FROM THE BRIDGE

ROY BURKE, COMMODORE

Hey all,

At this writing I have just returned from the semi-annual Gulf Yachting Association "GYA" Board of Directors meeting. It was a routine meeting with not much impact to Long Beach Yacht Club in general but of interest to our sailors. The GYA now publishes a newsletter. The website address is <http://www.gya.org/>. Have a look. Also of note, the 2015 Challenge Cup will be held at Gulfport Yacht Club. A special committee has been formed to determine which boat will be used in future Capdevielle events. The announcement will be made at the GYA winter meeting which will be in Biloxi next January.

As prescribed by the Long Beach Yacht Club bylaws, a nominating committee has been approved by the governing board. If you wish to serve on the board, please make the nominating committee aware of your desire to do so. Elvis Gates will chair the nominating committee and the committee members are: Millard Quigley, Jo Ann Fracingues, Joe Fleming, Julie Noble, Sally Kapp and Patti Steagall. Some of you may wish to serve on one of the many committees. Committee chairpersons and members will be determined later in the year.

My wife and I have recently returned from a long road trip where among other things we visited Niagara Falls and spent two days with club members Dick and Karen Urban in their beautiful Michigan cottage. Things apparently went smoothly during my absence and things got done. I would like to thank Kenny Woodward and Tom Stanley for correcting the electrical issues along the front fence. I would also like to thank Howard Kapp, Freddy "Daddy Freddy" Welch Jr. and Tom Stokes for restoring the club sprinkler system to working order. If you can avoid it, please don't drive on the grass behind the club. Right now the sprinklers have little flags next to them so if you simply have to drive back there, please keep an eye out for those flags. Thanks to Freddy Welch III for the marker flags and a brand new American Flag on our mast. Joe Fleming also keeps up with the American Flags. A very special thanks to June Wiggins and Elvis Gates for their efforts in deterring birds from living in the overhead outside on the east side of the club. Maybe more would have been done if I stayed away longer.

It is hard to believe that summer is winding down and fall is approaching. September at our club means Luau and that brings to mind a popular drink called a Mai Tai. So, why not enjoy that all month long as our "drink of the month"? Sounds good to me - give it a try and let us know how you like it. Speaking of Luau, mark your calendars and don't miss it - it is always a good time. We have a lot of new members joining the club, so if you see a new face, introduce yourself and welcome them to the club.

Friday Night Bell Ringer

In August, members came up short when they had the opportunity to win a \$250 bar tab just for being at the Club on Friday evening between 7pm to 8:30pm. Melodie Dulak, Roy Burke, James Patterson, Celeste McInnis and Judy Irion were those who missed out. Do not let this happen to you. Enjoy an evening at the Club on Friday, have a nice meal with cocktails and you may be able to pay for it all with your \$250 bar tab.

PROPOSED BY LAWS CHANGE

The following bylaws addition will be presented to the membership at the General Membership Meeting in November. It came to the attention of the Board of Governors that the Club may be subject to an insurance deficit should a person not a member of the Club participating in a Club sponsored activity make a claim against the Club. This bylaws change addresses that issue.

1. A person who is engaged in an activity sponsored by the Long Beach Yacht Club that requires Club membership for such activity shall become a provisional member when the requirements of this paragraph are met:
 - a) An initiation fee or dues payment accompanies a written application for membership.
 - b) If such applicant is under the age of 18, the application must have the approval of the applicant's parent or guardian.
2. Such membership will then be processed in accordance with other provisions of these bylaws in or to secure a more permanent membership status.
3. When the provisions of paragraph (1) above are met, such member will be issued a temporary Club Card with the stipulation that other provisions of these bylaws apply.

August was a busy month at the club with the Long Beach High School Mass Class Reunion, a shrimp boil and the junior fishing rodeo. Thank you to Glen Bohne for cooking the shrimp - it was absolutely delicious. Thank you to everyone who helped with the mass class - we couldn't have done it without you. Thanks also to Shelda Jones, June Wiggins, JoAnn Francingues, Dana Burke and Linda for all of your help during the month of August.

I would like to say a huge Thank You to all of the sponsors for our 12th Annual Junior Fishing Rodeo: Academy Sports + Outdoors, Ace Data Storage, Advanced Marine, Inc., Allen and Smith Insurance, American Legion Post 119 Gulfport, Bill and Nanka Caraway, Chevron Towing, Coastal Car Wash @ Rosalie Station, Commercial Investment Realty, LLC, Elvis Gates State Farm Ins., Free Spirit - Lydia Stokes, Gulf Coast Towing, Inc., Hancock Auto Annex, Ken's Hardware and Marine Supply, Mississippi Deep Sea Fishing Rodeo, Navigator Marine Electronics, LLC, No Worries - Freddy, Christy and Ricky Welch, Norm Bait, Timbuctoo (James Howard), and Walker Rent-All and Hardware. Without all of you, we would not be able to have this fun event for the kids. We had a good turnout and probably would have had more participation if the weather had been a bit nicer. The clouds did stir up a breeze which was good (not the thunder and lightning though). A big Thank You to Mark Wright (Weighmaster) and Paula Wright (Mark's mother and assistant) and family for continuing to carry on their late father and husband's tradition of serving as Weighmaster for our junior fishing rodeo. Thank you also to Judy Simpson (delicious brownies), Terri and Mark Oehmichen, Joe Fleming, June Wiggins, Sharon Quigley, Lon Moran, Bill Caraway and Norman Yandell who was set up to teach anyone interested how to make a cast net. Again, Thank You All. (Please forgive me if I left out anyone - we appreciate all of you).

Don't forget to save September 27th for our annual Luau. This is one of the biggest and best events of the year and you don't want to miss it. Please check the calendar and newsletter for other upcoming events. Also, look for flyers and reminders that might be sent to you via email or on the tables at the club, and, as always, see you at your club.
