

GARAGE SALE

On Saturday, October 23rd there will be a giant garage sale on the deck. Guess who is putting it on? YOU ARE!!! We know what it's like to do that fall cleaning and have to get rid of all the junk and things you no longer have room for so we decided to help you- help your Club. Just call the numbers below and we will gladly make arrangements to come to your home and pick up anything you'd like to get out of your way (excluding husbands and children). If you'd like to bring your donation to the Club just let us know and someone will be there to accept them. So go through those closets, cabinets, and garages and see if you can live without anything there and we'd be pleased to have your old treasures to sell. This will be an advertised event so any help is appreciated. All money will go to your club to help with even more events for you to enjoy so get cleaning and call!!!

FLEET CAPTAIN'S REPORT

The 17th Annual Walet Regatta was on September 12th & 13th. Mother Nature wasn't very cooperative on Saturday the 12th. We had to cancel races for that day due to the storms in the Gulf. We did manage to get three races in on Sunday but unfortunately we only had three brave sailors return to race. Ted Thomas won the Regatta on Daddy's Home with the help of crewman Dave Van Dyke. Paul Murphy took second singlehanding on a Flying Scot and Marguerite Hess with Leo Potvin as crew, took third on Guppie. I want to thank all of the wonderful people who showed up to help this affair. Sally Kapp and Joan Boswell did a great job providing us with a Continental Breakfast. Shirley Steen did registration, Lynda Gary sold T-shirts. Tom Steen, Dick Marx, and Bill Slaughter were race committee. Chase boat was Stephanie Baker, Lemert Kent, Mike Gary, Holly Murray, and Roy Boswell. Thank all of you for your support!!

Sunday, September 18th once again due to the weather we were forced to cancel Fun on the Sound. We will make up that date in November. Our next race is scheduled for October 4th followed by October 18th. It's not too late to come out and join the fun on the water.

LADIES AUXILIARY

The Long Beach Yacht Club Auxiliary met Tuesday, September 15th with hostesses Jeanne Marietta, Glee Simmons, and Grace Lebo. The speaker of the night was Mayor Robert Bass of Long Beach, who presented an overview of the city and current concerns. Spouses and friends were invited whereas several attended and appreciated the Mayor's program.

Since Long Beach is known as the City of Trees, the tables were decorated with white table cloths and a deep green metallic ribbon with sprigs of ivy down the center of each. Clear plastic cups lined with green tissue paper and filled with green, white, and silver candles held a miniature plastic tree in each. Small brass pots with small trees planted in them added to the décor and were presented as door prizes at the end of the meeting. Name tags were imprinted with green trees in which each guest signed his name. The delicious meal consisted of a large platter of tiny sandwiches made of ham, roast beef, and turkey, with potato salad, individual green salads, olives, pickles, tuna salad stuffed celery sticks, strawberries, and sliced apples, accompanied by special dips. Dessert was a large marble sheet cake beautifully decorated with trees and the words "The City of Trees". Delicious!!! Served with tea and coffee.

Lucky Lady was June Wiggins and door prizes went to Johnny Odom, Maxine Batey, June Wiggins, Pum Welch, Pat Aborn, Glee Simmons, June Odom, and Pat Parker.

We will see you at the Club. Thanks Barbara Kimball and Grace Lebo

ENTERTAINMENT COMMITTEE

It will be a semi-formal fun affair with a delicious dinner and dancing afterward to the music of the Satin String Orchestra. Be prepared to enjoy a gala evening. Make your reservations early!! Call Estelle Maxwell at 863-3847 or Grace Lebo at 831-9546. More information to come soon.

GRACE LEBO**HOUSE COMMITTEE**

Lots of things are going on at YOUR CLUB! September was a very active month. We had some "new cooks". Last month, Bo Clarke, and company prepared some of his famous ribs assisted by wife Debbie, and Dave & Cindy Epperson. The following week was the Pig Roast held in conjunction with the Walet Regatta. Commodore Kent started the pig off at 5:30 AM Friday morning. Joe Allen came by and helped him put on the finishing touches. Howard Mays and Howard Kapp also participated in the pig endeavor. The following week, Vice Commodore Holly Murray teamed up with June Wiggins to prepare some great Lasagna and EggPlant something or other. (but it WAS good). Every one has been chipping in to help until we can get a new cook. We served the Ladies Bridge Club again this month with yours truly doing the cooking. The Ladies Auxiliary provided their own supper and had Long Beach Mayor, Robert Bass as guest speaker.

October is going to be just as active. The two biggest events will be the "1998 CRUISIN' ON THE COAST" on the 8th through the 11th. And the "1998 LBYC DRAWDOWN" on the 17th. There will be NO FORMAL DINNER served on Friday the 9th due to the Cruisin' Party. However, we will have Hamburgers, Hot Dogs and Rock & Roll! On the 23rd the Flag Officers will host a GIGANTIC Garage Sale on the Deck. We will also probably have another "Cook Your Own Meat" party with the "fixing's" provided by the Club. More on this through the grapevine. BUY YOUR DRAWDOWN TICKETS NOW!!!!
