FROM THE BRIDGE

I hope everyone is recovering from the shock of September 11th. With God's help we will recover and overcome this terrible tragedy. Our prayers go out to the families who have lost loved ones.

The Club has had a good year so far. The Drawdown is coming up October 20th. Be sure to get your tickets before they sell out. Don't forget *Cruisin' the Coast* October 3rd - 7th. If you can volunteer in any way, contact Tonda Yandell. Thanks to Tonda and all her helpers who worked on sprucing up the Club. Tonda, what would I do without you?

If you haven't been down on Thursday evenings, you are missing a great night at your Club. Bring your own meat and grill it, and we furnish the trimmings for a small fee. Friday evening dinners are doing great.

Be sure to mark your calendars now for the General Membership Meeting to be held on the first Wednesday in November - November 7th at 7:00 p.m. This is your major opportunity to elect Board members and Flag Officers and influence the direction you want your Club to go.

We'll see you at the Club.

VICE COMMODORE

Hello Fellow Sailors and Other Yacht Club members!

September has come to an end, and as we attempt to put the events of Sept. 11, 2001 behind us, let us all remember the things that make this country great. While we go on with our lives, we will not forget those who have suffered, and we will show the world that we will prevail. It is my hope that we can get along a little better, give someone a hand, or just smile at each other for no other reason than to pass on a little happiness. In that light, I ask each of you to get out, come to the Club or any other public place and spread a little cheer and good will. Spend a little extra time in your neighborhood talking with your neighbors. We have had some terrible things happen, and during the fight to rid our world of those who would hurt us, we will have some setbacks which will require support and understanding from others.

Back to sailing and such...

Karen, Marguerite and I had a great time in Biloxi and we will have been to Fairhope, AL by the time you read this newsletter. The hot weather is giving way to fair skies and cool breezes, so get out there and enjoy it while it's here. Don't forget that we are still having *Cook-your-own* on Thursdays; Monday night football is in full swing; and as always, Friday dinner. Please come by the Club and spend some time because we all need to get out and socialize. Hope to see ya there.

BO CLARKE

FLEET CAPTAIN

Hi, Sailors!!

It's Fall, and I think Fall is the best time to sail! We had fun at Biloxi Yacht Club on September 15th. It was a beautiful day! We will return from Fairhope September 30th. Fairhope is one of my favorite regattas - just a beautiful setting - and lots of sails up!

We have one more GYA regatta in Pensacola on October 20th. That will be our last for the year.

We are hosting the Walet Regatta at LBYC on October 13th - just a fun regatta with all sizes of boats! Should be fun! Come join us - bring your boat - all are welcome!

NORM'S FISHING REPORT

A few weeks ago I went on a fishing trip with five of my fishing buddies out to Freemason. We only caught 57 specks and a few redfish, but hey! When you fish behind Kenny Woodward you're lucky to catch anything, there are so few left. Good going Kenny! By the way, Kenny told me he will soon be leaving to go back to work. We'll hate to see ya go, buddy.

Check out the "Great South Outdoors" fishing show at 9am, Sunday mornings on WLOX, hosted by Berry Foster. It debuted on September 23rd as part one of a two part series about wade fishing around Cat Island. Foster's featured guest was Scott Simpson, fishing guide and Captain of Impulsive Fishing Charters out of Long Beach.

See you on the water!

LADIES' AUXILIARY

Our thanks go to all those who purchased tickets and helped to make our Annual Bunco such a great success! The Auxiliary members outdid themselves with the delicious hors d'oeuvres they provided for the evening. More than well worth the \$5 ticket just to partake of those delicious offerings! Our special thanks to Norm Yandell and Jim Lebo who arrived the Monday evening before the Bunco Party and helped us arrange the tables, clean up the place, and get ready so we could decorate for the event! We do appreciate you guys!

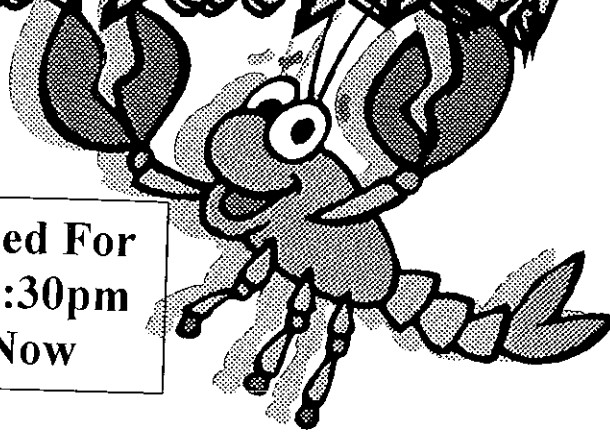

The next Auxiliary meeting is set for Tuesday, 16 October, at LBYC. This will be our Annual Auction. All ladies of the Club are cordially invited. We bring great items and auction them off among those present to help our Club. Hostesses for the event are Jan Woodward, Barbara McCay, Verna Steagall and Catherine Woodward. Meals will be ordered from the menu. This promises to be the usual fun, happy event as in the past.

Our Nominating Committee has been named: Jan Woodward, chairperson, Catherine Woodward and Stephanie Bass. They will present our slate at the November meeting to be voted upon with installation at the January 2002 meeting.
