FROM THE BRIDGE

Saturday, Sept. 30, James and Mary and Dick and Karen enjoyed the Wadewitz Regatta from the new deck/gazebo of the Fairhope Yacht Club. The weather was great and we enjoyed just watching the races especially when our boat and three others were four abreast to the finish line. The sailing team continues to make us proud with their effort this season, the most active in many years. Thanks all!

Saturday, October 7th club members and others enjoyed a cruising party. Gus from Cajun Crawfish Hut cooked hamburgers and Bobbi provided her always wonderful Poboyos. The outside Tiki Bar (thanks Julie) was open and Chuck and Bobby Ryan furnished the music. We had a large crowd and soooo many beautiful cars. Everyone had a great time and the weather, as contracted, was perfect.

The Board of Governors meeting was held Tuesday, October 17th instead of Monday because of Monday Night Football. The Vice Commodore, chaired the meeting as the Commodore was off enjoying their yacht with his beautiful young bride in an exotic, secret, Deep South, sun drenched, alcohol cured, barefoot location also known as Madisonville.

The club has not done as well as expected with Monday night football events, but for those who came or will come we have had some very delicious meals and the big screen action is spell binding. Well, maybe it does depend on which teams are playing.

Bobbi is doing good job as club manager. She has had excellent meals available on Friday and Saturday. "Come-on-by" and check it out.

Thursday, the 26th the new Optimists arrived and should be a boon to our young aspiring sailors and the LBYC competitive sailing programs. One is set up inside the Club for everyone to see. We hope to be catching some wind with them by next month.

As always June did a great job with the Halloween party Friday night.

Don't forget Thanksgiving Dinner with your LBYC family on Saturday 11/18/06.

There will be a Christmas decorating party on 12/02/06. Please bring an ornament!

The Christmas party itself is scheduled for 12/16/06.

We will all miss you Guy! Mr. Woodward was one of our founding members and a key individual in the formation and continuance of LBYC. Oh what fun it was just to be with him and to listen to his stories or views. Our heartfelt condolences and love go out to Katherine, Ernie, Susan and all of the Woodward clan.

Upcoming Races:

Oct 28-29, Nov 4-5, 2006 Lake Pontchartrain Racing Circuit (LPRC) - racing around Lake Pontchartrain
- PHRF

I ordered Optimist sailboats for the Youth Sailing Program and they arrived on October 26, 2006. Four of the boats are LBYC and Holly purchased one boat for her daughter, Maddy. Kert, James, Holly, Jasmine, Ramona, Claude received the boats at the yacht club and we're storing the LBYC boats at Kert's house. Since she was so excited about having her own boat, as soon as she got her boat home Maddy did some tacking and jibbing in her new boat in her front yard! Go Maddy!!!

Any youth interested in joining the LBYC OPTIMIST GREEN FLEET please contact Holly Murray 228-363-0073, 228-863-6880.

Optimist Green Fleet **Mission:** Green Fleet is designed as an introductory level of Optimist racing and all are participating at an elementary level of expertise, many for the first time. Racing at this level is designed to be a positive introduction to competitive sailing.

LBYC raced in the Wadewitz Regatta Sep 30-Oct1, 2006 at FairhopeYC, AL. On Saturday the races were delayed because there was no wind until about 1:30pm. Joey, Randall and Claude raced in Capdevielle (Flying Scots). Free Spirit (Skipper Tom, Lydia, Burt, and some friends) tied for 2nd place in race2 and placed 3rd overall in Class in the PHRF. You can go to <http://www.fairhopeyachtclub.com/RegattaPages/Wadewitz/PHRF-Results.htm> for more race results. James, Mary, Dick, Karen, and Ramona enjoyed watching the races from one of Fairhope YC's beautiful gazebos. Holly, Jasmine, and Ramona were there on Sunday to race, but there was no wind on Sunday, and finally at 12 noon the races were cancelled, so our women's team did not get to race.

Free Spirit also took first place in Class in the West Florida Ocean Racing (WFORC) Oct 13-15, 2006.

LBYC raced in Schreck Regatta Oct 21, 2006 at Pensacola YC, FL. There was enough wind to race so our women's team (Holly, Laura, Jasmine) raced all three races. Claude and Ramona watched the races from the PYC clubhouse.

Thanks to all who raced and those who gave support!

Schreck Regatta was the final Capdevielle regatta for the year. LBYC raced in ten out of the sixteen races of 2006 Capdevielle.

I would like for some volunteers to help repair the two flying scots and two 420s.

If you can volunteer to help, please sign up on "**Sailboat Maintenance/Repair Sign-up Sheet**" on Sailing Bulletin Board in the clubhouse.

Captain Kert (our expert sailing instructor) is still teaching sailing classes Saturdays, when not a race day.

Hello fellow Yacht club members!

I hope you came to the Halloween party- it was great fun! We got to dance with the music from Randy C. Had some great looking costumes and some fun games.

Our next fun thing will be the Thanksgiving Dinner put on by Bobbie and a few friends- that is the weekend before Thanksgiving. After that on December 2nd we are having a tree decorating party- bring an ornament. There will be dinner available for purchase.

On December 16th we will have the club Christmas party!. This is a pot luck (bring a dish), some Christmas music and some Christmas spirit AND bring a present! We will have a Chinese gift party. (keep the gifts around \$15) This is always a fun time and its even better if we can get together with all of our friends!
