Dick Urban, Vice Commodore

July has been a very busy month for our club. Our sailing program has been extremely busy this summer and we are very proud of all our sailors and the volunteers who have helped them.

Our July 4th party was a big success. Freddy and friends gave us all a wonderful fireworks show. "Grill Your Own" night is still having a very big crowd and is a great opportunity for us all to get together. So come on down and join in the fun.

Our Building Committee is working hard trying to get some good plans together for our new club. Our pool has been a very busy place this summer and Howard is doing a great job keeping it "blue"..... Has everyone noticed our new fence on the North side of the club? Howard and many volunteers have done an excellent job on this project.

Mary and I were told we missed a wonderful party on the deck with Chuck Ryan. We were at the Junior Lipton Regatta at Ponchartrain Yacht Club in Mandeville. We do appreciate all the help from volunteers and committee members that have kept our club moving forward.

Thanks to All!

JUNIORS

Holly Murray, Juniors Chairman

'Twas the week of Junior Liptons and all along the Coast
All the Juniors were practicing and giving it their most
The Scots were all docked by the harbor with care
In hopes at the start that they would be there

The sailors were all snuggled at the hotel and campsites
While visions of trophies danced in the night
With the Commodore and wife as excellent host
They served us well as our team command post

When out on the course there was such a gather
The race was starting which really did matter
Up with the main we sailed like a winner
We rounded the mark and threw up the spinnaker

With a little ol' coach, lively and tough
She gave us the rules in such a huff
We knew in a moment it was so near
More eager than beavers our course became clear

While parents whistled and shouted and called them by name
Come Cameron and Erin and Lyda with game
Khloe and Kwinton to crew for the others
Long Beach Yacht Club should be as proud as their mothers'

With a toast to the winners, our team gave a clap
Little known to us the other teams had tipped their hat
With our reputation being restored
They all voted for **US** to win the Sportsmanship Award!

The week of the Junior Liptons was an awesome week for all our sailors! We started off sailing at Gulfport Yacht Club in the Garden Park Junior Regatta. Our Jr. Lipton team did really well, finishing 5th out of 8 boats. This was their first race on their own. Also in their first race at GYC were Blake Romig and Maddy Murray on the optis sailing Green Fleet. They did fantastic, with Maddy finishing 3rd place overall and Blake finishing 2nd place overall. Everyone at LBYC should be very proud of all the Jr. Sailors for making such a fantastic showing. None of this would have been possible if not for the help and support of :

Lisa LeBeau who has been at every practice and regatta helping coach and encourage everyone.

Claude and Ramona Dannemann for making sure I have all my information together plus. boats that are working, along with providing the transportation of the flying scot. We can't forget official picture taker.

Christy Welch and Beth Crowell who both have been great support at practices and running the support boat for the optis at GYC

James and Mary Hancock for all their help and support at the Jr. Liptons , they did serve as excellent host for the juniors and their parents.

Junior Lipton team who never gave up!! Skippers, Lyda Murray, Erin Keefer, Cameron Reynolds. Crew Khloe and Kwinton Ohliger. They brought home with them the Leslie P. Beard Sportsmanship Trophy. This is really something to be proud of, they were voted on by their competitors. Come down to the Club and check it out, we have only had this trophy one other time in our club, in 1996.

If you are wondering what its like to see a regatta everyone will have a chance to get a small taste of it on Aug 18. Ponchartrain Yacht Club is coming for a visit and fun race day with optis. The schedule stands so far as 10:00 skippers meeting and 11:30 start for 1st race. Please feel free to come down and check it all out, you will be amazed at the wonderful young sailors and their abilities, I know I am!

There is going to be an **Optimist Regatta for the juniors at LBYC on Saturday, August 18th.**
