## FROM THE BRIDGE COMMODORE PATRICK HOLIFIELD

Clubbers,

June has flown by, we made it through the storm with very minimal damage to the club. We did get a little bit of debris in our pool, but thanks to Terry Thomas we had it back clean and ready in 2 days!!! I would like to send out a huge thank you to everyone that helped move the boats out and back for the storm. We had a great turnout which made everything go fairly quick and smooth. We also managed to get all of our boats cleaned up when we brought them back to get them ready for our Sail Camp.

Our Sail Camp was a huge success this year, we had a great group of Instructors led by Joshua that did a fantastic job! Another upgrade that was done this month was cleaning up and painting one of our flying Scotts, we have Mike Butcher to thank for his hard work on that.

Going forward to next month, we have some events planned such as our July 4th festivities so come on down and watch the fireworks!!!

One more thank you is in order to Julie, Missy, Sandy, Jan and Edgie for helping out with our Grill your own nights while we try to get another chef to replace our beloved Daniel. May he rest in peace, he will be hard to replace!

Please remain cognizant of everybody's space still as we are still under social distancing guidelines, and need to keep doing everything possible to keep everyone safe.

Thanks  
Patrick Holifield  
Commodore

Mike Butcher hard at work...

THANKS MIKE!

What a month June has been – Corona Virus, Tropical Storm Cristobal, Birthday Party, Sail Camp and more! Thank you to our Commodore Patrick Holifield for your leadership and hands-on getting things done.

The club has been open now for Grill Your Own Thursdays, Friday night dinners and Saturday nights. We are still required to adhere to certain guidelines in regard to Corona and appreciate everyone being patient and understanding. Hopefully we'll get back to true normalcy in the near future. A big thank you to Sandy Pace, Missy Wiles, Jan Hansen, Edgie Dorris & Rhonda deBautte for all your help this month.

The “village” has definitely been at work during June, especially with what it takes to deal with a tropical storm. A huge thank you to everyone who helped prepare, put back and clean up – there were many volunteers and your help was so appreciated!

I'd also like to thank Deckhands – aka June Wiggins, for purchasing and assembling the new chairs on our upstairs deck. They look great and are very comfortable.

Please check the calendar and newsletter for what's going on in July and all upcoming events. Also, look for flyers and reminders that might be on our website, sent to you via email and/or text or on the tables at the club, and, as always, see you at your club!

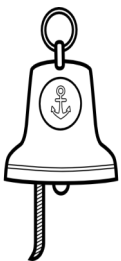

Drink of the Month: Turtle Krawl (Great Disney Rum Drink!)

**MEMBERSHIP****ALICE BARNETT**

We do have one application to be presented to the board for consideration at our July meeting:

Teresa McBride  
300 E Third Street  
Long Beach, MS. 39560

We appreciate this referral and encourage our members to invite friends and family to visit and hopefully join our club. We have memberships for residents of the coastal counties, non-residents and military. Please contact me if you know someone interested or visit our website for further information and applications.

**FRIDAY NIGHT BELL-RINGER****JOE FLEMING**

We had a full month of hearing that bell. And it was a good month for our members. A near clean-sweep. The three winners were Terry Verges, Patti Keith and June Wiggins.

Kenny Woodward had left the building before his name was randomly drawn so he has to forfeit his \$50 bar tab. If you stay to enjoy the evening you too could be that lucky member gathering that bar tab. Come enjoy a tasty meal and beverage and stick around so you too may be a winner!

Ok my Yacht Club Friends, I'm going to try this Entertaining Thing again. I hope you and your families have been safe and well and are ready to have some fun this second half of 2020.

Let's kick it off with a "Blast!" We are having an All American 4th Of July. Live music with New Orlean's own "Piano Man" - Mike Simmoneaux.

Club providing grilled Hotdogs and Hamburgers. Loads of other treats and bar specials. Party starts at 6:00 music at 7:00. Come on down and watch the fireworks from the upstairs deck.

Saturday July 11th come stretch your brain with our Trivia Master Joe Fleming. Bo's Summer Shrimp Boil is set for the 18th with more details to follow. Keep completely up to date with all club activities by checking your text messages and emails.

Don't forget that our beautiful pool is open and if you have any ideas or suggestions for activities please contact me anytime.
