FROM THE BRIDGE

James: Commodore

Dick: Vice Commodore

Spring

"Oh Those Harbor Lights," LB Harbor is heading toward normalcy.

The LBYC continues to move forward with the Building Committee authorized to spend money for certified engineering on the underpinnings and floor of a 50' by 90' footprint building (same footprint as the old building). They also have the floor plan pretty much finalized and if you see Dick Marx, he has a copy of the latest. A general meeting will be called as we get closer to hard plans and renderings.

Howard has the pool looking great and the grounds continue to look better every day. On 5/12 the Woman's Auxiliary, with June and Julie coordinating and cooking, sponsored a pool party. Chuck Ryan provided entertainment.

To coincide with the beautiful weather the pool is now open on Sunday.

Thursday nights continue to be banner affairs with a croquet game for all interested commencing at 6 PM (white not necessary : -)

Holly's sailing lessons are destined to be a big hit again this year.

See the calendar for a summer full of activities

The American Wind Symphony was to perform a concert on their barge in the LB Harbor but due to weather they were forced to perform at the Methodist Church. Julie saw to it that LBYC hosted these gracious people after the concert on 5/24/07 and again on Friday night. It is great to be around people that give so freely of themselves.

LBYC participated in the Opening Regatta at BucYC May 5-6, 2007 in Capdevielle. Joey, Claude and Ramona raced on Saturday. Claude, Ramona and Judy Reeves raced on Sunday. On Sunday the first race was restarted because of no wind. They had a great time competitive drifting. LBYC also raced in Spring Regatta at BucYC. Holly, Lisa, Jasmine and Alexis raced on Saturday. Claude, Ramona and Molly Magee raced on Sunday. There was no wind, so they postponed the race for a while. Then they started the race, and the wind died as soon as the race started, so they cancelled the race. BucYC did a great job with the hospitality and food at both races.

Lasers are ready to be used in the Juniors and adult sailing programs.

REAR COMMODORE

JULIE NOBLE

May has come and is almost gone - the weather is getting better & better and the sunsets from the club are beautiful! Our pool party on the 12th was a lot of fun - we enjoyed having Chuck Ryan play for us on the deck (he'll be back in June - check the calendar). Our club invited The American Wind Symphony Orchestra for finger sandwiches and snacks after their "Waterfront Concert" (which had to be moved due to strong winds) on Thursday, May 24th. Thanks to those who helped, especially Judy Simpson for the wonderful dessert. "Grill your own" continues to be a success on Thursday nights - come enjoy the fun! Don't forget - the Ladies Auxiliary is sponsoring a "Bunco" on Tuesday, June 12th.

We would like to extend our sympathy to Jack Lucas who had a death in his family. Our thoughts and prayers go out to you and your family.

JUNIORS

HOLLY MURRAY

LBYC owes a big thanks to Lisa LeBeau, Christy Welch and Ain & Becky Rajaia for all their help with the Friday night junior parties. They were a lot of fun for the kids and adults. Due to sailing camp and other club activities we are not going to schedule any parties for the month of June, but please keep a watch out for the July newsletter. We are going to have a lock-in and other activities that everyone will be invited to attend. Don't forget to check out the Fleet Captain's report for sailing lesson, its not to late to get you name on the list for sailing lessons. Call Holly Murray 363-0073/863-6880
