bring your wife or sweetheart to the Club for an intimate dinner. We will also offer a wine or champagne special for \$7.00 per bottle. A menu listing will be provided for that night and future Friday nights as an insert to the newsletter highlighting the entrees and the specials for the month. Please make reservations for the Valentines' Dinner. This will help us make plans for such a nice dinner. Hopefully, we can continue the waitress service and atmosphere during the Friday night dinners. Of course, we could with an increase in our member participation.

As you may have noticed, the couch and love seat in the bar are on its last legs. I have been looking for a similar replacement or an oak type furniture in the used market arena. If anyone has a set they would like to donate, please call and I will arrange for pick-up. Different projects are coming to help support the Handicap Ramp. We have a good start and donations should be made to Lynn Bates with reference to that project.

The New Year's Eve party and the Commodore's Ball went off well and everyone appeared to have a good time. Thanks goes to all that helped with the room decorations.

The Club has a new Char-Grill unit to cook your steaks or chicken to perfection. Come see our new Chef Greg and taste his food creations.

LBYC LUNCHEON BRIGDE

The Luncheon Bridge hosted the 1<sup>st</sup> Mardi Gras party of the season at the LBYC. The Club was decorated beautifully for Mardi Gras. A floor to ceiling tree was adorned with all sorts of purple, gold, and green Mardi Gras paraphernalia. You could see Pat Parker had a hand in the decoration because it was done in such good taste. Talking about good taste, this might be a good time to tell you about the wonderful luncheon Linda Graham (I renamed her last month) prepared for us. She created and served a delicious fish casserole called 'Fish Casserole al la Linda' and a garlic and parmesan pasta for a gold color food. A pretzel delight blueberry jello dessert for a purple color food and a garnish or lettuce for a green color food. Very clever Linda, but better yet, it had a delightfully super effect on our taste buds.

I am way ahead of my story. So back to the beginning. Where was I? Oh yes, the bridge. The newest and largest bridge club on the coast had the 1<sup>st</sup> Mardi Gras party at LBYC January 10, 1997. And by the way, it was the bridge club's 1<sup>st</sup> Mardi Gras party since we organized in May. We had 28 players all wearing their Mardi Gras beads, costumes, hats and shoe strings. I could hardly refrain from yelling "Throw me some beads, Mister". However, I did succumb to buying the famous, cannot have a Mardi Gras party without, Paul's King Cake, with 2 babies. YES ! ! ! PARTY TIME!

With so many excellent players, to those who get good cards and have the highest score, I am proud to give a prize, and announce it in this writing. Last month, as my readers will recall, I gave a 24<sup>th</sup> prize, a booby prize, and announce it in my humble writings. Ms. 24<sup>th</sup>, of last month's Christmas party, is now Ms. January winner - 1<sup>st</sup> place - the best, the very best, Jewel Huch, LBYC. THROW ME SOME BEADS MISTER !!!!!

The next bridge meeting will be a valentine party on February 14, 1997.

MARY ANN HUBMANN
