Clubbers,

Well January has flown by, as we venture into February we are unfortunately still having to deal with the Covid restrictions. That being said, we are still open but we are still not planning any big parties yet, but we will resume planning as soon as we safely can. We also have postponed the Commodore's Ball until it is safe to have it.

We are still dealing with the aftermath of Zeta, but we have made some headway in the past few weeks. We have received a payment from one of our insurance carriers thus far, but are awaiting the other ones currently.

We are currently discussing the priorities and sequencing of damage repairs right now and we will hit the ground running as soon as we get the insurance claims finalized. All ideas for repairs and/or upgrades are welcomed so if you have any ideas please call me or any of the board members and please let us know.

I wish everyone a safe and happy February, and please continue to be mindful of everyone's thoughts and personal safety needs during this time.

Thanks
Patrick Holifield
Commodore

Welcome winter! I hope you all are staying well and safe during these unprecedented times. Don't know about everyone else, but I'm ready for Spring!

I'd like to thank everyone who has been helping me with our Friday night dinners so that I was able to enjoy my grandchildren's sporting events - even if it was freezing at the soccer fields! Thank you to Joe Fleming for preparing his Cheesy Chicken Soup (delicious), Jan & Mark Hansen for doing the BLT's (great) and our bartender Linda for serving the Taco Soup. Your help is greatly appreciated. Just a reminder - we are still having "Grill Your Own" on Thursday nights, so bring whatever you would like to put on the grill and enjoy it with sides prepared by Annette and a dessert!

Please check the calendar and newsletter for all upcoming events. Also, look for flyers and reminders that might be on our website, sent to you via email and/or text or on the tables at the club, and, as always, see you at your club!

Drink of the Month: Classic New Orleans Favorite "The Hurricane"

MEMBERSHIP**ALICE BARNETT**

Thanks to all of you that have renewed your memberships. We really appreciate your continued support of our club. If you are a resident member, you will find your new card at the bar, if you are a non-resident member, I will mail them to you.

It is time once again to grow our club. We always lose members at the beginning of the year and this one has been no exception. We are accepting applications for new members, so talk to your friends, neighbors and family about becoming part of our LBYC family.

Please welcome our newest members: Jeff and Tara Wallace of Long Beach.

We have one application for consideration at our next board meeting:

Louis Reuther
5070 W. Beach
Gulfport, MS 39501

Feel free to contact me with membership questions of concerns. Stay safe and healthy!

FRIDAY NIGHT BELL-RINGER**JOE FLEMING**

Twenty Twenty One is off to a good start. At least it is not Twenty Twenty!

The Club had a full month and there were several winners of that wonderful "Friday Night Bell Ringer". Elvis Gates, Paul Dorris, and Joe Fleming gathered up that \$50 bar tab merely by being present when their names were randomly drawn from the hat of those who had purchased an adult beverage or a delicious homemade dinner. A lovely evening for all.

Terry Verges was not so fortunate. He had departed before his name was drawn. Don't be unlucky...come down, enjoy a drink and meal and stick around to WIN!
