FROM THE BRIDGE

**Dear Fellow Club Members:**

It's Beautiful ----- Have you noticed the wooden rendition of the Club Burgee. It's on the North side of the building above the Crepe Myrtles. Thanks Dick Urban. He also replaced 2 of the LBYC Letters on that same side and Steve Johnston donated the plywood. Others who have volunteered this month on cleanup/fixup day include Howard Kapp, Glenn Bohne, Martin Jones, Bo Clarke, & Gus Pialet.

Notice the Club hours. We want to take advantage of all the summer has to offer.

The Kids Fishing Rodeo has been rescheduled for August 2. This will be open to all the children in the community. Please volunteer your time. Details will be available soon. George Wright, longtime Weighmaster for The Mississippi Deep Sea Fishing Rodeo has agreed to weigh our Children's Fish. Block your calendar.

Mother's Day was a class act. Thanks to all who helped. A special Thanks to Howard Mays, Estelle Maxwell, Martin & Cathy Jones, June Wiggins, & Marguerite Hess.

Let me close with a special thanks to Peggie Ann Murray, House Chair Person who fills in where ever needed, Cook, Bartender, Waitress, Etc. I really appreciate your help.

COMMODORE 2003**

**FLEET CAPTAIN**

Summer is upon us in full bloom. We have now participated in two Capdeville races. Our upcoming events are the Chapmans regatta on May 31 and June 1 and then the Weatherly Regatta at Gulfport Yacht Club the weekend of July 26-27.

Thanks to Bo Clarke, June Wiggins and Kaleb Okeefe for sailing in the Spring Regatta at Buccaneer Yacht Club in Mobile. Lots and lots of wind and a few minor mishaps which I'm sure they will appreciate me not going into detail about. Let us just say "good recovery guys!". The race on the second day was canceled due to bad weather. Looks like some of the wind that we've been having the last several weeks has finally decided to let up a little.

Still time to register for Junior sailing lessons. Application with details and dates will be in this newsletter again.

**Fleet Captain**

REAR COMMODORE

June is going to be a busy month around the LBYC and we need your help. Starting the first of June we will have extended hours at the Club since schools are out, the weather is nice, members and their guests are enjoying the pool, using and working on their boats and activity around and in the Club moves to a higher level . We are calling for volunteers to cover the kitchen for short orders and sell beer and soft drinks from Noon to 5:00 on Saturdays and Sundays beginning June 7. Two volunteers (couples) are needed per shift, split shifts are available and encouraged. Please put your name on the roster in the Sea Breeze Lounge. You can choose to volunteer for an hour, two hours or whatever time you can spare. This is great opportunity for you to visit with or become acquainted with your fellow members and their families as well as reduce the staffing needs of the Club. While on the subject of volunteers, we are in need of "pig watchers" for the roasting of the pig starting late afternoon of Friday, June 13 all the way up until Noon on Saturday, June 14. Sign up for two hour shifts or all night long, fun guaranteed. Once again look for the sign up sheet in the Sea Breeze Lounge. Just so we can have a head count to make sure we have enough "fixins", please call the Club by Wednesday June 11 if you plan to attend the cochon de lait (luau) on Saturday June 14.

A huge thank you to all who made the Mother's Day Buffet such a huge success, Howard Mays, Estelle Maxwell, Peggie Ann, our special kitchen help, Ms. Rupert and to all the 70 or so members and guests who chose to honor their mothers with this special event at our Club.

Monday night's Blue Plate specials are a hit and the crowds keep growing. Thursday night grill "your own" continues to be a great event every week at the Club. Starting Friday, June 6, we will have a drawing, the winner will receive a \$100 credit toward their Club account, names of all active members will be placed in a drum, you must be present to win. If there is no winner the amount of the next drawing increases by \$10. Drawing will be at 9:30 each Friday night in June. Come on down, you do not want to see your name in the newsletter next month under loser of the week, and say, Wow, I should have been there.

Be on alert that the LBYC Kid's fun fishing rodeo has been rescheduled for Saturday, August 2. Commodore Bill Caraway is putting a plan in place to make this a very special event that will make our members proud.

As you know we are not afraid to try new things to "test the water" here at the LBYC so if you have an idea that will be fun to try give us a shout. Until next month

## VICE COMMODORE

Before we start on our usual submission to the monthly Long Beach Yacht Club newsletter let us pause and offer our heartfelt condolences to the families of two members who passed away recently, Ms. Gloria Webb and Dr. Richard Little. Condolences also go to Paulette White and her family for the loss of Paulette's mother.

"Better Late Than Never" was the name of the band that played at the Crawfish Boil on the deck in late April. Although not as well attended as last year's event, the party was a success because of the funding by way of sponsorship fully paid for the event and the sponsors all seemed to have a great time eating lots of crawfish, corn, potatoes, mushrooms, artichokes, onions, listening to the band and enjoying their favorite beverages. Lon Moran and his brother boiled up some very good mud bugs. There were plenty of volunteers to sell tickets, dish up crawfish and sell beverages. A special thanks goes to the sponsors and volunteers who made this event possible.

Your Flag Officers and Board of Governors were decked out in their "Sunday Best" uniforms to help make the mother's feel honored on their special day at the Club, the Mother's Day Buffet. Each table was set with beautiful arrangements featuring spring flowers. The selection of entrees and desserts were some of the finest ever offered at the Club. This well attended special event was orchestrated by House Committee Chairperson, Peggie Ann Murray with special assistance from Ms. Estelle Maxwell, Howard Mays and Ms. Rupert.

The sailing program is underway. This year the Commodore Bill Caraway wanted more emphasis returned to our sailing program. The Club's three Flying Scots will soon be rigged and ready thanks to new rigging being purchased and volunteers installing the parts (Past Commodore Bo Clarke), and the Scot's trailers are being repaired by former Commodore Howard Kapp. Our Club was represented at recent races by sailing one of the Flying Scots at the Mobile Yacht Club and at the Buccaneer Yacht Club. It was hard to get the participants in the races to give us the details. They all said, "Bo knows". Perhaps the Fleet Captain can shed more light on the results or maybe Bo Clarke will one day tell us the results.

You may have noticed that the LBYC letters on the front of the building have been freshly painted and that the burgee has fresh paint as well. Now it is time for the rest of the story. Two of the letters and the burgee are brand new. For this we can thank Dick Urban who cut out painted and installed the new letters and burgee. Installation of the burgee was with the assistance of friends of Rear Commodore Glenn Bohne. Mr. Bohne's crew also made other repairs in high places while the special equipment was available to the Club.

OK guys it is time to get out the Hawaiian shirts and find that pair of sandals and gals dig out that grass skirt and or pool attire and get on down to the Club. Mark you calendars for Saturday, June 14 for the luau around the pool, featuring roasted pig. Volunteers are needed for shift work during the night of June 13 for a farewell party for the pig, to watch it cook or something, just check with Glenn Bohne if you want further details or to sign up.

Last but not least, we wish Board of Governor's member Tom Steen a speedy recovery from his recent surgery and hope to see him soon back at the Club.

**MARTIN JONES**  
**Vice Commodore**

## **LADIES AUXILIARY**

The Ladies Auxiliary met May 20<sup>th</sup> at the Club. The hostesses were Estell Maxwell, Dottie Persons and Yvonne Smith. As usual the food was delicious, the fellowship was outstanding and the door prizes were lovely.

Pam Welch gave a brief tribute to the late Gloria Webb, a charter member and a dear friend.

Wendy Vickers of Gabrielle's told us about her shop. She also brought prizes, which were won by producing items from our well-stocked purses. Merle Hammack, Jeanne Marietta, Peggie Ann Murray and Barbara McCay were the lucky winners. Plans for a September fashion show were discussed. More later about that.

Chris Platt, Pam Welch, Cathy Jones and Dottie Persons won door prizes.

The June meeting will be at the Club on the 17<sup>th</sup>. We will celebrate everyone's birthday.

## HOUSE COMMITTEE

### **Ahoy Mates,**

Mother's Day was a Great success. The Magnolia Room was decorated beautifully thanks to Estelle Maxwell. And the food was excellent thanks to Howard Mayes supervising over the kitchen. Thanks again for a wonderful job.

A special thanks to Steve & Susie Johnston for the case of Flat Bread that they donated to our kitchen. We have really enjoyed the wonderful taste on our Thursday Night Buffet.

We finally have a new cook in our kitchen. His name is Damian Smith, from Pass Christian. He has worked at Chappy's, Steve's Marina and Casino Magic. Look for some new and exciting dishes on Friday nights. Come by the kitchen and meet Damian and make him feel welcome.

Karaoke is still successful and growing with new people each time. We have some good singers that come out. But more important we all seem to have a good time, singing, dancing or just listening. And remember the kitchen is open on Karaoke Saturday Night. We may be the only Karaoke Supper Club on the Coast.

Monday Night Blue Plate Specials are still going very well. We will continue with them as long as we have good turn outs.

Thanks for allowing me to be your House Chairperson. I rally enjoy my job.
