I hope that everyone had a great and safe Christmas and New Year's. As we go into 2021 I would like to start by welcoming the new flag officers and board members to the crew. We have a lot of work to do and we have a good crew to get it done. We are still railing a little bit from our damages from Zeta, we have turned in most of our damage claims to our insurance carriers and are currently awaiting correspondence from them. As soon as we hear back we will begin making decisions on how to move forward with damage repairs. As always, please voice your opinions on what you would like to see repaired and/or upgraded to improve our building, grounds, boats, etc.

We unfortunately still have to deal with this Covid pandemic so please stay vigilant and mindful of yourselves and everyone around you. The club is still running on regular hours but we are holding off on having any parties right now. We are continually discussing things on a weekly basis and as soon as we can safely have some parties we will definitely plan them. We are all hopeful to get back to normal soon and we hope for a great 2021!!!

Thanks  
Patrick Holifield

I hope everyone had a blessed holiday and were able to be with loved ones as best as could be and are staying safe and healthy. Needless to say, 2020 has been a challenging year in many ways and we all are looking forward to a much better 2021!

I personally would like to thank everyone for all your help with Thursdays Grill Your Own dinners after the tragic loss of our chef and friend Daniel; Friday night dinners and other events we were able to have during the year. As I always say, it takes a village and we have one of the best - we couldn't do it without you all!

We had our Christmas Dinner and gift exchange on Saturday the 19th. We served complimentary Chicken Tortilla Soup and Vegetable Beef Soup (Thank you to Missy Wiles for making the Vegetable Beef Soup - it was absolutely delicious), thank you also to Stacey Tucker for your help in the kitchen and June Wiggins for handling the gift exchange ("Dirty Santa" as it is commonly referred!). I'd also like to thank Jan & Mark Hansen and June Wiggins for volunteering to take care of a Friday night dinner this month. And, as always, thank you to our bartender Linda for all your help.

Due to the increase in Covid 19 cases, we have chosen to cancel our New Year's festivities. Please check the calendar and newsletter for details on what's going on in January and all upcoming events. Also, look for flyers and reminders that might be on our website, sent to you via text and/or email or on the tables at the club, and, as always, see you at your club!

I think we are all ready to put 2020 behind us and ring in the New Year! Membership dues are what sustain our club from month to month. As we enter this New Year, membership dues will need to be made current so we can send out new membership cards for 2021. You will still have the option to pay your membership dues as a lump sum or you can choose a monthly option. If you wish to change your current payment status or not renew your membership, please notify Patti Stegall by text message at 504-452-1666.

It is my wish for the New Year to have everyone rejoin so that we can repair our facility, rebuild our membership and resume having fun!

We do have one new application for consideration at our January board meeting.

Please feel free to contact me if you have any questions or concerns.

There were three random drawings in December for the \$50 bar tab. There was not a fourth due to the way the calendar was laid out. Of the three all were winners. They were Marguerite Hess, Mike Masaitis and Bo Clarke.

The year 2021 will see a continuance of the Friday Night Bell Ringer. Participate and you too could be that happy Club Member!

Happy New Year!
