

HOUSE COMMITTEE

Hello loyal LBYC members! Though Commodore Holly Murray's humorous introduction of this year's House Committee chairman at the Commodore's Ball was not a total fabrication (it actually took only one pitcher before I agreed to do it), I, along with my husband, Shawn (upon his return), truly do look forward to taking on the numerous responsibilities of this position for the next year. I know that, with a little help and a lot of suggestions from you, our supportive members, we should have many events and specials that everyone can enjoy. After all, it is YOUR Club, and I would love to hear any ideas that you may have that may enhance the friendly "everybody knows your name" (as Ted Thomas would say) atmosphere and service we already strive for. I would like to send special thanks to those of you that have already offered words of support, advice, and have volunteered your time and services: Ted & Donna Thomas, Howard Mays, Estelle Maxwell, Fred Parker, Tonda Yandell, and of course, Holly Murray. Thank you all! I greatly appreciate your support.

On Sunday, February 7th, get ready for what is traditionally the biggest blowout of the year for the Long Beach Yacht Club – the annual Mardi Gras Party following the Long Beach parade. As always, we will be jammin' with a coast favorite, Dr. Rock and the Interns. We will be serving beverages for all ages. Also, we will have the traditional red beans and rice served upstairs, and hot dogs with all the trimmings served downstairs on the deck. Just a reminder, the whole Club will be open to the public, so invite all of your friends, neighbors, and even people you don't really like that much. The more people that attend, the better for the Club. Wit any luck we will have better weather than we did last year. Then again, short of a hurricane, it couldn't get much worse. Either way, I know we will have a safe and wonderful time. Thank to everyone that has volunteered to help with the festivities thus far. If anyone else is feeling brave and would like to offer an extra hand, just get in touch with me or Holly, or simply show up on the morning of the 7th. There should be someone at the Club by 11 am at the latest, with plenty to be done.

On Valentine's Day, Sunday, February 14th, LBYC is the perfect place to bring your loved one to celebrate the joys of just being together, with a romantic waterfront view and service with a smile. Or, for others of us whose loved ones are on a Micronesian Island, more than 10,000 miles away (Hi, Shawn), and who will be spending "Black Sunday" alone, LBYC is the perfect place to have a few cocktails with loving, supportive friends. Which ever way you'll be spending the worship of St. Valentine, spend it with us. Look for Bartender's drink specials throughout the day.

On the evening of Friday, February 19th, the Club will be serving dinner buffet style. So, be sure to bring your appetite and join us as we throw a little twist into our Friday night routine. For the buffet menu, feel free to call the Club during the week prior. Let us know how you liked it.

In the mean time, I am happy to say the Club will be used by private groups for such occasions as wedding receptions, rehearsal dinners, dances, business meetings, and more (at which times the bar will remain open to our loyal members). It is nice to see that the word is getting around town that we have such a wonderful facility and a positive reputation for hosting private events. With help from our members, this reputation could continue to spread, which could help us financially and with recruiting new members.

In closing, I am recognizing a group of people that are essential to the success of our Club. This group is that of our valued employees. I look forward to working with each of you this year: Frank (chef), Todd (bartender and anything we can find for him to do), Dennis (bartender and resident wine and coffee expert), Kim (bookkeeper, bartender, and catering advisor), and Trent (Friday night dishes and kitchen support). Thanks again, and keep up the good work.

FEBRUARY 1999

FROM THE BRIDGE

I have to say that Long Beach Yacht Club brought in the New Year with a bang! If you weren't at the New Year's Eve Party, you missed a good time! If you haven't thank Ted Thomas or Grace Leo please do so the next time you see them, I think they did a wonderful job of putting it all together.

Right after New Years a few of us had to make the yearly trip to Fairhope Alabama for the GYA Winter meeting. I would like to thank those who went to represent the LBYC: Ted Thomas, June Wiggins, Dave Van Dyke, Leo Potvin, and Marguerite Hess. It was really nice of them to take time out to be there, I think we all found it very informative.

I want to thank everyone for attending the Commodore's Ball, it was wonderful seeing everyone together showing their support. I would like to especially thank Estelle Maxwell and Howard Mays for the beautiful decor and wonderful food. It was truly a heart warming moment for me that I will never forget.

I am extremely honored in taking this position and I will do my best for the Yacht Club. I want the membership to know that you may call me with any questions or concerns. I am hard to get a hold of sometimes but I do have a message machine and will call. I think the Club has a lot of wonderful people working hard to make it a success, being a committee head or board member is a lot work. Please take time to talk with them about your interest and concerns, but its also nice for them to hear words of support and thanks. See you at the Club. ☐

LADIES AUXILIARY

The Auxiliary started off the New Year with their meeting at the China Palace on January 19, 1999. The meeting was hosted by the out going officers, President June Wiggins, 1st Vice -Barbara McKay, 2nd Vice-Jeanne Marietta, Secretary-Barbara Kimball, and Treasurer-Charlotte Wyrick. The tables were adorned with beautiful potted Kalonchoes. We all selected our own meals from their vast menu. The food was absolutely wonderful!!

Grace Lebo and Jeanne Marietta asked if anyone had any Mardi Gras beads they would like to donate to the Krewe for their float. If anyone would like to help them out, please bring your beads to the Yacht Club or call Grace or Jeanne.

June Wiggins asked that anyone willing to help work at the Mardi Gras party to let her know. It takes a lot of volunteers to have successful events for our Yacht Club.

Installation of the Officers for 1999 were presented by Grace Lebo. The new Officers are; President -Jan Woodward, 1st Vice-Barbara Kimball, 2nd Vice-June Odom, Secretary-Donna Thomas, and Treasurer-Maxine Batey. All of the Officers received a beautiful corsage. June Wiggins was presented with a beautiful pin with a silver lighthouse and a gold sailboat and a pair of silver anchor earrings for all of her hard work and dedication over the last year as our President. Thank you again, June!!

Lucky Lady for the evening was Merle Hammond. Door prizes were won by Stephanie Bass, Verna Steagall, Jan Woodward, June Wiggins, Gloria Webb, Maxine Batey, Julie Noble, Eloise Ballard, Joan Boswell, Barbara Kimball, and Merle Hammond.

Our Next meeting will be held on February 23rd (NOT the 16th, Mardi Gras) We will have our annual Meet The Commodore. It will be held at Long Beach Yacht Club. ☐

DICK MARX

ENTERTAINMENT COMMITTEE

Lots of news this month! First, everyone who attended enjoyed a great time at the Commodore's Ball. We welcomed Holly to the Commodore position, the first woman to "wear the cap" for the Long Beach Yacht Club! We know she'll do a great job; she's already proving that. Congratulations again, Holly, from all of us!

Estelle Maxwell and Howard Mays again outdid themselves in hosting the Ball. Estelle's planning and Howard's delicious foods assured a great evening. Estelle asked that we be sure to thank Sharon Hust who made the lovely table arrangements as well as the following who helped with the setting up, cleaning, decorating, cooking, etc: Nancy Secrist, Hal Campbell, Patsy and Fred Parker, and Jim and Grace Lebo. It's really great when people work together to assure an outstanding event! Thanks to all. Mark your calendars now for the next great event! The Mardi Gras Party is all set to take place at LBYC on Sunday, February 7th, following the Long Beach parade! Dr. Rock will again regale everyone with his Mardi Gras music as we dance on the lower deck; red beans 'n' rice along with plenty of hot dogs will be on sale to offset any hunger pangs; and everyone's choice of beverage will quinch any thirst. So plan now to attend for a rockin' good time!

Erin go brag! And a happy St. Patrick's Day to all! Chester Null has been searching among the 4-leaf clovers and has found an authentic Irishman to bring the music to our St. Patrick's Day Party - set this year for Saturday, March 13th, at 7:00 p.m. Jim Flanagan of Hattiesburg plays at Finnegan's in Jackson, MS as well as other places, and is a great hit! We look forward to having him provide our St. Pat's music. Tickets will go on sale soon for \$15 each - and that purchases one's choice of dinner, either corned beef, cabbage and potatoes or honey mustard chicken over rice pilaf with green beans. Also included in that ticket price will be FREE draft beer, well drinks, house wine, and soda. An Irish coffee special will be only \$3 per cup! With Irish jigs, an Irish Reel, sing-alongs, and regular dancing, this will be an evening that will be remembered for a loooo-oong time! So make your plans now to attend!

Other plans in the making include another poolside party in June, a Half Year Party in July and the Second Annual Family Fun Day along with a pig roast and luau in August. We're gonna have a great ol' time at LBYC this year, so come on out and enjoy!

See you at the Mardi Gras Party when the Krewe of Bells and Buoys' pink Cadillac with Elvis and Priscilla returns to LBYC following the Long Beach Parade!! ☐

GRACE B. LEBO**KREWE OF BELLS AND BUOYS**

Mardi Gras season has begun and we are busy getting our float and costumes started. We are going back to the 50's with poodle skirts and letter sweaters for the girls and black jackets and caps for the guys. And oh yes!, Elvis is alive and driving us around in his pink Cadillac. Our float theme for the Orange Grove parade on February 6th is Famous lovers, Elvis and Priscilla; for Long Beach on February 7th, Elvis salutes the Tri-Centennial; for Gulfport Gemini on February 13th, Elvis says it with Music.

Come out and support us at the parades. Yell loud and you might get a special treat from Elvis himself. Laissez Les Bon Temps Rouler! ☐

SUE HOVER**ONE DESIGN**

Last year was a success for the Flying Scots- But now that I now more of what to do and how to do it- we can make this a really great sailing year! We want to participate in more regattas with more people and have a good time doing it. We have plans for adult sailing lessons; Wednesday night sailing; and if we can- get a pro sailor to give us a seminar on racing. Come join us for a great sailing- racing season! ☐

JUNE WIGGINS**LADIES AUXILIARY PAST PRESIDENT**

I would like to thank all the ladies in the auxiliary for their support and help during the last two years. I am sure the new president, Jan Woodward, will have a great time with your continued support. Looking forward to a great year! ☐

JUNE WIGGINS

HANDICAP RAMP

Now that the holidays are over and things are more nearly back to normal, it is time once again to begin completion of the handicap ramp. We need to lay a non-slip surface on the ramp itself, build the cement incline from the ground to the lower deck so that wheelchairs may be easily rolled up to the ramp, and put some type of roof over the ramp so that those using it can stay dry during wet weather. Those of us who use it now are sincerely grateful to all LBYC members who made the ramp possible. Thank you!

Howard Kapp continues to carry to the recycler all the aluminum cans that members collect and bring to the Club which brings in quite a bit of money to the fund. We appreciate Howard's work. However, the more cans collected and brought to the Club means that much more in funds for the ramp. We urge all members to bring these cans in. Collect them in a plastic bag at home and bring them whenever you come to the Club, placing them on the lower deck under the back stairs. Thanks to all who do.

Mark Saturday, April 17th on your calendars now!! On that date we will have a "Cook your own meat dinner" at LBYC. Bring the meat you like - there will be donated salads, breads, and condiments. The barbecue apparatus will be in place, and we'll really enjoy a wonderful get-together. Bring \$3 to donate to the ramp and help with completion of this project! ☐
