C'mon out and get your ticket for the DRAWDOWN! This is our annual fundraiser for LBYC, and we're hoping to make it a true \$5,000 Drawdown this year! To do so, we must sell at least 200 tickets - so do support your Club! The Drawdown is set for Saturday, 23 October, at the Club. Tickets are \$50 each, admit 2 for a delicious meal, and give the buyer a chance to win \$5,000. Tell your friends and neighbors – help them buy a ticket or two or three. Several people may pool their funds and buy one ticket.

Tickets may be purchased from your Flag Officers and from most Board Officers or at the LBYC bar. They may be charged to your LBYC Account. Want a special number? Give me a call, and if it's not already sold, it's yours!

LET'S ALL GET OUT AND SUPPORT OUR CLUB! See you at the Drawdown!

Mark your calendars now for the Harvest Moon Ball in November. Due to unforeseen circumstances, the date had to be changed to November 20th – but a really great time is planned! Estelle Maxwell, hostess for the Ball, has an article in this month's newsletter with all the details. Be sure to read it and make your plans now to attend!

FROM THE EDITOR

Articles are accepted for publication in the newsletter from any member. If you wish to have an article included in the newsletter, please write it down and place it in the "Newsletter" box located in the passageway at the Club. Articles received after 5:00 pm on the 25th of each month run the risk of missing the publication for the 1st of the following month. The editor does not take articles for publication over the phone. You must write your article. You may also email your article to jfleming@datasync.com. Email is the preferred method. Emails received after the 25th of the month run the risk of missing the publication for the 1st of the following month.

If you have an insert to be included in the Newsletter, you must provide ample copies for the entire mailing. This is because postal regulations require that each item in a Bulk Rate mailing be identical. Presently we are mailing about 225 copies each month.

SUE HOVER

ONE DESIGN

Hi sailors! We had a great time at the Sr Lipton regatta. It was beautiful weather and three great days. I would like to thank Leo Potvin, Marguerite Hess, Scott Meyer, Paul Murphy, Dave van Dyke, Holly Murray, Lisa le Beau, Ted Thomas, and especially Bo Clarke.

We have race week coming up on October 16th and 17th. We need all help we can get. Call Ted Thomas at 388-4834 or June Wiggins at 864-6896 if you can help. Come and support your Club, even if its just to give moral support!

We have two more regattas after that! And that is the year! □

JUNE WIGGINS

A NOTE OF THANKS

We would like to take this opportunity to say a very heartfelt thank you to Holly Murray, Frank, Scott, and Stephanie of the Staff, Bo Clarke, Fred Parker, Ted & Donna Thomas, June Wiggins, and anyone else that we may not have visibly seen but were working and helping. Our daughter, Cherie, was married September 11th, and we held the wedding reception at the Club. Everything was wonderful. We heard so many comments about not only how good the food was, but how plentiful and how it was presented. All in all, everyone felt very comfortable and had a great time. We truly appreciate everyone's efforts and hard work and especially Holly for putting up with the nervous mother-of-the-bride.

If any of our members or anyone you know needs a place to have a party, reception, reunion, or whatever, you need to think about our Club. You won't be disappointed. □

Our thanks again.

JOHN AND JULIE NOBLE

ENTERTAINMENT COMMITTEE

Again LBYC is offering the best dining and dancing bargain on the Gulf Coast - the forthcoming Harvest Moon Ball. There will be a prime rib dinner plus free well drinks (includes draft beer, house wines, and sodas) along with an excellent band. Please make a note that the date of the ball has been changed from the originally announced November 13 to the following Saturday, November 20. Members are encouraged to begin now to get your jolly group together, put on your dancing shoes, and come out for a grand evening of fun and frolic and a delicious menu.

Aside from the Commodore's Ball, this event is our "biggie" soiree of the year. For this reason the committee is kindly requesting that the ladies wear one of their after-five ensembles, and that gentlemen wear either a suit or slacks and a coat.

Howard Mays and his cooks promise a delectable meal, and Art D'Orio's orchestra always guarantees danceable tunes to please the tastes of all. This ball provides a great opportunity to invite your friends or potential club members to join you for a very special evening.

Reservations will be required. Be sure to make yours early by calling the Club (868-8229), Nancy Secrist (864-4333) or me (863-3487). Grace Lebo and members of the Entertainment Committee will also have tickets available.

This social event will be a spirited way to welcome in the hastily approaching holidays, so let's all break out our rhinestones, and plan to have a ball! □
