## **VICE COMMODORE**

### **We Are On a Roll Now**

Saturday saw a work crew down at the club cleaning, grading, removing debris and clearing the pool. The work actually started during last week with the retrieval of one of the Flying Scots and is continuing this week. Bill, Claude, David, Dick, Freddy, Glenn, Howard, James, Kurt, Lawrence, Mary, Michael, Ramona and all of those I forgot, Thank You! And to all of you that help with the unmentioned day to day running of the club we recognize how important you are and will be to the recovery of LBYC.

The Board decided Wednesday, 2/1/2005, that a double wide commercial style trailer will be the best for a temporary club and the trailer crew (gives new meaning to trailer trash) should have it purchased by the time you read this. We have the permit from the city in hand.

Dick, Dick, Martin and James (Esp. Dick M.) have loaded all transactions since August 1, 2005 into our new computer and the enclosed billings are the result...No interest will be charged for the intervening five months : - )

As you know we have received the wind insurance check but payment by the flood insurance is still undecided. However our confidence level is increasing.

No action yet on the new club building beyond acquiring a copy of the old prints from the builder and a lot of thinking. It will be months before the city and FEMA have finalized the new requirements but please feel free to give your ideas to the Board. We all have the same stake in what will be ours in several years.

Please update your pertinent information, if it has changed or is not correct. Use the form on the back. Cut out and send to:

Long Beach Yacht Club  
P.O. Box 97  
Long Beach, MS 39560

## **REAR COMMODORE**

Hello fellow members. We have been through a lot in the past months. But it looks like it is definitely getting better. We will have a temporary clubhouse soon. They are working on the pool. We are having a Commodore's Ball. We were going to have it in early March, but that is a little too soon. We are trying to get everything together – the band, the food etc. for March 18<sup>th</sup>. So watch for your invitation. See you there !

**JUNE WIGGINS**

**Status on boats:** Before Katrina one boat was trailered to club member Bo's house. One boat was lost and never found. The third boat was washed about a mile from the club, retrieved by Kirt, David, James, Dick, Howard, Mike and Claude, and trailered to Claude's house. They have started to clean it up and a group will be doing repairs.

It's almost the beginning of racing season. Once repaired these boats will be available for sailing, racing, and training of novices who want to learn. Please contact a Flag Officer, Board Member, or Executive Officer if you want to sail, race, or receive training.

**CLAUDE DANNEMANN**
