Members,

Well as we venture into April we have a lot of positives going on at the club. Lately, we have had tremendous turn-outs from our membership, so please keep coming down and enjoying your club. We are still working on getting some things fixed currently as I have previously stated. Right now we are about 85% done on our new A/C unit installation (The A/C is working we are just working on the furnaces now.) We are also diligently working on the pool equipment to get it running again.

The pool plumbing and electrical should be running hopefully by next week if everything goes as planned. Furthermore, we are also working on getting the pool fence and the perimeter fence repaired/replaced ASAP so bear with us. You should see a lot of progress in the next few weeks.

We are planning some new and fun upcoming events so watch you emails and texts for dates and times. As always special thanks to all of the people who have volunteered this month for a variety of activities

Thanks
Patrick Holifield
Commodore

Spring is in the air, grass is growing, flowers are blooming and the new air conditioning at the club is working great - what more could we ask for!!

March has been a great month at the club. We started off the lenten Friday night dinners with Seafood Lasagna. Thank you to Rhonda and Kelly deBautte, Jan and Mark Hansen, Melissa Gates, Edgie Dorris and our bartender Linda for all your help. Our next Friday night dinner was Bo Clarke's fabulous crawfish & all the trimmings - it was fantastic! A huge thank you to Bo, Beth, Shelda Jones, Melissa Gates, Edgie Dorris, Debbie Caldwell, Mike Butcher, Elvis Gates and our Linda for all your help with this event. The following Friday night we enjoyed Charlie & Patty Coleman's famous fried catfish, Charlie's homemade hushpuppies and Patty's homemade coleslaw - it was delicious! A big thank you to Charlie and Patty, Paul and Edgie Dorris, Tommy Barnett, Melissa Gates and Jan Hansen for all of your help. Last, but certainly not least, we enjoyed Dana Burke's delicious oyster poboys. A big thank you to Dana - they were great!

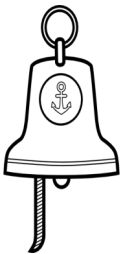

I'd also like to thank Melissa Gates, Edgie Dorris, Janet Bixler & our Linda for your help with a Thursday night "Grill Your Own" in the temporary absence of Annette. Like I always say, it takes a village and we are blessed to have such great villagers. We appreciate everyone's help and could not do it without you all. (I apologize if I left anyone out, it certainly was not intentional).

Another person I'd like to say thank you to is Elvis Gates. Elvis sends out all of our informational texts and emails, complete with pictures relative to our menu. He also edits and sends out the newsletter (and that is no small feat trying to get everyone's information); and takes care of preparing flyers for our events (especially for those of us who don't really know how to do it ourselves!). Thank You!

Mark your calendar to attend our Spring Sunday Brunch - Sunday, April 18th, 11:00am - 2:00pm. Look for more information in the newsletter as well as reminders sent via text and/or email. ALSO, mark your calendar to attend the Commodore's Ball on Saturday, May 1, 2021. You won't want to miss either of these events! Please check the calendar and newsletter for all upcoming events. Mark your calendar to attend our first "Guys & Their Grills" event on Saturday, May 15th. Details to follow. Also, look for flyers and reminders that might be on our website, sent to you via email and/or text or on the tables at the club, and, as always, see you at your club!

The Drink Of The Month: The Angry Irishman

FRIDAY NIGHT LIGHTS

The winning ways continue for our members of the Long Beach Yacht Club. March paid off for each of those members whose name was randomly drawn for that \$50 bar tab.

Paul Dorris, Patrick Keller, Pam Rice and June Wiggins all cashed in.

You too can get your name on the lights by being in the Clubhouse when your name is drawn from the hat. It ends up being a delightful evening.

It is time to make up for lost ground! We did not have a membership drive last year due to COVID 19, but we ARE having one next month! It is time to let your neighbors, friends and relatives know about LBYC. Watch for more details in email and text!

The resident membership rate is \$660 annually plus a \$10/mo pool assessment and the non resident rate is \$330 annually plus a \$10/mo pool assessment. We also offer a military rate. You can choose to pay annually or monthly. Any current member that recruits a new member will be entered in a drawing for a gift to be given out at our new member night to be held in June.

I am always happy to talk with any perspective member if they have questions and can be reached at 601-954-3870.

I would like to welcome our newest member: Regina Warren/ Richard Bourland.

We have two application's for consideration at our monthly board meeting:

Patricia Johnson
913 Laura Street
Long Beach, MS 39560

Rosario Feth—reinstatement
5160 Mitchell Rd
Long Beach, MS 39560

It has absolutely been fantastic seeing everyone coming down and enjoying the scheduled club events. The participation has been amazing and all I can say is Thank You and let's keep it going!

Upcoming on April 18th our Brunch is Back. It is always a very popular event so make sure to make your reservations. This is a great opportunity to bring family, friends or guests and possibly recruit a new member or two.

Club Spring Clean Up is on the 24th. Lunch will be provided. All hands are needed to get the club spick & span for the summer months. Let's make our club one to be proud of.

There are a couple of "Save the Date" events to put on the calendar:

May 1st Commodores Ball. Ronnie Hammons will be providing all the dance music. Be on the lookout for more information.

May 15th we'll be having a Guys & Grills BBQ cook off. Live entertainment by Phillip Drake. More details will be coming on this event as well.

Always looking for new ideas and event volunteers, so come find me and let me know what ya got!
