The new Flagpole Complex, thanks to Glenn Bohne, Bo Clarke, Howard Kapp & Steve Johnston. Others have volunteered with the Crawfish Boil on Friday nights (What a Great Success for our Club) Glenn Bohne, BO Clarke, Paulette White & Karen Hoselle. Thanks to Tonda & Norman Yandell for a great Oyster night. A special thanks to Uncle Floyd and The Copa Casino for the donation of various type glassware and dishwasher inserts that fit our Hobart. Also our thanks to Dick & Lynn Mulford for the gift of outdoor burners.

Martin Jones did a wonderful job putting our Grill together for the raffle to benefit the Junior Sailing Program. Last but not least thanks to Peggie Ann Murray for the Monday Night Blue Plate Specials, the food has been great. If you have not been to your Club on Monday nights for dinner you are truly missing out.

Frank Brock has accepted the Membership Chairmanship. He is a new member who joined last year and is going to help us recruit some new members. If you have any ideas let Frank or myself know.

Plans are not firm but on May 24 or 25 there will be The Great Ship Island Race where each MS. Gulf Coast Yacht Club from Ocean Springs to Bay Waveland has a coordinated start from their club to Ship Island. Sounds like fun & I hope we can participate. Call the club later in May when we know more details.

~~~~~  
REAR COMMODORE

The Friday night crawfish was a huge success during the Lenten season in March and April. Thanks go out again to those mentioned in last month's newsletter along with a special thanks to Gus and Joyce Pialet. In May we have the 3rd annual fun fishing rodeo scheduled for the 3rd Saturday, May 17. There will be a boat captain's meeting scheduled for the Friday night before the rodeo begins. Entry fee is \$5.00 per fisherman or \$20 per boat load of fishermen. Following the rodeo there will be a fish fry. Donations of fish, beans, coleslaw, potato salad, etc. are welcome. Come on down and be a spectator if you don't want to try to catch a fish.

Please note the new flag pole assembly at the rear of the club. The assembly has a flag pole mast, yardarm and gaff. Thanks to some friends, acquaintances and associates we were able to obtain the materials, build the assembly and have it installed for a pittance. The actual raising of the mast was on April 19 with the help of Howard Kapp, Steve Johnston and Bill Caraway. Howard Kapp gave the assembly a good paint job so it should last a long, long time.

Mark you calendars for Saturday, June 14. That is the day of the Cochon De Lait- Pig Roast- Luau by the pool. Come dressed appropriately. Come and you are guaranteed to get lei-ed.

A kids fishing rodeo is scheduled for Saturday, June 21. There will be prizes, trophies, Cokes, hotdogs, T-shirts, etc. for the kids. Look for more information in the next newsletter.

Coming soon to the back of the yacht club overlooking the lovely Long Beach Harbor, a volleyball court for the enjoyment of Club members and guests who have the energy to burn or the need to burn energy.

Come enjoy your club. We try to pass a good time.

GLENN BOHNE

**Rear Commodore,
Entertainment Chairman**

VICE COMMODORE

Oyster night at your club on March 28 was as usual, another well attended event and as usual Tonda coordinated the event like a pro. Thanks to all for a job well done and thanks to you members who supported your club by attending. We will all miss the Friday night Crawfish boils that Rear Commodore Glenn Bohne orchestrated for several weeks in March and April. Next month expect to hear about the success of the big Saturday, Crawfish boil and live band event on April 26.

With the change to day light savings time, we now have time to wet a hook before dark or get the yardwork and honey do lists worked on in the evenings freeing up the weekends for fishing or playing. Some us who attempt to fish enjoy the boat ride, scenery, camaraderie, food and beverages just as much when we don't catch a lot of fish as when we do. The weather is still nice enough to enjoy fish frys outside at night with just the occasional swat at a mosquito or a gnat.

The Ladies Auxillary had a big Bunco night with 18 tables of players. Word is that the event was so successful we might see another Bunco night before the end of the year.

The race and sail committee is raffling a Char Broil gas grill (On display in the Sea Breeze lounge). Check it out it is a nice grill with a retail value of \$200. The raffle tickets are \$1 each or 6 for \$5. The drawing will be held at your club on Saturday, June 28 so that the winner will be able to use the grill for cooking up a feast on the 4th of July. Get your raffle tickets from any Flag Officer or Board of Governor member.

House Committee Chairperson Peggie Ann has special plans for a Mother of all Mother's Day Luncheon. Reservations are required. Reservations are coming in rapidly so make your reservation today. This event is Sunday, May 11, 2003.

The Saturday following Mother's Day, the third annual fun fishing rodeo will take place. Please make plans to attend the May 17th event for a fun day of fishing, food and fellowship. Check with Glenn Bohne for further details.

You may have notice by now that there is a new flag pole mast, yardarm and gaff at the rear of the club. The previous flag pole had deteriorated so much that it had to be removed. Commodore Bill Caraway wanted to make sure we had a place to fly a flag by Memorial Day and thanks to the ingenuity of Rear Commodore Glenn Bohne the materials were obtain the parts assembled and assisted by several members had it installed in late April.
