

MEMBERSHIP COMMITTEE

We had a very successful membership party on August 8th. We certainly appreciate the hard work of the Membership Committee: Estelle Maxwell, Howard Mays, and Shirley Steen. Estelle Maxwell and Sharon Hust made and furnished the beautiful decorations. Howard Mays coordinated the food through Chef Brian, and Shirley Steen made the name tags and greeted our guests. We had additional assistance from Bill Slaughter and Ron Crosby. David Allen spent several hours typing addresses for the invitations. Thanks, too, for the support of Commodore Lemert Kent and the Board of Governors. We also appreciate Ted Thomas and our staff.

Sixteen people applied for membership to the Long Beach Yacht Club. Their names are listed below, and their applications for membership will be presented to the Board of Governors for approval at the meeting on September 10, 1998.

FROM THE BRIDGE

The August membership party was a huge success. Our thanks go out to all who helped - with a special thanks to Ronnie Barnes, Estelle Maxwell and Howard Mays. **We hereby extend a very warm welcome all new members of the Club.**

The air conditioning unit for the main dining room has gone out. We are trying to have this repaired as quickly as possible, but we must receive three estimates. This necessary expense may run as high as \$3,500.00! We appreciate everyone's patience until all repairs are made. This cannot be accomplished overnight.

Thanks to all club members who are paying their LBYC bills as soon as possible. This immediate receipt of amounts due really makes a difference in how Club expenses are handled!

I regret to announce the resignation of Fred Parker from the positions of both rear commodore and chair of the entertainment committee. Fred has devoted a tremendous amount of time and energy to the Club over the last 2-3 years, and I, for one, am very grateful to Fred for his help and his friendship. We'll still see Fred at the Club but in a much more relaxed posture! Thanks again for all your hard work, Fred.

The Entertainment Committee is still working together to bring good programs to LBYC. We would hope that all members will turn out for these and support the Club activities. There was a good turn-out for July's Family Fun Day. Children and adults alike had a great time! Plan now to attend next year's Family Day!!

On Saturday, August 15th, we had an informal "bring and cook your own meat" party which was well attended and re-enforced the friendliness of the LBYC members. This event will probably be repeated every few weeks and is a great way to get together for fellowship and good food at a most reasonable expense while also supporting LBYC.

The Annual Draw Down is approaching! The Draw Down ticket drive is already underway. Purchase your tickets now! This historically has been a very profitable party for LBYC. Let's work together to set a new record this year! Tickets are \$50 each, admit 2 for dinner and drinks during the Draw Down, with music for dancing afterwards. The \$5000 Draw Down is set for Saturday, October 17, 1998, at LBYC at 7:00 p.m. REMEMBER - Friends, neighbors, relatives are welcome at this event - as long as a ticket is purchased for them. Tickets may be purchased from any LBYC Board member or from the bar - and may be charged to your LBYC account! So come on out, enjoy a great evening with delicious food as well as a chance to WIN BIG and support your Club at the same time! See you there!

NOMINATING COMMITTEE Announced! The Nominating Committee for LBYC's 1999 Flag Officers and Board members has been approved by the current Board. We appreciate these members' agreeing to serve on this most important committee at this time. Chairing the committee is Dick Marx; committee members include Pat Aborn, Estelle Maxwell, Howard Mays, Shirley Steen, June Wiggins, and Guy Woodward. Any member interested in serving on next year's Board may contact a member of this committee and let them know. The General Membership meeting, when LBYC will vote on the slate presented, will be held in early November.

FLEET CAPTAIN'S REPORT

We have some exciting events coming up and hope to see everyone there!

Fun on the Sound just ended on Sunday, August 30th. A great time was enjoyed by all who participated.

On Friday evening, September 11, 1998 there will be a **Pig Roast** on the deck at LBYC to help kick off the Walette Regatta on the 12th and 13th. This Pig Roast is open to everyone whether they enter the Regatta or not and is very reasonably priced at only \$7.95 per person. Taking the place of the usual Friday night dinner, but still with lots of delicious food to eat and revelry in the air, this will be an evening no one will want to miss!

The Walette Regatta is upon us once again. To be held this year on September 12th and 13th, it is the only regatta that Long Beach is having this year - so come on out and support your sailing program by competing or by helping on one of the committees that we have, such as Registration, T-shirt sales, Pig Roast, etc.

THANK YOU, SALLIE KAPP

Quite a few members enjoyed - at no charge - a very tasty spaghetti dinner, complete with homemade dinner rolls, salad and dessert, at LBYC on Saturday, August 21st. Howard and Sallie Kapp hosted the affair to thank all those who participated - through either monetary donations or volunteer labor or both - to build the handicap ramp on the west side of the Club. Estelle Maxwell and Howard Mays assisted with the dinner which was enjoyed by all who partook of the wonderful food. Sallie had prepared both an Italian sauce and a shrimp sauce to serve over the spaghetti. It was just great! We appreciate you and your cooking, Sallie. Thank you!

CRUISIN' THE COAST

Long Beach will be a mecca for cars new and old in October as the annual **Cruisin' the Coast** holds quite a few of this year's events in our city. **The Yacht Club will be involved**, and we hope to see most of the members enjoying the programs - which take place October 8th through the 11th.

In Long Beach, on Thursday the 8th, a Car Corral will be held at the LB Harbor from 4-6 p.m. with the Kickoff Cruise Parade rolling between 6:30 and 7:30 p.m. **The Cruisin' Reception will take place at LBYC from 7-9 p.m. that day.** Carnival rides will be open from 4-10 p.m.

On Friday, October 9th, the Car Corral, carnival rides, and the food/craft/game booths will all begin at 9 a.m. at the Long Beach Pavilion and harbor.

Saturday, October 10th, events will again begin at 9:00 a.m. at the Pavilion - **but LBYC will host Dr. Rock on the deck from 3:00 until 7:00 p.m.** Plenty of good food and drinks will be offered for sale at the Yacht Club during Dr. Rock's performance.

A Cruisin' Country Breakfast Buffet will be offered at **Long Beach Yacht Club on Sunday, October 11th from 7:30 until 10:00 a.m.** The Car Corral and carnival rides will be open at the LB Pavilion beginning Sunday at 9:00 a.m. and 10:00 a.m. respectively.

Mark those calendars now. These will be events that you won't want to miss. So come on out and enjoy - especially those programs which take place at LBYC!

Be sure to check out the yellow flyer enclosed with this newsletter for further details.

KREWE OF BELLS & BUOYS - INVITATION EXTENDED TO ALL LBYC MEMBERS

All LBYC members are cordially invited to meet the Krewe at the Club on Wednesday evening, September 16th, at 7:00.

The new year's kickoff meeting will be held with light refreshments on hand as well as a door prize or two to be won. Elections for the new year's officers will be held and future plans discussed. Anyone interested in membership in the Krewe is most welcome and invited to join. We enjoy camaraderie, good meals, and lots of fun together during the year as well as having a ball during the Mardi Gras season, decorating the float, choosing themes and costumes, and working and playing together before and during our parade rides! Do come out on the 16th and enjoy the meeting! See you there!

Chances for a beautiful beach scene, an original water color by the well-known Bay St. Louis/New Orleans artist, Gerald Bienvenu, are being offered by all Krewe members. The painting may be viewed at LBYC, and tickets may be purchased either from any member of the Krewe of Bells & Buoys or at the bar. The tickets are \$2 each or 3 for \$5, and the funds raised will be used to help enlarge and decorate the float.

Anyone having questions about Krewe membership and/or activities is welcome to call Grace Lebo at 831-9546 or Jeanne Marietta at 868-3459.

JEANNE MARIETTA
Krewe Secretary

Two weeks later, on Friday, September 25, 1998 we are planning a "**Remember When Dinner.**" All Past Commodores of Long Beach Yacht Club are being invited. This will provide us all with the opportunity to hear how the club was started and meet the many wonderful people who worked so hard to see a dream come true. This event, too, will replace the usual Friday night dinner, but again, for only \$7.95 each, all who attend will enjoy a delicious meal, delightful reminiscences, great fellowship, and another wonderful opportunity to not only support our Club but to learn a lot about its history! See you there!

Saturday, October 17th, LBYC's biggest fund raiser of the year will take place - **the Annual Draw Down!** Tickets are now on sale and we trust that, with every member's support, this will be the biggest and best Draw Down yet! Come on out and enjoy the suspense and all the prizes!!

Any time a function is put on at the Club, it requires a lot of work and support from members. If you would like to help at any of these functions, please call the person(s) in charge of that event and offer whatever service you feel comfortable providing. This is a great way to meet new people, make new friends, AND have fun. To help with any of the events mentioned in this column, which are all being sponsored by the Flag Officers of Long Beach Yacht Club, give me a call at 388-4834. You'll be glad you did!

AT HOME, IN THE HOUSE

PLEASE NOTE:>> Again, a reminder that if you do not sign your invoice as you leave the Club, a 15% gratuity will be added to your tab. This will only be done to those tabs for members who DO NOT SIGN their tab! If you close out your tab by signing before you leave the Club, you may choose any/no gratuity as you decide!

Chef Brian and his wife, Daphne, left the first week in August. They have moved to Oxford, MS to pursue an advanced degree. We will miss his fine food preparation on Fridays as well as Daphne's cooking on Thursdays. We all wish both of them the best of luck.

Erin has accepted a full time position in Kiln, MS with the Hancock County school district. We will all miss her enthusiasm behind the bar, but we'll still be seeing her as one of our newest members. Good luck and welcome aboard, Erin!

A warm welcome aboard also to our new bartenders, Jan Moran and Dennis Crosby! Say "Hi" to them and make them feel welcome! They're doing a great job!

The **Membership Party** on the 8th of August was a great success; Howard Mays and Estelle Maxwell did a fine job preparing for the event.

The last couple of weeks we have had **volunteer chefs** on duty doing the cooking on Friday nights. Thanks to Grace & Jim Lebo and her crew (Jeanne Marietta and Fred Parker) and also to Steve & Melissa Blackshear for all the effort they put forth in preparing some great meals last month. And do plan to dine at LBYC on Friday, September 4th, and enjoy Ribs by Bo & Company! Anyone who would like to display his/her culinary talents some Friday evening is most welcome to let me know. We will be happy to set you up and turn you loose in the kitchen. Former bartender and part-time chef Kim Palo will be cooking every other Friday for awhile, so we need volunteers twice a month!

There will be no dinner served in the dinning room Friday the 11th. That is the date of the **Pig Roast** on the deck the night before the **Wallet Regatta**. The pig has been donated to the Club, and if you would like to help "turn the pig" just let us know!!!!

The Flag Officers sponsored a **Cook Your Own Meat Party** in August, and it was well accepted. There are plans to do this every few weeks, so look for more on this soon. They also will sponsor a "Remember When" party on Friday the 25th of September with as many Past Commodores as possible as guests.

Drawdown Tickets are available at the bar and from most of the Officers and Board members. Get yours soon!! We need for this Draw Down to be a success this year! Ask your friends, acquaintances, the guy on the street, etc.... Remember this Draw Down is open to everyone!

House Chairman

LADIES' AUXILIARY

The LBYC Auxiliary met August 18th at the Club with hostesses Lynn Bates and Pat Parker. The theme for the evening was the 15th year birthday celebration of the Yacht Club, and Lynn and Pat were lavish with their decorations. The circular center table held a yellow-iced happy birthday cake and bright yellow mums in pots covered with gold foil. Two round glass bowls held yellow candles in sand. On the four dining tables extending from the round table were happy face cups filled with candy and yellow balloons as party favors for the ladies to take home. Matching napkins and noise makers completed the table settings. Dinner was delicious with baked chicken, green beans, rice, salad, and rolls, with ice cream for dessert.

Guest speakers of the evening were Joyce and Sam McCauley. Joyce had served as the very first Auxiliary president, and Sam was the fourth Commodore for LBYC. Each presented a reminiscing talk about the organization of the Club, and several members joined in with their own remembrances. It was a most enjoyable evening of nostalgia going back to the fall of 1983's ground breaking. The hostesses presented the McCauleys with a pot of gorgeous bright yellow chrysanthemums.

Lucky lady of the evening was Barbara McCay, and door prizes of the bright yellow potted mums went to Sharlette Wyrick, Mary Verna Stegall, Stephanie Bass, Maxine Batey, and June Wiggins.

A REMINDER!! The Auxiliary's annual Bunco Party is just around the corner – set for October 20th! This has become a really great event with plenty of delicious food and lots of fun and prizes! Not a ladies only night – men are also welcome! Invite your friends, relatives, and co-workers. They won't want to miss the fun and food either. Most of the Auxiliary members have tickets for sale – and they are only \$5 each. Or call Grace Lebo at 831-9546 or June Wiggins at 864-6896. They'll be happy to assist you with tickets! Make plans now to come on down! It's a great time, and there'll be plenty of great prizes!!

Auxiliary Secretary

LUNCHEON BRIDGE

What with moving – ear surgery – and life in general, there's just been no time to write my usual column. However, we played bridge on our regular date in August and had a most pleasant time. We all enjoyed the delicious meal of tuna-stuffed tomatoes beautifully arranged on the plates with other great foods. Our thanks and appreciation to Dennis Crosby and Holly Murray for their efforts in making our meal so enjoyable.

Our bridge group will meet again the second Friday of September for a Tailgate Party, and we look forward to another memorable time.

MARY ANN HUBMANN

ONE DESIGN

Well, Folks – the Knost Regatta was interesting, even with storms and injuries. We made it through with the help of Holly Murray, Marguerite Hess, Fritz Presley, Sara Fletcher, Katie Workman, and Genna Green. Thanks to each of you!

We are looking forward to the Senior Lipton's Regatta in Mandeville on Labor Day weekend. Even if you can't race, come on over and watch. It should be great! Anyone interested in sailing a Scot may contact me at 864-6896 or Holly Murray at 863-6880.

Come on out and join us. The best sailing is yet to come!

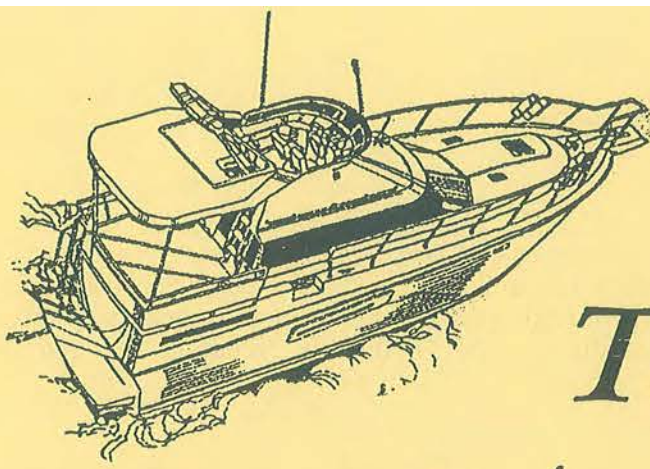

JUNE WIGGINS

JUNIORS

Now that all the juniors are back in school, watch for the next activity. During the summer we were pretty much dormant except for the sailing school, with everyone going here and there for vacations, etc. But we did have a couple of family events, and they include the juniors!

We're working on plans for a Halloween party for the Juniors. Anyone willing to help or share ideas and/or time is hereby invited to let me know! We welcome any and all suggestions and assistance.
